

A LITTLE CHAT ABOUT MONEY

Dr. Frank B. Robinson

Until the time when your path and mine crossed, you had little hope of ever being able to find, use, and personally know the actual Power of God here on the earth. The Lessons you have received to date have convinced you beyond a shadow of a doubt that I really know how to lead you into knowledge of this most staggering of all powers—**THE POWER OF THE SPIRIT OF GOD**. Perhaps the thought has come to you more than once that you wish there was something more you could do to assist me in spreading this liberating knowledge of the Power of God. Well there is. Here is what you can do:

The chances are many to one that you will not be called upon to play a leading role in this Movement. But there is one role you can play. This role is very important. **YOU CAN KEEP THE PAYMENTS YOU HAVE CONTRACTED FOR, COMING TO US ABSOLUTELY ON TIME**. We are far apart. It is mighty easy to let these payments slide. I know that. But that isn't quite fair. Nor can it be conducive to your own success. I operate this Movement with no thought whatsoever of doing more than taking care of our operating and overhead expenses. The Movement is completely non-profit. But that does not mean that we expect to operate on a slipshod careless basis. We have no intention of doing

(SEE OTHER SIDE)

that. We pay our bills when they are due. We take advantage of cash discounts. We keep our operating expenses to an absolute minimum. No one ever receives either profits or dividends from this Movement. In fact, the burden on the Founder of this Movement is heavy. A man cannot carry the load I carry and not labor under very heavy burdens.

I don't want to ever think of money. But when our auditor tells me that a certain percentage of our Members are getting lax in their contracted payments, that upsets me. It should not be. I believe every Member of The Psychiana Religion is a man or woman of unshakable integrity. It is my opinion that when payments do not arrive when they should, it is because of carelessness. I do not believe a single Member wants to embarrass me, or make my load heavier than it is. But many of us do get careless—don't we?

So I'm going to ask you to pay special attention to your monthly payments. **THEY MUST COME IN ON TIME. WE MUST RECEIVE THEM EVERY MONTH WHEN DUE.** Otherwise we cannot send out our Lessons, and you would not ask us to—would you? So why don't you set aside the small monthly sum you have contracted to send us, and see that we receive it with regularity—**EVERY MONTH?** Won't you do that? I feel you will. I know I would if I were in your place. There has been an increase in the cost of everything. But we have not increased the price of our Lessons, and we don't want to. So, if you can take advantage of our cash discounts do so. If you cannot, then make it a point to see that you send in your payments **EACH MONTH WHEN DUE.**

The great majority of our Members take care of their obligations in a wonderful way. Some do not. We are more anxious than you are to keep sending these precious truths to you, **BUT YOU MUST DO YOUR PART.** I'm sure you will, and I thank you for it. It will help me very much. Thank you again and may the Power of The Spirit of God manifest in your life in a very wonderful manner.

Sincerely yours,

Frank Robinson
