

STILL DELINQUENT

Your account is still delinquent. In spite of the reminder which was attached to your last Lesson, we have not yet received your past-due remittance. We cannot continue these Lessons unless the account is brought up to date at once. We shall be extremely sorry if we are compelled to discontinue your Lessons, but WE DO NOT SEND LESSONS WHEN THE ACCOUNT IS DELINQUENT. Won't you please bring your account up to date, and meet the payments as you promised to? We took you at your word, and we don't believe we'll be disappointed. Thank you.
