If every man and woman in America knew today that the Great Presence of God was available with all of its Power, to them, what a different place this world would be — wouldn't it. You know it. Our Lessons have disclosed this staggering fact to you, and every day you are proving the truth of the above statement. But there are millions, Beloved, who still cling to the old pagan and superstitious ideas of God, which had their origin in the Dark Ages, thousands of years ago. And they will cling to those ideas until we tell them the beauty of the new vision of God, and the Spiritual Power this new vision brings with it.

We are doing everything humanly possible to tell the whole world of the present existence of the Great Spirit of God, and every donating Student is helping in that work. All pulling together, we can swing this Movement of the Spirit of God round the world, and then, when all men and women know that God exists here and now for their own personal benefit, what a different world it will be. Crime, wars, poverty, suffering — all these, and more, must disappear when the Spirit of God operates. God will never come out of "the skies" to save this world — the world will be saved when the human race finds out the staggering fact that God exists here and now for the express purpose of joining man and God together, for man, living in and through the Presence of God, becomes a very part of God. Then, nothing is impossible.

Your part of this work is to keep this Movement free from financial worries. It may mean a little sacrifice — but isn't it worth it? If you knew how much we depend on you, you would stand behind us to the last ditch. When your monthly donation is due, won't you please send it in? And won't you make it as large as you can? I have confidence in you. I feel that you will.

I want you to realize the important responsibility which rests upon you as a Member of this Institution. To our knowledge, this is the only movement on the face of the earth which is teaching the present existence of the Spirit of God, with all its Power freely available to all. This, we believe, is the only true picture of God the world has ever given to it. You have seen the picture. You know the truth. Therefore, Beloved, whoever you are, **YOU HAVE A SOLEMN OBLIGATION RESTING ON YOUR SHOULDERS.** Some day, some wealthy man or woman will put behind me enough money to spread this God-given gospel to the four winds, and that without financial limitations. Until that time comes, the responsibility is yours. You have freely received from the Fountain of all Spiritual Truth — God, therefore, you must freely give that others may know the liberating truth also.

My path through this life never has been an easy one. It is not easy now. I bear the marks of the conflict, Beloved, and shall bear more scars before the world recognizes the present existing Spirit of God. But one thing is sure — just so long as I am given physical and mental strength to spread this Teaching, I shall spread it. If you can help in a material way financially, all I ask is that you do so. Not for me — but that others may know the true picture of God, and, knowing that Truth, may be free indeed. So, in these difficult days, whatever the Spirit of God tells you you should do, do it. Great will be your reward in many ways.

Cordially Your Friend and Teacher,

Frank B. Robinson
