DR. FRANK B. ROBINSON'S LATEST BOOK

WE ARE HAPPY TO ANNOUNCE THAT THE MANUSCRIPT OF "GLEAMS
OVER THE HORIZON" HAS BEEN SENT TO THE PRINTER
WITH ORDERS TO "GET THIS BOOK OUT AT ONCE."

DR. ROBINSON SAID YESTERDAY—"THIS IS THE MOST REVOLUTION-
ARY BOOK OF THE TWENTIETH CENTURY. IF WHAT I HAVE WRITTEN
HERE IS TRUE, EVERY ORTHODOX SYSTEM OF RELIGION IN THE WORLD
IS UNTRUE." Dr. Robinson has given his best to the world in this book, and
that it will very likely prove to be an international sensation is true. In this
book Dr. Robinson has listed 16 "crucified gods" before the time of Christ.
This is a little known fact, but they are in this book.

A New Picture of God Is Being Given to the World
by Dr. Robinson, and the New Picture
Is Rapidly Being Accepted.
