

# "PSYCHIANA"

THE TEACHING THAT IS BRINGING NEW LIFE TO  
A SPIRITUALLY DEAD WORLD

## A STATEMENT OF FACTS

WITH LETTERS SHOWING WHAT IS BEING  
ACCOMPLISHED ALL OVER THE WORLD

About ten years ago, Frank B. Robinson, a registered pharmacist working in the Corner Drug Store in Moscow, Idaho, left his job in the drug store, and, with \$42.00 in his pocket, attempted to bring to the world a new conception of God. He felt that he had an inspired vision. He had, as subsequent events proved. For inside of one year from that day, this unknown Drug-Clerk was sending this new philosophy of God into 67 different countries. Today, in the United States alone, there are 11,738 different cities, towns, and villages where may be found, in each, anywhere from one, to ten thousand of his Students. That in itself is remarkable, when it is remembered that this was accomplished entirely by mail.

More remarkable still, however, were the events which followed this Teaching in tens of thousands of lives. Inside of 30 days from the date of the first release of "PSYCHIANA", letters began to pour into Frank B. Robinson's office, telling of happenings in human lives which it taxes the imagination to believe. When, however, it is remembered that this man is using a God-Power, and not a human power, this all becomes quite plain and understandable. For no human power could ever duplicate what the Power Frank B. Robinson is teaching, is doing. Seemingly incurable illnesses were immediately healed. Poverty was replaced by abundance. Unrest, fear, worry, and hate, all were transformed into peace, power, and material and spiritual abundance, and this was all done through the actual and literal application of the Power of God, as taught by this man.

"TIME", "CAVALCADE", the English News-Magazine, "EVERYBODY'S WEEKLY", another British magazine of large circulation, "THE SUNDAY SCHOOL TIMES", "THE LUTHERAN COMPANION", "THE PRESBYTERIAN BANNER", "THE GOSPEL ADVOCATE", "THE PORTLAND OREGONIAN", "THE MILWAUKIE JOURNAL", and scores of other magazines and newspapers, wrote up this man and his Teaching. Today, the eyes of the religious world are on the little City of Moscow, Idaho. Praise and criticism has been heaped on this man, who, strange as it may be, pays no attention to either. He is too busy bringing to the world a conception of God which can, and will, make God the greatest living factor in every human life. The letters to follow speak for themselves. More than 150,000 of them have been received in ten years time. Surely this is the greatest spiritual upheaval of all times. Surely, the Power of the invisible Spirit, God, is being made known to mankind all over the world. Surely, the day of God is here.

"PSYCHIANA" is a non-profit religious institution chartered as such by the State of Idaho.

*More than 150,000 such letters have been received in the past ten years.*

*No human power is responsible for this!*

Mr. Henry Orme, Cheadle, Cheshire, England:

Your Lessons are really wonderful. There's no doubt about it they are God-inspired. Every Lesson is a gem, so beautifully worded and so full of Power that one feels kind of mentally recharged after reading them. Thanks a million for introducing me to the God-Power. I've always believed in God, but it took you to put me in real touch with him. God bless you.

Mabel Harrison, Tulsa, Oklahoma:

I write these lines briefly just because I feel you should know what your Lessons did for me. I received nine Lessons. I read and reread them, even after being ridiculed for doing so. For the past five years I wanted to attend business college, and thanks to your Lessons I have what I wanted. Things have opened up for me more than ever before in my life. I am exceedingly happy, and look to the Law of Life as my support. I trust it, believe in it, and it has helped me wonderfully.

Mrs. Bert R. Watkins, Austin, Minnesota:

I am glad to say that I am almost completely recovered from a serious heart ailment and much credit goes to Doctor Robiffson for the understanding I have of the God-Law and how to use it. We are very sure of financial success as we have a wonderful start along those lines.

Mary Lee Goodwin, Water Valley, Mississippi:

I am so happy I can hardly write. One of our state Senators whose name I sent in has just called to see me and thank me for sending in his name. He said it was the most wonderful thing he had ever conceived or heard of. My father has had an illness the doctor said was asthma of the heart. He is now able to lie down and sleep normally, and is apparently well. We are so happy over his rapid recovery. Thanks for the Power that works so effectively.

Louise Morrogh, Elmira, New York:

I can say this much for "PSYCHIANA". I, at least, feel that your organization has some little interest in me besides money, which is more than I can say for the one I belonged to for over thirty years and contributed hundreds, yes thousands, to and who have ignored the human equation altogether.

Mrs. Anne Pinter, Sault Ste Marie, Mich.:

First I want to thank you millions of times over and over again for your great kindness and good deed. My daughter of four years of age was so seriously ill with complications of a ruptured appendix that the rumors were that she didn't even have a chance. But I knew different. I just didn't believe in death with the presence of the great Life-Spirit and its Powers. After three weeks of that most horrible illness I wired you and got an immediate reply which I am so very proud of. Now my daughter is all through draining and is playing around with the other youngsters. Now I will close with my husband's and my heartiest thanks to you for my daughter has got to be strong and healthy. Thank you so very much again and again.

