Dear friend and fellow-member:

We are very sorry, indeed, to have received your request to discontinue your Lessons. However, we do know that the Truths of the Spirit of God, which were thus far shown to you through our Psychiana Lessons, will help you in your daily association with others; and we know that your Spiritual education will not end with the discontinuance of the Psychiana Teachings.

Our records show that to-date you have not kept your monthly payments current. I know you realize that we have our monthly obligations to meet, the same as you. So won't you please send us the amount due for the Lessons you did receive? If you have lost track of this balance, the amount you should have sent in to us for the Lessons you received is \$.

You know, credit is the most valuable thing a person can have. Money may be had by various means, but credit comes only from years of honesty and prompt meeting of payments when due. So when you send in your payment to us for the Lessons you received you are merely being honest and upright in the eyes of your fellow men.

If you should ever decide that you would like to continue your studies with us do not hesitate to let us know.

May the Spirit of God be with you always.

Sincerely,

PSYCHIANA
