

# DR. ROBINSON'S "REALIZATION" SECRET

About five years ago Dr. Robinson was an obscure and unknown drug clerk, working in a drug store in Moscow, Idaho. He was heavily in debt. He had less than \$40.00 to his name and had he lost his job in this drug store, he would not have had enough money to get to the next town. With a wife and family dependent upon him he lived in obscurity in a rented apartment, had no life insurance, no car, no bank account—in fact at the age of forty-three could very safely be called a FAILURE. True—he could always land a "job" in the drug business, but as far as making his influence felt in the world—well—it looked as if he would never do that. The future looked black. Nothing but stark and absolute discouragement faced him. He pictured the future as being merely an existence, and not a very pleasant one at that.

## BUT THE PICTURE CHANGED

Today, it is safe to say that millions of people have seen this man's picture in the different magazines carrying his announcement. Hundreds of thousands have heard his voice over the radio. Hundreds of thousands have read his magazines articles, and his writings are going practically all over the civilized globe. In one year, requests for information regarding this man's teachings had come to him from 67 different countries. Today he has students all over the world by the tens of thousands. He is looked upon by many as one of the greatest spiritual pioneers in America. He owns a beautiful home. He drives a beautiful car. He owns a newspaper and two drug stores. He has many thousands of dollars worth of life insurance. He has money in the bank and if he died today, his loved ones would be amply cared for. Recently he installed in his residence a beautiful pipe organ from which he obtains much pleasure and relaxation. His course of religious instruction—

## "PSYCHIANA"

is perhaps one of the fastest growing systems of instructions ever given to man. Letters come to Dr. Robinson by the thousands from students, stating in no uncertain terms what his teaching has done for them. Less than a year ago, Dr. Robinson purchased for his corporation nearly one-quarter of a block of the finest and most valuable business property in the city of Moscow, Idaho. Where the end of this movement will be, no one can successfully predict.
