

# **The Most Startling Discovery Of The Ages Awaits You**

This thing called LIFE—this invisible thing in you which gives you the ability to read and understand what we write—that gives you the ability to talk, walk, eat, plan, reproduce the species, and enjoy life in general—**THAT THING IN YOU IS THE LIFE OF GOD.** Ponder over that statement. **GOD ACTUALLY LIVING IN YOU, AS YOUR VERY LIFE.**

Yet you have an inferiority complex so big that it's a wonder you're not afraid of your own shadow. Religion has taught for so long, that you were "born in sin and shapen in iniquity" that you have come to believe it. Religion has taught for ages that you cannot know anything tangible and definite about God until you die—and even then, only if you have supported and subscribed to the theories of God religions have tried vainly to advocate.

## **THAT IS NOT THE TRUTH**

The **TRUTH** is that when God Almighty put LIFE into your body, **HE INCLUDED IN THAT LIFE, WHICH CAME FROM GOD, ALL THE POWER OF THAT LIFE.** That means that all the Power the Creator of Life has—**IS YOURS.** Oh, yes—this is a world-shattering discovery. We don't deny that. It has to be. God can never be brought to the consciousness of America by or through anything any church has ever offered—bless them all.

**NO—IT WILL TAKE A NEW CONCEPT OF GOD. IT WILL TAKE THE ACTUAL AND LITERAL POWER OF GOD IN HUMAN LIVES TO BRING ANY FREEDOM WHATSOEVER TO THIS EARTH.** Men sitting around conference tables won't do it, unless those men have made the staggering spiritual discovery of **THE POWER OF GOD IN THEIR LIVES.** No national leader to my knowledge has made such a discovery.

## **BUT YOU CAN MAKE IT**

You can make it because the Power is there. **RIGHT IN YOU. IT'S YOUR VERY LIFE.** What we can do is give you the formula for this discovery. Will you let us?
