

Blood On the Tail of a Pig

by

DR. FRANK B. ROBINSON

In this book Dr. Robinson relates experiences which tax the credulity of the human mind. Yet he swears these supernatural experiences are true. For instance, he tells of goldfish jumping out of a bowl and flying through space into his hand. He tells of Ching, his dog, coming through two locked doors. He

tells of seeing his mother, dead over 40 years, appearing to him in his home in Moscow, Idaho, along with one of his brothers who was killed in World War I.

He tells of the Spirit of God actually and literally coming into his home, and giving him strange powers the like of which has never before been heard of. He tells of what he saw when the veil between God and Man lifted in his home one Christmas Eve.

These experiences, if they happened, certainly are supernatural. We know of no one who ever claimed such a close contact with God, or who was able to do, through the power of God, what Dr. Robinson claims he did. It's fascinating. It's unbelievable. Yet Dr. Robinson says these things actually happened.

"Blood On The Tail Of A Pig"

By DR. FRANK B. ROBINSON

**The Most Astounding Book Ever To Be
Produced in America in a Good Many Years.**

In this book Dr. Robinson relates experiences which tax the credulity of the human mind. Yet he swears these supernatural experiences are true. For instance—he tells of goldfish jumping out of a bowl and flying through space into his hand. He tells of Ching, his dog, coming through two locked doors. He tells of seeing his mother, dead over 40 years, appearing to him in his home in Moscow, Idaho, along with one of his brothers who was killed in the world war.

He tells of the Spirit of God actually and literally coming into his home, and giving him strange powers the like of which has never before been heard of. He tells of what he saw when the veil between God and Man was lifted in his home one Xmas eve.

CERTAINLY NOTHING LIKE THIS BOOK HAS EVER COME FROM HIS PEN BEFORE. THESE EXPERIENCES, IF THEY HAPPENED, CERTAINLY ARE SUPERNATURAL. WE KNOW OF NO ONE WHO EVER CLAIMED SUCH A CLOSE CONTACT WITH GOD, OR WHO WAS ABLE TO DO, THROUGH THE POWER OF GOD, WHAT DR. ROBINSON CLAIMS HE DID. IT'S FASCINATING. IT'S UNBELIEVABLE. YET DR. ROBINSON SAYS THESE THINGS ACTUALLY HAPPENED.

National Sensation.**

"For Rent— A Cross"

TO AMERICANS EVERYWHERE:

If I were to be asked what I consider the supreme achievement of my life, I should reply, "Writing, 'For Rent—a Cross.'" In this sensational book I have brought to the American people, in this, the hour of our greatest need, the actual truths of who, what, and where God is. Not the traditional virgin-born crucified "god" of theology, but God—the Scientific Principle and the Creator of this universe. This book will, in my opinion, prove to be the most sensational piece of literature the world has ever seen. It reveals how all men everywhere may actually and literally find and use the Power of God here and now. It shows how this horrible war can be stopped in 48 hours by Americans using the Power that is God. Humanity has not had this conception of God brought to it ever. It is sensational. When you have read this book, please give it to someone else, so that it may reveal God to them.

Send your order for "FOR RENT—A CROSS" to "PSYCHIANA," Inc., Moscow, Idaho. The book costs \$1.00 only.

Gems of Spiritual Truth

By

Dr. Frank B. Robinson

This is a permanent textbook of many of the spiritual sayings of Dr. Robinson over the past twenty years. It is a book which can be used for everyday reference, and it will provide a great deal of spiritual help for the members of Psychiana.

A member of Psychiana who was very earnest with a very bright spiritual experience carefully assembled what she considered to be the most outstanding spiritual sayings of the Founder of the Psychiana Religion. After examining the material this member had so painstakingly assembled, we at once sent it to our book publishers. "Gems of Spiritual Truth" is now off the press and ready for our members.

This is a handsome book, and Alfred Robinson will personally autograph the first two thousand copies.

