

# THIS MAN IS A TRUE PROPHET OF GOD

We say this unreservedly. Not that Dr. Robinson has any wings, or in any sense of the word different from his millions of fellow-Americans. He is not. **BUT DR. ROBINSON IS BRINGING TO THIS EARTH THE TRUE REVELATION OF THE POWER OF GOD.** This revelation has nothing in common with "orthodoxy." It could not have, and be effective. This man is showing the human race how it can FIND, USE, AND REVEL IN THE STAGGERINGLY POWERFUL SPIRIT OF GOD—THE MOST BEAUTIFULLY NATURAL POWER IN LIFE.

It is significant that this revelation is coming to humanity when the horizon is so black that thinking Americans cannot find the answer. There seems to be no daylight in sight for many years to come. And even when this ghastly war is ended, we do not know what the future will hold. So then, bringing to this earth the true revelation of the Power of God, that revelation coming **DIRECT FROM GOD**, is a monumental task. You will agree with that. To think that all the POWER there is in the Realm of Almighty God is instantly attainable **HERE AND NOW** is something one could expect from God, and from God only.

Yes, this message is startlingly simple. The Power of God exists. It exists here and now. **IT IS FOR YOU, AND YOU, AND YOU.** It has nothing about it which our religions of today teach. No "crucified gods." No "virgin-born" babies. No "immaculate conceptions." No age-old unprovable traditions. **JUST POWER. THAT'S ALL WE HAVE. THE POWER OF GOD, AND YOU CAN HAVE THIS POWER WHENEVER YOU WANT IT. IT IS AVAILABLE.**
