WILL YOU DO SOMETHING FOR ME?

I feel sure you will or I would not ask you.

You see---it's like this. We have, during the coming month, some very heavy paper bills and printing bills to meet, in addition to other bills which we must meet. There have been times during the past twenty years when we have had to make special appeals to our Members, and this is one of those times.

If every Member of this organization meets his or her contracted obligations ON TIME, we are able to meet our obligations. If they do not, then we have to borrow money at the bank, and from Members themselves, in order to keep solvent. WHEN YOU DO NOT SEND US THE MONEY YOU OWE US, IT WORKS A HARDSHIP ON US ALL.

No one makes any money from the operation of this Movement. That is not the reason we are in existence. Our one and only aim in life is to reveal the power of God to others. But those to whom we send our Lessons must meet their obligations, else it brings much extra hardship to me personally.

You owe me now, the sum of \$.....
Will you mail that sum to me now, so that I may meet the obligations which confront us on time? THANK YOU SO MUCH.

Sincerely your friend and Teacher,

Frank B. Robinson
