

# “A Mad World”

**Reeking In the Stench of Human Blood,  
and Saturated With Misery — Begs for the  
Answer**

*And Here It Is:-*

This world has never known the Power of the Spirit of God. Today, it is sweltering in the maze of a welter of systems of theology. Priests, preachers, rabbis of all brands of theology, flounder round in a maze of superstitions of their own creating, and the more they flounder, the deeper into the mire they go. In the meantime, humanity, for want of authentic information about God, covers the earth with a ghastly mantle of human misery, blood, and suffering. And while all this is going on, our theological organizations tell us that if we believe that Almighty God was murdered on a cross for our sins some 2000 or 10,000 years ago, we shall “save our soul” and have a nice “home in heaven” when we die.

The “PSYCHIANA” Movement is not interested in that sort of theology. For in spite of all the multitudes of claims made by our theological organizations, all of which claim “divine emanation,” there is not one single thing any or all of them can do to reveal the actual power of the Spirit of God on this earth, among men. They have him in heaven. But it’s right here on earth we need the Power of God and it’s now we need that power. Most of are not interested in a “home in heaven” but we are very much interested in stopping this brutal war, and there are a few of us who believe that the Power of God, once discovered, can do that, and can do it very speedily. We make no claim to any superior knowledge of God. But we do believe that the true concept of God can save this world, and we do not believe that concept is being brought to earth by any existing system of theology, regardless of what that system may be, or where it came from.

For almost fifteen years the “PSYCHIANA” Movement has been demonstrating the power of the Spirit of God in the lives and hearts of men. This—we shall continue to do. This—we are free to do, just so long as our constitution stands, and, thank God, it still stands. In any event, when this Corporation cannot demonstrate the actual and literal Power of God in human lives—it will close its doors. Not until. If you really want the Power of God in your life, read these letters, and enroll with us. If we cannot disclose God to you, return your Lessons and get your money back. (See money-back guarantee.)

# Here's God In Action Again

Baltimore, Md., June 7, 1942

"Dear Dr. Roibnson:—

....I am writing you a few lines to let you know what "PSYCHIANA" has done for me, and what it is doing for me. Prior to enrolling as a Student with you, I was unemployed and living with my mother and dad. They were also supporting my wife and baby. Instead of things getting better, they were getting worse. One day I read you ad in our Baltimore papers, and decided to enroll. To do this I had to borrow the money from the few friends I had at that time. My first Lessons convinced me I had the key. My folks frowned upon it at first, but gradually they fell in line. As I became more acquainted with the God-Law, and established my relationship with the Universe, THINGS BEGAN TO HAPPEN. I SUPPLANTED FEAR AND SUPERSTITION WITH THE TRUTH. I now have a modern apartment and plenty of life insurance. I realized boyhood dreams by getting a job in an airplane factory. Today—I AM FOREMAN IN THAT FACTORY. A month ago my dream of all dreams became a reality. I NOW OWN AND FLY MY OWN AIRPLANE WITH A U. S. GOV'T LICENSE. THINK OF IT—FROM THE RANKS OF THE UNEMPLOYED TO AN AIRPLANE PILOT OWNING HIS OWN PLANE, IN A FEW SHORT YEARS." . . . etc.

Signed:—T. R. F———

## God Cures Cancer Very Easily

(Once More We Repeat Our Offer of \$100,000 to Anyone Who Can Prove That We Do Not Have This Letter, or That We Paid a Five-Cent-Piece for It)

Jacksonville, Florida  
August 2nd., 1942

"Dear Dr. Robinson:—

Will you do what you can for a friend, Mrs. ———, of Van Nuys, California, who is suffering from leukemia (cancer)? I WROTE YOU LAST WINTER IN BEHALF OF A FRIEND WHO HAD CANCER, AND KNOW YOU WILL BE DELIGHTED TO HEAR THAT HE HAS COMPLETELY RECOVERED, CONSIDERED A MIRACLE BECAUSE THE DOCTORS HAD GIVEN HIM A VERY SHORT TIME TO LIVE, BUT NOW CONSIDER THAT HE IS COMPLETELY WELL. Both cancer and leukemia are thought to be completely incurable, but with your help I am sure this recovery may take place also. With thanks and God's blessing on your wonderful work."

Signed:—F. I———

NOTE:—There is nothing we can do except point out the Power of the Spirit of God, which can cause any cancer to disappear. The Power that created the human body, is abundantly able to heal it.

IT MAKES NO DIFFERENCE WHO OR WHAT YOU ARE IN THIS LIFE. IT MAKES NO DIFFERENCE HOW INSURMOUNTABLE YOUR PROBLEMS MAY SEEM. YOU DO NOT HAVE ONE SINGLE LACK OR PROBLEM WHICH CANNOT BE REMEDIED BY YOU, IF YOU WILL BUT USE THE PERFECTLY NATURAL, NORMAL POWER OF THE SPIRIT OF GOD. YOU HAVE NEVER HEARD THIS CONCEPT OF GOD BEFORE. YOU CANNOT FIND IT ANYWHERE ELSE. IT IS NOT "LIKE" ANYTHING HERETOFORE OFFERED THE WORLD. WHAT WE OFFER IS NOT A "THEORY" ABOUT GOD, IT IS THE POWER OF THE GREAT GOD ITSELF. OUR MISSION IS TO TRY TO SHOW YOU HOW THAT POWER OPERATES. IF YOU FIND THAT OUT, YOUR FUTURE WILL BE HAPPY.

