IN THE MIDST OF THE CHAOS OF THIS WORLD — IS GOD

● ● ●

My dear friend and fellow-member:

If the chaotic darkness and fear which envelops humanity like a pall is to be obliterated, The Spirit of God will have to do it. There are nations which would drive the very name of God off the face of the earth, if they could. But they can't. Always, when the night seems the darkest, someone will be found who will hold high the Torch of The Power of God. The ABSOLUTE TRUTH OF GOD will inevitably banish the surrounding darkness. I say to all our Members:—"LOOK UP—THESE CONDITIONS WILL NOT LAST MUCH LONGER."

In the meantime, you hold membership in perhaps the only religious organization on earth which is not tied down by creeds, rites and rituals. These may all be good. But we are not interested in them. We prefer to deal DIRECT WITH THE SPIRIT OF GOD. In that way, we know we shall be led aright.

HOW DOES THIS AFFECT YOU?

● ● ●

Well, what effects me affects you. What affects you affects me. I did so hope that the small payments you promised to send, holding up your end of this Movement, would be sent on time. Of course, I know how very easy it is to procrastinate, especially when we are far away from you. But may I ask you . . . please . . . won't you mail us a check or money-order for the enclosed bill? Thank you so very much. It will make my load a lot easier, I assure you.

Sincerely, your friend and teacher,

Frank Robinson
