My dear friend and fellow-member:

**I HAVE A PROBLEM AND I  
NEED YOUR HELP SOLVING IT**

● ● ●

Here is the problem. It never should exist. But it does, and in a way, you are partly responsible for the rather embarrassing situation in which I find myself. I feel quite confident, however, that when you know the facts, you will help me to solve this problem. It cannot be solved without your help.

You see—YOU, and many thousands of other Members joined our organization. You accepted our Lessons and then, for some reason unknown to me, you neglected to pay for them. This puts me right up against it. Do you know—our Members, plain ordinary Americans like you and me, ACTUALLY OWE US OVER \$300,000.00? Now there is nothing intentional at all in this. Because we are at a distance, many figured this way:—"Oh, well—they don't need the money—that's a non-profit religious organization, so I'll just pay everyone else and let them go to pot." Something like that. Now that isn't quite right, is it? Of course not. We cannot tell this world about the Power of The Spirit of God if our own Members do not live up to their obligations, can we? You couldn't.

**SO HERE'S WHAT WE DO FOR YOU**

You owe me now, the sum of \$..... You may deduct one-third, which will be \$....., and mail the balance of \$..... to us, and WE'LL SEND YOU A BILL RECEIPTED IN FULL. Will you do this for me? Thank you very much.

Sincerely, your friend and teacher,

*Frank B. Robinson*
