Dear friend and fellow-member:

WE LIVE IN A CHAOTIC AND CONFUSED WORLD

* * *

and we need your help in doing our bit to straighten it out. It CAN be straightened out but it will take the Power of The Almighty to do it. Some years ago, while searching earnestly for God, Dr. Robinson received a revelation from Him which was one of the greatest spiritual revelations a man can receive. There is no question about the manner in which God revealed Himself to Frank B. Robinson. At once, (and this was 20 years ago) Psychiana began to tell the world about this discovery of The Power of God, and you know what happened. Religious history was made. The Power which followed this Teaching has never been equalled in the life of any one man ever, to our knowledge.

HERE'S HOW WE NEED YOUR HELP

* * *

When you enrolled in this Movement, you became a Life-Member. You wanted to know The Power of God. Knowing this to be a completely non-profit religious organization, you may have said:—"Oh well, I'll pay the rest of my bills and let Psychiana wait." Of course, that can be done and there isn't much we can do about it. But we don't believe you want to do that. It is not easy, we assure you, to fight for God in these critical days, even when all our Members meet their obligations. But when they do not, well . . . that makes it doubly hard. **YOU DON'T WANT TO DO THAT . . . DO YOU?** Of course not.

If you had not been interested in finding the Power of the Living God you would never have enrolled with us. We want to send your lessons to you, and rest assured we will as soon as we receive your past-due payment of \$.....

May the Spirit of Infinite Peace be with you.

Sincerely yours,
