

## This Discovery Of The God-Law Has A Distinct Bearing On This Brutal War

We are witnessing now, the degeneration to which the human race can sink—without knowledge of the Power of the Creative Spirit, and the relationship which has always existed, although completely unknown, between man and the Creator. Minus this knowledge, national rulers have believed that brute force is the only way to achieve their objectives. So—the nation having the greatest number of men and machines of destruction is the nation which can impose its will on the rest of the world. That is what they think. It is all they could think in view of the fact that the Power of The God-Law has, so far, been completely unknown and undiscovered. So they slug it out. How this brutal conflict will end is anyone's guess. The fact remains however that the nation whose citizens FIRST discover the amazing Power of The God-Law, **CAN BRING AGGRESSOR NATIONS TO THEIR DOOM WITHOUT THE FIRING OF ONE MORE SHOT.**

Millions of our own precious son's lives can therefore be saved. Surely, the God-Law—the invisible Power of Life which has been given to man, possesses enough Power to bring war-mad dictators to their knees—does it not? It is a shocking indictment against all who claim to know something about "god" that in this hour of human suffering and degradation, not a single church, church-member, priest or preacher, not even the "Vice-Regent of God" over there in Rome, Italy, **CAN MANIFEST ENOUGH OF THE POWER OF GOD TO STOP TWO MAD-MEN LIKE HITLER AND TOJO.** Yes, it's a shocking indictment. It brands their "god" impotent. But the True Creative Spirit of all Life is not impotent. On the contrary, you and I possess such a vast ocean of invisible spiritual Power that the world will be amazed, as our Students have, when knowledge of the existence of this staggering Power becomes universally known.

I don't know who you are. I don't care. I'm not in the slightest degree interested in you personally. But I am very much interested in telling you how the heretofore unknown Power of the True, Invisible, God-Law can come into your life. That is not the proper way to put it. **IT CAN'T COME INTO YOUR LIFE BECAUSE IT'S THERE ALREADY** You, of course, are living in complete and absolute ignorance of this world-shattering fact. Personally, I don't care whether you come to us for knowledge of this scintillating Power or not. More are coming than we can conveniently handle, although we were compelled to purchase another large building occupying almost a block recently.

What I want you to understand is this: **THE POWER OF ALMIGHTY GOD (not Jesus) ACTUALLY EXISTS. YOU CAN FIND AND USE THAT POWER. IT LIES LATENT WITHIN YOU.** We of The "PSYCHIANA" Movement have abundantly demonstrated our ability and our God-given guidance to reveal this Power to the human race. **WHAT YOU INDIVIDUALLY DO WITH OUR EFFORTS IS YOUR BUSINESS.** We cannot lose. **YOU CAN.** However, I believe the average American feels that some new revelation of the Power of God **HAD TO COME TO HUMANITY IN THIS, THE GREATEST WHOLESALE MURDER OF ALL TIME.** Well, it's here. We'll do our level best to reveal that Power to you when we receive your Application for Membership.