# When You Discover the Power of God---Not In Heaven, But In You, **YOUR SUN WILL BEGIN TO RISE, AS IT DID FOR THIS COUPLE!**

Reading, Pa., 11/18/36

"Dear Dr. Robinson:—

Just a few lines from two of your Students who are more than pleased. Every lesson makes us more anxious, sometimes I sit in the car and read the Lessons before I go home to quiz the Mrs. We both appreciate them so much as it certainly A MARVELOUS TEACHING. So plain, and so to the mark. I drink in every truth as I was raised in a home where a lot of superstitious beliefs were held to, that IT IS LIKE THE RISING SUN COMING UP. . . ."

Mr. and Mrs. E. M. —————

## Only God Could Have Done This

A Small City in Virginia.

"Dear friend and spiritual adviser:—

I am very happy to say that I have noted an improvement in my brother's condition. HE HAS BEEN PERFECTLY HELPLESS and on the morning your letter came, he called to me early and told me he was going to get up, and HE WALKED INTO MY ROOM AND ALSO INTO THE BATH-ROOM. There is no doubt about it, you have certainly helped him. . . ."

Mrs. M. E. M.

WE WON'T TELL YOU OF WHAT THIS PARTY WAS SUFFERING, BUT WE CONSIDER THIS CASE WHAT MIGHT BE CALLED "A MODERN MIRACLE." OF COURSE, WITH GOD IN THE LIFE THERE ARE NO MIRACLES. IT IS JUST THE SIMPLE APPLICATION OF THE POWER OF THE SPIRIT OF ALMIGHTY GOD—NOT "IN HEAVEN," BUT RIGHT HERE ON THE EARTH, AND IN EACH ONE OF US. WE HAVE THE POWER OF GOD IN US, BUT WE HAVEN'T LEARNED THAT STAGGERING FACT YET. WE WILL—SOON.

Portland, Oregon, 10/15/37

"Dear Dr. Robinson:—

I want you to know that at last I've got all straightened out. I RECEIVED THE MOST WONDERFUL DEMONSTRATION OF HEALING BEFORE I RECEIVED YOUR LETTER, and almost at the same time—I SAW THE TRUTH. That condition I wrote you about is healing so rapidly. IT IS JUST ONE MORE PROOF OF MIRACLES TODAY. I did not see a doctor as I felt I could not turn to man for help, when I knew God could, and would help, and I am so thankful that I hung on through those dark hours. I don't know how to thank you for all I am receiving."

M. E. F.

# Letters Similar to Those Reproduced Have Come to Us, Not By the Thousand, Not By the Tens of Thousands, But By the Hundreds of Thousands. We Do Not Even Keep Them Any More.

In our opinion, this makes the "PSYCHIANA" Movement the greatest out-pouring of the Spirit of God this world has ever known. No other religion can duplicate this record. We do not believe their creeds, dogmas, rites, or rituals. We believe they are mistaken in their theory of God. In any event, we would rather be able to manifest the Power of God right here on earth, even at the loss of our own "soul," than we would do a lot of talking about the good things we shall get "above the sky" yet not be able to receive anything from God right down here, where we need it most. What the "PSYCHIANA" Movement has done, is to prove that man can find and use the Power of God right here and now, and can use that Power without limitations. That is a staggering discovery. It is the greatest spiritual discovery of all time. In it, lies the secret of the ages.

"PSYCHIANA," Inc., is strictly a religious Movement. It operates under an Idaho religious charter. No one connected with the Movement ever gets one cent in profits or dividends. Dr. Robinson is paid a salary of \$750 a month from the Corporation. That, with whatever essential travelling expenses, is all he receives for his services, which money could not buy.

The Movement operates entirely by mail. It advertises in leading newspapers and magazines. A charge must be made if we are to pay our bills and stay in business. However, any Student who should not like the Teaching is given ample financial protection in his enrollment application. Those who are satisfied, are glad to pay for what they receive.

We say to you that the new concept of God places at the disposal of all men, of all races, colors, and creeds—the Power of Almighty God. We are not talking about Jesus Christ here, nor are we talking about the Virgin Mary, with all due respect to those who subscribe to that sort of religious philosophy. We do not recognize either of these two. We believe the entire theory of a virgin-born crucified God came to us from the far older religion of the Hindoo. We are quite sure we can prove that. However—we can still disbelieve in either Jesus Christ or the Virgin Mary, and still be well acquainted with the Power of the great Spirit—God. It is the limitless Power of that Spirit we are teaching, and demonstrating. We say to you, that there exists more spiritual power than you will ever be able to use. We shall try to show you how to find this Power. Some who have written us wonderful letters may be crazy—but not all of them. They are far too outstanding people for that.
