

MY GREATEST EFFORT

During the past few years, I have been working amazingly hard. I have written two new books shortly to be announced. I wrote a series of "Eternal Life" Lessons, and then, as if that was not enough, I worked for almost a year on a series of 27 new Lessons known as "THE NEW PSYCHIANA." These Lessons go very deep into the Great God-Consciousness. They really reveal the Spirit of God to man. As a prominent minister said recently when speaking of me: "If any man has gone farther into The God Realm than Frank B. Robinson, I don't know who it can be."

However, things are really moving, beloved. Believe me. When the Methodist Advocate openly advocates throwing away, for 90 days, what they have been teaching, urging ALL PROTESTANT MINISTERS to practically follow Frank B. Robinson, (for that is what it amounts to), that really is one for the book. I never thought I should live to see that day. But I have lived to see it. Now I want you to study THE NEW PSYCHIANA LESSONS. I was at my best when I wrote them. They will reveal God to you. These are dangerous days. They are days pregnant with possibilities for every Member of this Movement. So keep abreast of the times.

THERE ARE TWENTY-SEVEN OF THEM, AND, IF YOU PAY CASH, ALL THEY COST IS \$35.00

This is the first time in twenty years I have revealed to my Members what "Heaven" is like. What goes on before you get there? Is there a transitory period after "death"—or do we ever die? Are there angels there? Shall we know each other beyond the tomb? Do the spirits in the Realm of God hold conversation with each other? What sort of buildings are there? Are the streets made of real gold? Are there millions of other inhabited worlds? Is this earth the last earth to be either "saved" or "damned"? All these, and many other questions, are answered in these new Lessons. ENROLLMENT BLANK IS ENCLOSED. MAIL TO US, WITH REMITTANCE, TODAY AND THE LESSONS WILL BE STARTED TO YOU AS FAST AS WE CAN GET THEM OUT.