Mr. Lloyd W. Carter, Fairport, Iowa:

As I stated in my last letter, we have bought a little home, thanks to the great God-Law. A few months ago I was working on W. P. A., and my wife and I were asking God for a private job and a little home of our own so we could get away from paying rent. Two months ago I got a private job, and now we have a little home of our own. I certainly know that the great God-power will do wonderful things for you if you will only express your desires and expect them to be answered. Thank the great God and you for these wonderful Lessons.

Lola Barth, Canton, Ohio:

I wish to send you this letter of thanks for the marvelous results in healing for us through the Power of the living God. We sent you a telegram last Wednesday morning concerning my nephew, three years old. He was crying with pains in his abdomen and was a very sick child to all appearances, but soon after we sent you word the child fell asleep and got better and kept improving rapidly, and now is perfectly whole and well. We cannot thank you enough for throwing the Power of God into play for this child of ours. We will never forget this service, and hope to help "PSYCHIANA" Movement along as much as possible financially and spiritually and all ways. Thanking you again, we are grateful and will close knowing we are all one in the Spirit of God and God's works.

Earl Rasmussen, Orchards, Washington:

I think your "PSYCHIANA" is a grand thing. When I started studying your Lessons everything changed. I have a job now paying good pay fourteen days a month. In my case it would have been impossible without your study of the God-Law. I am wishing you lots of success.

Eva M. Smith, Bakersfield, California:

It is now some time since I wrote to you asking for help for my sister, and I want you to know my heart is overflowing with gratitude for what you did for her. After writing you she had one very bad hemorrhage, but has had none since, and she has quit drinking. The one thing I'm most grateful for is that she is studying and applying the truth as presented in the Lessons. This week she has had to have all her upper teeth out. She said to me last night that she could never have gone through it had she not had the Lessons to help her.

Hilda Armstrong, Camp Hill, Alabama:

Thanks many times for your wonderful help. I was very ill when I first wrote you for help. The doctors had about given me up. After you sent me the Lessons Numbers One, Two, and Three, I made a big change. My doctor is amazed.

Alice R. Bird, Spokane, Washington:

My deepest gratitude expressed to you for your profound loyalty to humanity. You have given to us a new love, a new life, and a new world. Oh! That all the world could know what I, just one obscure person, have already learned and accomplished through your Teaching, this conception of great Truth. There could be no more suffering or sorrow. There could be no more wars.

Mrs. L. C. Doty, Commerce, Iowa:

Thanks so much for your kind help. I know your and my prayers were answered. Just a few months ago I was not well - had a growth under my arm. I went back to the hospital this last Thursday and the doctors could not find a thing. They took an X-Ray picture, too, and you can imagine how happy I am. I shall walk in the right pathway from now on, and believe in that great Power of our Living God. Thank you again and again for your Teachings and good help.

Mr. Walter Vaughn, Louisville, Ohio:

I had two strokes of paralysis, and was in pretty bad condition. One of your Students told me I would get well and said I should write to Doctor Robinson. I did this, telling you of my misfortune and sickness. Today I am feeling fine. On Saturday, July 22, I had my doctor examine me for blood pressure. He tested my heart and could find nothing wrong. Then he used the X-Ray and found my heart in fine condition. I thank you, Doctor Robinson, and "PSYCHIANA" for my speedy recovery.

Mr. Reuben F. Barker:

I cannot very well close this letter without first giving you my impression of your Lesson Number Two. One can hardly pass it without comment. It has left a permanent marker on my mind which shall not soon be erased. It tears through convention and tradition, and revolutionizes the manner in which man has been taught to think. To say that I thank you and appreciate the opportunity afforded me to participate in this great study faintly expresses my indebtedness to you for the invaluable services already rendered upon the receipt of my second Lesson.

Estella M. Ertel, Akron, Ohio:

First I want to say "PSYCHIANA" is beautiful. Each day I love "PSYCHIANA" more and more. Almost an invalid, my health is beginning to improve; but best of all, Doctor Robinson, I am able to help others regain their health. Just yesterday a lady came to me suffering with a very painful growth on her breast. I used "PSYCHIANA'S" Teaching - God's healing Power - and this morning she called me to say that when she went to show it to her neighbor this morning, to her great surprise it was gone. Not even a scar there. Now she is persuaded she wants to study "PSYCHIANA". I talk "PSYCHIANA" at every opportunity. I'm beginning now to experience a new something I cannot describe. Things are coming a bit better financially, too. Many, many thanks.

Mr. Walter Stickley, Hurstville, N. S. W., Australia:

Without a doubt, "PSYCHIANA" Lessons are wonderful. When I received the first Lesson of the first series, I was a very sick and despondent man. It was wonderful the uplift and peace of mind it brought to me, and this has remained with me. My financial position has very much improved, and I am just reaching out and building a home which has been my greatest desire. It is astounding how everything has been made so easy in connection with the loan of money for the erection of the building. I sincerely thank you for your teaching of the wonderful Power of the God-Law, and wish you every success in your wonderful great work.

