# I Possess No Strange Power

## I'm Just an Ordinary Individual--Like You

The only difference between you and me is this: —I was not satisfied to believe the theories of God taught me in my childhood. I wanted to actually know the Power of God and I wanted to know that Power right here on the earth, where I could use it to bring me the things I could not possibly secure without knowledge of this amazing power. So—I FOUGHT THROUGH TRADITION TO GOD. And I made a spiritual discovery in its immensity. From the day I made this discovery, the world had for the first time in its history, **AUTHENTIC INFORMATION ABOUT GOD AT ITS DISPOSAL.** Naturally, when the Almighty reveals Power and Truth to a man, he also shows that man how he may teach others the very same Truths which have been revealed to him. So then, please don't ever think that I possess any Power you don't possess. Nothing could be farther from the truth than that. **THE POWER I POSSESS YOU ALSO MAY POSSESS.** When you do, there's no reason why it cannot manifest in your life, just as spectacularly as it manifested in mine. It can and will. Believe me it will. And the joy of superlative spiritual Power will be yours once and for all. Yes—this Power, so easily attained—**IS FOR YOU.**

# HERE AND NOW

I have no way, of course, of knowing what your problems in life are, I know that you have them. And I know also that most of them you neither understand, or can handle. But there does exist a Power that does understand, and can handle them for you. It is a fact that when a man or woman discovers the actual and literal Power of the GOD-LAW in his or her life, that Power, by the weight of its sheer might is more than the answer to ALL life's problems, whether material, financial, domestic or what have you. For this Power is far above any earthly Power. It is the Power of God, and I WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD.

# Dr. Robinson and Red Skelton

This picture of Dr. Frank B. Robinson and Red Skelton was taken at the breakfast table in the Multnomah Hotel in Portland, Oregon, during the Third War-Loan Drive. Dr. Robinson is handing Red Skelton his check for \$5000 which was among the first, if not the first subscription Mr. Skelton received in Portland. It is a pity that the nations of the earth have not yet made the startling discovery Dr. Robinson has made, regarding the Power of the God-Law, and how and where that Power can be found and used by all. Try and imagine what your life would be like—how much peace, joy, happiness and overwhelming material supply would be yours if you knew how to find and use the staggering Power of God. It amazes one to think about it, does it not? Well—the Power of God actually exists and **WE WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD.** It is for this express purpose we operate. Won't you allow us to? We believe you will very soon. It will pay you to, certainly. If you don't—we don't lose. You lose.
