My dear friend and Fellow-Student:

By this time, you realize, of course, that I am bringing to the world an utterly new conception of God. You realize also that it is this conception, and this conception alone which can step into this world's troubled and dangerous picture, and bring peace.

The Power of the Spirit of God can, and will, if you will let it, bring into your life an overwhelming flow of Spiritual Power, so dazzling in its magnificence that even you will be surprised at the volume of Power there is in the invisible Realm of the Spirit of God.

Now then, I take it you are in earnest--you must have been or you would not have sent us your signed enrollment through the mail. We are in earnest too. We shall do everything in our power to live up to our agreement and try to make God very real to you. BUT THERE IS ONE THING I MUST ASK RIGHT AT THE START. I MUST ASK YOU TO LIVE UP TO YOUR PART OF OUR AGREEMENT. And I know you will want to do that. The basis of success in this life is fair play. We have accepted your signed enrollment application, and the Lessons have been coming to you regularly. BUT WE HAVE NOT BEEN RECEIVING YOUR PAYMENTS.

This, undoubtedly, is an oversight on your part. But I must ask you to remember these payments every month, and see that they reach us on time. I am giving everything I have to my fellow-men, and as a result of this Teaching, happiness, joy, peace, and abundant success are coming to thousands. It can come to you too. But you must live up to your part of the agreement.

Won't you please, NOW, send your check or money-order. You will feel lots better if you do. I am enclosing in this letter a piece of string. What for?--well--tie it around your finger to remind you to fulfill your obligations to us, and send us your check, money-order, or cash. Thanks a lot. Don't you feel better now that you have promised yourself to do this! Of course you do.

Cordially yours,

Frank B. Robinson
