

AN ABIDING FAITH

As Founder of "PSYCHIANA," I have an abiding FAITH. I have had to have to do what I have been able to do in ten short years. FIRST:—I have an abiding faith in God. SECOND:—I have an abiding faith in myself. THIRD:—I HAVE AN ABIDING FAITH IN YOU. As a matter of fact, this entire Movement has been carried on by faith alone. It has been, and always will be amply cared for by the Power of the Spirit of God, whose Power we are teaching to the nations. God, in turn, is depending on us to carry on this God-inspired work. WE, IN TURN, ARE DEPENDING ON YOU. We have no other source of revenue than that sent to us by our Members. HAVE YOU MERITED OUR FAITH? Have you kept your promise to make a regular monthly donation? OUR BOOKS SHOW YOUR MEMBERSHIP NOT TO BE PAID UP. Won't you please do your little part? It may not be much for you to do, but it means a lot here. May we ask you to send your regular donation to us TODAY? Thank you so much for your loyal cooperation.
