My dear friend
and fellow-American:

I do not know you. I have never seen you, and probably never shall. And yet, there burns within me, a deep-seated love for you, and so, because I love you, and every other fellow-American, I take this means of coming into your home, and I thank you for the courtesy you will extend to me by reading what I write. It comes from the bottom of my heart. I have no ulterior motive I assure you. I just simply want you, and the whole world to know the greatest Spiritual Power this universe contains.

In all probability you have heard of me. You may have seen featured articles in TIME, PIC, COLLIERS, NEWSWEEK, THE PRESBYTERIAN BANNER, THE GOSPEL ADVOCATE, THE CATHOLIC REGISTER, THE LUTHERAN COMPANION, or in some other of the many nationally circulated magazines which have been kind enough to write stories about me. In a nutshell--here is what I want to tell you. Some twenty years ago, I made what is, in all probability, the greatest spiritual discovery of all time. I DISCOVERED THAT ALL THE POWER THERE IS IN THE REALM OF ALMIGHTY GOD, IS INSTANTLY AVAILABLE TO ALL MEN, HERE AND NOW.

Now that really is something new in religion. Usually, most people shy clear of a preacher or a priest, except perhaps on Sunday. But what I have to tell to you is so stupendous that you will be very wise if you listen. For, staggering as it may seem, and is, this

new Spiritual Discovery will, in its final culmination, bring to this world an era of peace and plenty, joy and happiness, never known to date.

I don't know what your home life is. If it is like mine, it is very happy. For my every need is supplied. But I do know that there is available to you NOW, regardless of whatever religious beliefs you may have, a flood-tide of Power, so pulsing, throbbing, and beautiful that YOU CAN USE THIS INVISIBLE POWER TO BRING INTO YOUR LIFE, AND HOME, EVERY GOOD THING YOU CAN EVER NEED. This is an assured fact because the Power I discovered is not a human Power. It is the Power of the Spirit of God. And how it revolutionizes the life. How it provides every needed thing. How it fills the life with peace and joy. Yes--my friend, all these, and many more things are available to you NOW, not because I say so, BUT BECAUSE I HAVE DISCOVERED THE LAW WHICH IS GOD, and know how to show YOU how you too may know this shimmering Spiritual Power.

A super-abundance of every good thing you can conceive--and the Power to provide these good things is instantly available. I cannot tell you all about it in this short letter. But won't you please trust me--for it is out of a feeling of infinite love I write you. Won't you please, if you are interested in this new Power, fill out the enclosed card, and I'll send you by return mail, detailed information telling you how this religion operates? Or, better still, and to save time, fill out and mail the Membership Application which is enclosed in this letter.

You will understand that a religious Movement, as large as this one is, and which operates exclusively by mail, must meet all its obligations. So naturally a charge must be made. For we are perhaps far larger than you imagine.

Every month, from half to one million American homes receive our message. Our postal bill runs up to

\$100,000 a year or close to that sum. Our printing department costs over \$50,000 a year to operate. And yet--THIS MOVEMENT IS ABSOLUTELY NON-PROFIT. This means that no individual makes either profits or dividends from it.

We are in our 18th year of operations, exclusively by mail. So great has been the Power, the Joy, the Happiness which has come to American lives through this Teaching, that over 500,000 people have voluntarily written us, telling us what the Power of God has done for them. Wouldn't you like to be able to find and use this Power too? Of course you would.

You will note that you may have all our Lessons, study them for one year, and if, after you have carefully studied them you do not find the Power of God, YOU MAY RETURN THEM, AND, ACCORDING TO THE TERMS OF YOUR MEMBERSHIP APPLICATION, YOU MAY HAVE RETURNED TO YOU EVERY DOLLAR YOU HAVE PAID TO US.

Of course, if your experience is like mine, and like that of hundreds of thousands of others, the sum we charge will not enter into it at all. What you want is authentic knowledge about THE ACTUAL AND LITERAL POWER OF GOD. We have that information available to you. If we could--if it were feasible to do so, we would very gladly give you these Lessons FREE. But you wouldn't want that. You want to pay for what you receive.

So then, in a spirit of infinite Love, we ask you to fill in and mail the enclosed application blank, and if you desire more information first, send the card. That really is not necessary, because we carry a bank account which, at this writing, is in six figures, and when we say we will return your money, you may be sure you will receive it, if you are not completely satisfied.

But the joy, the peace, the happiness, the spiritual and MATERIAL ABUNDANCE the Spirit of the Living God can bring to YOU, far surpasses anything you have

hoped for or dreamed of. It surpasses human knowledge.
FOR IT IS OF GOD. Believe us--it is of God.

May the Spirit of Infinite Peace be with you, my friend, and may you speedily find the staggering Power of God, which, freely known and used in your life, can, and will transform you into the highest Heavens of Joy.

Very sincerely yours,

Frank Robinson