The Sensation Novel of the Year

GOD and DR. BANNISTER

By FRANK B. ROBINSON

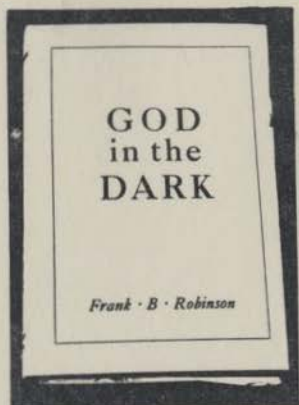

For many years Dr. Robinson has been preparing the material for this most sensational book. It is his first fictional novel. The book deals with Dr. Howard Bannister, a world famous San Francisco preacher, who, finally seeing the light and discovering what God really is, staggers his congregation by informing it that the story of Jesus Christ is absolute fiction, not fact. THEN THINGS BEGIN TO HAPPEN. INSIDE OF ONE WEEK, THIS SAN FRANCISCO CHURCH HAS THROWN ENOUGH OF THE POWER OF GOD AGAINST HITLER TO CAUSE HIM TO COMMIT SUICIDE.

The book discloses just how this was done. It will cause a national and international sensation. It may be the cause of a new world movement of the Power of God. This book might very easily be the means of overthrowing Hitler by the actual and literal Power of God, which everyone can use, for Dr. Bannister tells, in a graphic manner, how the actual and literal Power of God exists in us all, and can therefore be used by us all for the achieving of whatever good things we need while on this earth.

This novel is one hundred thousand words long, and is prepared on the presses of the American Book-Stratford Press in New York City. The book sells for \$2.50. Your order sent now will insure your securing one of the first copies. Address your order to "PSYCHIANA" Inc., Moscow, Idaho, enclosing \$2.50 and the book will be sent you post-paid.

GOD and DR. BANNISTER

GOD IN THE DARK

The latest book from the pen of
Dr. Frank B. Robinson

Dr. Robinson records in this book recent experiences he had in a large metropolitan city with various people who had been turned away from God---people who now thought that the Spirit of God was now almost non-existent. And because of this they turned to drink for release from everyday problems, instead of directing their energy toward their religion.

There are many such people in the world today, and unless these people realize that spiritual development within themselves is of primary importance, then quite naturally some avenue of escape will be sought outside the sphere of their religious nature.

This book contains a vital message for not only these unfortunate human beings, but for every member of Psychiana, since the fallacy of allowing one's self to be drawn away from one's true religious nature is dynamically brought out.

THE GOD NOBODY KNOWS

by

DR. FRANK B. ROBINSON

We all know that when the true concept of Almighty God is brought to this earth the suffering of the people of the world which we are now witnessing will be completely eliminated.

We know further that when man actually discovers who and what God really is, all sickness, sorrow, tears, and want will vanish as the morning mists before the rising sun.

This book will introduce you to "The God Nobody Knows." It is clear, concise, and definitely one of the most inspired works of Dr. Robinson.

The God Nobody Knows

WE ARE HAPPY TO BE ABLE TO ANNOUNCE THAT THE AMERICAN BOOK-STRATFORD PRESS ADVISED US YESTERDAY THAT AFTER SEVERAL DELAYS IN PROCURING PAPER, THEY WILL BE ABLE TO SHIP US THE SEVENTH EDITION OF "THE GOD NOBODY KNOWS." THIS IS THE FIRST BOOK DR. ROBINSON WROTE, AND IT IS HIS BEST SELLER. IT TELLS US OF THE GOD EVERYONE KNOWS EXISTS, YET VERY FEW REALLY KNOW.

WE ALL KNOW THAT WHEN THE TRUE CONCEPTION OF ALMIGHTY GOD IS BROUGHT TO THIS EARTH, THE HEART-RENDING WHOLESAL MURDER WHICH WE ARE NOW WITNESSING WILL BE COMPLETELY ELIMINATED. WE KNOW FURTHER THAT WHEN MAN ACTUALLY DISCOVERS WHO AND WHAT GOD REALLY IS, ALL SICKNESS, SORROW, TEARS, AND OTHER THINGS WHICH DO NOT BELONG IN THIS PICTURE WILL VANISH AS THE MORNING MISTS BEFORE THE RISING SUN.

THIS BOOK INTRODUCES TO YOU "THE GOD NOBODY KNOWS." IT IS CLEAR, CONCISE, AND WE BELIEVE THE BOOK TO BE THE MOST INSPIRED WORK DR. ROBINSON HAS EVER RELEASED. THE FACT THAT IT HAS OUTSOLD ALL HIS OTHER BOOKS IS PROOF OF THAT. YOU MAY ORDER THIS BOOK ON THE FORM BELOW. IT SELLS FOR \$2.50.

A PROPHET SPEAKS

Colliers Weekly recently, in a three page illustrated article, referred to Dr. Robinson as "one of the world's most prolific writers." He is. In the month of March 1943, Dr. Robinson wrote three of his most powerful books—"THROUGH WAR TO GOD," "A PROPHET SPEAKS," and "THE PATHWAY TO GOD."

