My dear friend and fellow-member:

## I AM GIVING YOU MY LIFE AND MY ALL. I NEED YOUR HELP

I mean that for twenty years I have literally given my life . . . my all . . . to others. Many a time I should have faltered and fallen had it not been for the Power I teach and know. At this very moment there is nothing I would not do for you and yours, if that were possible. From early morn till late at night, my whole life is dedicated to bringing to this sad and weary world, THE TRUTHS OF GOD AS THOSE TRUTHS HAVE BEEN RECEIVED BY ME. The way of the Spiritual Pioneer is never easy. Jesus found that out. He was killed for His good works. Others have been burned at the stake for their convictions. Thank God, that is impossible in the United States. I know that you would go the limit in helping me bring these Truths of God both to you and the world. If we cooperate, we can win.

## YOU WILL COOPERATE, WON'T YOU?

The enclosed bill represents the sum due us now. It may seem like a little bit to you, and really it is . . . BUT . . . a lot of little amounts neglected can make an awfully large sum, and when that happens, it increases the already heavy load I carry. You don't want to do that, do you? Of course not. Then may I ask you, as a personal favor, if you won't please mail enclosed sum to us now? If I were to be sitting in your home tonight, the first thing you would do would be to give me this amount. I wish I were. But you will mail it to me, won't you? Thank you so very much. It means much to us out here.

Sincerely, your friend and teacher,

*Frank B. Robinson*
