We do not claim to be infallible, nor do we claim to have all of the truths of God. But we do claim that the vital message of the Galilean Carpenter has been entirely missed. We believe that a superstitious age and a superstitious race entirely missed the import of the message of the Christ. We believe there is in existence a power, so dynamic, that all other powers and forces fade into insignificance beside it. We believe this invisible, little known power to be the very same power Jesus used and taught--the power of God.

Results usually speak for themselves. Less than 18 months ago, this course of instruction was positively unknown. To date some part or other of our teachings have gone into 67 different countries. Our files are literally teeming with letters from satisfied students all over the country. These letters have very fully convinced us that our philosophy of life is absolutely correct. The teaching is revolutionary--true, but the chances are that we are correct in our teachings. At any rate, if you are not satisfied with our instructions, you have 45 days from date of your application blank in which to return the Lessons you have received, and YOUR MONEY WILL BE REFUNDED IN FULL WITH NO QUESTIONS ASKED. This is pretty fair, and it protects you to the very full. So send in this SPECIAL ENROLLMENT BLANK as soon as you conveniently can, and this course of instruction will be immediately started on its way to you.