Mrs. Evelyn Hammond, Hudson, Colorado:

I must write to tell you of my joy and gratitude at having my little son, Richard, home again and well after six months in Children's Hospital in Denver. The nurses and doctors speak of his healing in such terms as "a modern miracle", "who's your guardian angel, Dick?", etc., and I shall never cease thanking God, after seeing the Power of the Living God defeat the "last enemy" for Richard.

Lillian Scheer, Detroit, Michigan:

Oh, Doctor Robinson, you are a wonderful man, and this wonderful Truth you are teaching is worth a million dollars to anyone who will believe it and try it. I could not go on without it now.

Mrs. Robert Annala, Longview, Washington:

When I began studying with you, I was not only the saddest woman in the world, but a bitter one as well. Illness, financial worries, and misery dogged by footsteps. Now I have a new lease on life - no, a NEW LIFE, and things are rapidly taking form for a better, richer life still. I would like to continue my studies with you and help to place this Teaching in the hands of everyone I contact. I want others to find peace and health in the Power as I have, and believe it the best way to show my gratitude.

Eva M. Plumlee, P. O. Box 795, Shawnee, Oklahoma:

I am sure you hear this from every letter, but I will never be able to thank you enough for bringing this message to all of us. I cannot express myself enough to tell you how grateful I am. I am very happy to be in a small way connected with this organization. It means much to me, and you will hear from me from time to time.

Joel H. C. Bahl, San Nicolas, Aruba, N. W. I.

Allow me to thank you ever so much for the very many experiences I have had since I have started my studies with you. My whole life has changed; I have become more self-confident, I now know who and what God is, where God is, and now I can say that I do enjoy my happy moments spent with God.

Neva Hanna, Berbereton, Ohio:

I am happy to tell you I have found, through "PSYCHIANA", the peace which passeth all understanding. I look for my Lessons as letters from a dear friend, study them quietly each day as you suggested, and get a new thrill each time.

# WHAT "PSYCHIANA" MEANS TO HUMANITY

The birth of this Teaching means that at last the clouds of darkness, with much superstition regarding God, are being lifted. It means that God, the great Creative Spirit behind this universe, and behind all life, is being revealed to mankind. It means that all the Power of this invisible, through dynamic Power which is God, is at the disposal of the entire human race. In other words, "PSYCHIANA" is the Teaching chosen by God, to reveal the Power of God to the human race.

With this revelation comes an abundance of peace, and an abundance of Spiritual Power. It means that as soon as the world at large recognizes how vast this manifestation of the Power of God really is, all wars will be ended. There will be nothing to fight for. The desire to fight will be gone, and, supplanting it will be an intense desire to love everyone else, and to live at peace with everyone else. Individuals and nations, recognizing the existence of the Great Spirit—God, in the midst of the whole scheme of creation, living and abiding here to bring to every man and woman, eternal life, eternal peace, eternal prosperity, for God is all of these things.

It has been an uphill fight, since this man walked out of the Corner Drug Store in Moscow, Idaho. A man with a less inspired vision would have wilted under the strain of bringing this new conception of God to the world. But Frank B. Robinson, knowing full well the Power he was teaching, depended absolutely on God, and it begins to look as if he is winning his fight. All the powers of "orthodoxy" were aligned against him.. It meant persecution. For the conception of God, as God really exists, is quite a bit removed from what has been taught concerning God. Those teachings have quite evidently failed of their purpose, or the world would not be in the sad condition it is in today. The new conception of God, is winning. For every man and woman may actually and literally know this Supreme Power, as "PSYCHIANA" reveals it.

This Movement needs the assistance of every right-thinking man and woman everywhere. Not operating for profit, it has no surplus funds available. Yet a Teachers College is immediately needed. A Research Institute is needed. Funds for more publicity, more radio programs are needed. A new and much larger headquarters here in Moscow, Idaho, is needed. More competent assistants are needed. This message should be brought to the world in the most effective and rapid manner possible. As soon as funds are given to us, we shall embark on our plan of world-rejuvenation, through the Power of the Spirit of God.

When the Power of the Spirit of God is made known to all men, this earth will be a paradise. There will be no more ghastly flame-throwers, nor bombing planes. Human beings will not be ruthlessly sent to the bottom of the ocean by a torpedo, or other instrument of death. All that will be wiped out. For the consciousness of the presence of the Spirit of God in human lives, and dwelling amongst human lives, will completely obliterate such madness. Had God ever been known on this earth, there would be no wars today. If it should be that the recipient of this message feels that he or she would like to either endow, or make a gift of money to us, the Power of the Spirit of God will richly reward such a one.

No one connected with "PSYCHIANA" draws either profits or dividends from its operation.
