## SUCCESS—IN BUSINESS

St. James Hotel, Philadelphia, Pa.,  
November 24, 1931.

“Well what a change, only the third lesson and here I am from a living death of inactivity to an office and force of men, plenty of work that man needs. Do I believe in the Power of the living God? I should say I do!”

## SUPERIOR TO ANYTHING EVER OFFERED

Atlantic City, N. J., August 14, 1931.

“I left the ..... church and attended ..... meetings, then other denominations, ..... I have studied lessons by ..... and Psychology. Finally in the Psychology magazine I saw the last gleam of light—which I believe is the *True Light* of today; the course offered by Dr Robinson which appeals to me and has already benefitted me more than all other courses combined.

## PERHAPS THIS IS YOUR IDEA—IT CAN BE CHANGED

Calumet, Minn., October 5, 1931.

“The fact that I have taken up other courses and received only minor results convinced me that I was not wholly at fault, for your teachings are giving me more results. You have changed my whole outlook on life. I always thought that some were born to succeed but that others of us were not born with the ability to be more than mediocre. I know now that we can all go as far as our Vision will carry us.

Very sincerely yours,

C. G. O.....

## ANY PLACE ANY TIME—UNDERSTANDABLE

Frindsburg, Strood, Kent, England.  
September 28, 1931.

“I have just finished your course of study and must say “they are Great.” I believe every one of them for your message rings true. I have never had anything explained in a more understandable way. I appreciate the help these lessons have been and thank you very much.

I remain, fraternally,

## PRACTICAL AND MOST BENEFICIAL

Chicago, Ill., October 9, 1931.

"I have been a student of psychology for about seven years and have during that time taken several courses of instruction, read a good many books, and know something about the teachings of the "authorities" in this field. Though I have had only six lessons of "PSYCHIANA," I feel certain that Dr. Robinson is by far the greatest psychologist of them all, because he not only knows the truth but also knows how to instruct his students so as to enable them to apply these truths advantageously to their daily life. I consider "PSYCHIANA" the greatest thing that has come into my life."

Very truly yours,

## NOTHING IMPOSSIBLE

Spokane, Wash., December 23, 1931.

"It would be impossible for me to tell of the pleasure and help received from your two books and course. It is simply wonderful. A long-standing case of heart trouble has just been completely cured. I can see now where many of my mistakes were. I could have been well and have had a job long ago."

Cordially yours,

R. R. ....

## HELPFUL IN EVERY WAY

(This man, a World War Veteran, contracted tuberculosis and spent much of his time for two years in different Sanitoriums and Hospitals. Being without work he did not have much to look forward to.) He writes:

Sacramento, Calif., January 2, 1932.

"I left there (a hospital) and came back here again. When I got back I wrote for your course and began studying it. I went out to look for some kind of work, other than Garage work which I have followed for about 30 years. I was told that I could not buy a job at any price, but I wasn't discouraged as I had been studying for about three weeks and I received so much confidence from my first Lessons so I didn't worry. I looked around and received a position as an Elevator Operator in a Hotel here. After working there about a month or so and in the meantime studying your course every day, I saw an opportunity to advance myself. I assure you I asked the Power of the Living God to help me to advance and to guide me in my ways. And I received this position and have held it ever since. That has been 16 months and without a day off, and have never had a sick day and I am always happy and contented, because I know God is with me always. I am surely thankful that I am one of the many that have found Health and Happiness by studying 'PSYCHIANA.'"

Respectfully,

P. E. G. ....

## IT CERTAINLY WORKS IN EVERY WAY

Kalamazoo, Mich., December 16, 1931.

"I have received my last lesson. It is impossible for me to tell you how much I have enjoyed your course. You make the lessons so very clear and I have received wonderful benefits. When I started your lessons I was sick, discouraged and unhappy. Now I am well, happy and contented. I often feel the presence of God, so you know better than I can tell you just what that course did for me. I thank you.

Your student,

MRS. C. G. S. ....
