Name in full Mrs John A Burr 450

Street and number 232 main

City Oakdash State Wisconsin

Many members will probably desire to pay 6 months or one year's dues in advance. This saves you a lot of time and saves us considerable expense and time also. If it is convenient for you to remit for your membership plus 6 months dues, send us your check for \$14.50 and we will send you FREE Dr. Robinson's dynamic new book "AMERICA AWAKENING." If you care to remit for one year, send \$26.50 and we will send you the above book, also "THE GOD NOBODY KNOWS". These books sell for \$5.00 each, and you make quite a saving by sending your dues in advance. We do not urge this however, as many are not in a position to do so. But if YOU are, then avail yourself of the privilege of getting these books for nothing.
