# "PSYCHIANA"

INTERNATIONAL HEADQUARTERS  
MOSCOW, IDAHO

DEAR FRIEND:

Probably the reason you have not mailed in your application blank for "PSYCHIANA" is due to the fact that you may question whether or not this Course of Instruction can be of any use to you.

If you could but see through Dr. Robinson's personal files, we think you would be amazed at the tone of the thousands of letters received by him. These letters state in unmistakable terms benefits of almost every conceivable kind which have been achieved by students of this Course of Instruction. Changed lives---healed diseases---material success, and scores of other benefits have been reported.

We do not blame you for being a little skeptical of the claims made for this new teaching, but so sure are we that it might help you that we are sending you lesson number one with our compliments. We want you to study this lesson carefully and follow the simple little exercises prescribed in it and we feel confident that this first lesson will open up your eyes as they have never been opened before. At least it will give you a glimpse of the possibilities at your command.

If you like this Lesson, you may fill out the enclosed application blank and mail it to us and the lessons will come to you regularly, one every two weeks until the entire course has been completed.

We know what this teaching is doing for thousands of students and there is no reason to believe that it will do less for you. If it should be that the Course of Instruction is not satisfactory, you lose nothing. You may return the lessons received within forty-five days from the date of your application and whatever money you have paid will be refunded in full.

Your application mailed at once will start the Lessons to you.

Respectfully yours,

"PSYCHIANA."