The two books advertised on this circular are now available, and no American should miss reading them. It is evident to every thinking man and woman that something is radically wrong with our relationship to the invisible Power that created us. This brutal war—all wars in fact—are the direct result of lack of knowledge of the existing Power which all may find and use.

In this daring book, Dr. Robinson carries you thru the different stages of creation, and shows you where man lost God. Naturally, he also shows how man may find God again, here and now, right on this earth. Dr. Robinson urgently advises every true searcher after God to get both of these books.

THE PRICE OF EACH IS \$2.00 BUT IF YOU ORDER THEM BOTH AT THE SAME TIME, YOU CAN HAVE BOTH FOR \$3.50.

'THE PATHWAY TO GOD'

TO MY STUDENTS AND FRIENDS:

Those of you who know me best, know that my whole life is devoted to making the Power of the Spirit of God the most real Power in human lives. Every so often, there comes to me a sort of a "new flash" from the Realm of the Spirit of God. A few days ago, I felt the urge to write a new book. I wrote this book in one week. I seemed to be absent from this world when I wrote it, and I know that the Spirit of God was directing the writing.

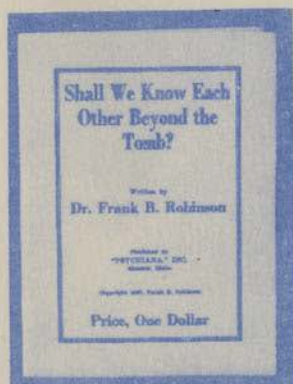

I want you to get this book. I have laid out in it, six steps along a pathway which, if you follow them, cannot fail to lead you to God. This world is going through a crisis. It needs an entirely new concept of God. It will get it. It needs, not myths and traditions about God, but the actual Power of the Spirit of God itself.

In this book I have given my very best. I have put into it all the Spiritual Power I have. I feel positive that you will be drawn very close to God as a result of what I have written. The book will be sent to you on receipt of its cost, \$2.00.

If we should be temporarily out of stock on account of the demand which will probably follow the release of the book—don't fret—your copy will come to you as soon as humanly possible. Send orders to

The Strange Autobiography of Frank B. Robinson

by

DR. FRANK B. ROBINSON

Dr. Robinson is one of the truly great spiritual leaders of our times. It seems that every once in a while God brings into the picture a man or woman who seems to be able to get just a little bit farther into the invisible Realm of God than most of us can. Such souls are gifted with true spiritual insight. They

are true prophets. We believe Dr. Robinson to be such a man. His work proves that he must be.

In this book you will read about Frank B. Robinson's childhood, his youth, and what he reveals to you will, in all probability, amaze you. Very few men have had a similar struggle.

There are many illustrations throughout the book, including scenes taken abroad. But the main interest of this book lies in the fact that it lays bare the innermost experiences of this remarkable man.

"THEY HAVE FOUND A FAITH"

This book may contain the answer to the chaos and confusion plaguing the world today. Certainly with a writer like Dr. Bach and a publishing house like BOBBS-MERRILL, this book will go places. It deals with the newer religious groups, and analyses them all very carefully, showing in concise form, of what the essence of their faith consists.

Dr. Bach spent some time in Moscow, close to Dr. Robinson, and he knows now something of the Power in this man's life. He now knows what made this Movement sweep into 67 countries in its first year. In closing "THEY HAVE FOUND A FAITH" Dr. Bach says this: "And as I boarded the train (at Moscow) I had the feeling that Frank B. Robinson had talked with God—yes I did—actually and literally." And if Dr. Robinson did that, you want to know what that conversation was. This book will be published in September 1946. THE WANDERER

by

DR. FRANK B. ROBINSON

This novel is based upon the possibility that Jesus Christ never died, but has been on this earth, alive, for over two thousand years.

Dr. Robinson is recognized as one of the most profound religious leaders of our times. He has, in "The Wanderer," drawn perhaps the most fantastic picture of our possibilities of eternal life ever drawn by any writer. Yet behind the theme of "The Wanderer" lies the possibility that what he says may be true. If it is . . . ?

This novel is partly fiction and partly non-fiction but the reader is left to determine for himself what is fiction and what is Truth in this book. Only those who are interested in true spiritual possibilities should read it.
