A THIEF IN THE NIGHT

The bibles and other sacred writing of many of the major systems of religion have all alluded to a "Day of God" which was to dawn on this earth some time or other. There is a good deal of the spirit of prophecy in most of these bibles and "sacred writings" and I don't think there can be any questioning the inference that many who had something to do with the writing of these old books had divine inspiration. I do not mean, of course, that any "god" dictated any of these writings. There have been too many "gods" for that. But divine inspiration has been available to all ever since the beginning of time. And the old Mosaic patriarch was just as capable of divining spiritual truth as you and I are. Where these old religions made their mistake was in making the assertion that man could not know the invisible Spirit of God, and therefore had to cook up a combination of a man and God, and worship that.

Well of course the world has had a very bitter experience with that sort of theology, and it is being discarded so fast that it isn't even a source of trouble to anyone any more. For man is now finding out that the Spirit of God is the greatest Spiritual Reality this world has ever known. It has always been so. Only, man, because of his "crucified god" somewhere in the heavens, at least far removed from man, never could find out where his "god" was. A "lost" god or a "hidden" god never can do anyone any good. To be of benefit to the human race, one must know who his God is, where his God is, and must be able to draw upon the Power of his God for whatever things he needs. Any other kind of a God is quite useless. Thank God, the world is just beginning to find out that, in spite of what the churches teach, MAN HAS THAT KIND OF A GOD HERE AND NOW.

It's interesting though, to note how these old bibles and ~~#####~~ "sacred writings" predicted that a "Day of the Lord" would come. They predicted that when that day came, peace would reign forever on the earth, and "the Lord" would live amongst His people. There was inspiration in those prophecies. They were true. Then again, almost invariably these old chaps who made these "prophecies" predicted that "the Day of the Lord will come as a Thief in the Night". They were true again in their prophecies, for that is exactly how the "Day of God" is coming in. Just as a thief in the night. Well what does that mean? How does a thief in the night come? In the first place, you don't know that a thief in the night has been in your home until you wake up the next morning and find out that he has been there. That's rather a crude illustration, but it's a good one. And it truly depicts exactly what is happening on the earth now.

"THE DAY OF GOD IS COMING IN" and those who claim to know all about God won't know that the day is here until they wake up some morning and find out that while they slept, the Day of God was ushered in. That, I say, is EXACTLY what is happening on the earth at this very moment, even as I write this to you. While the good man of the house slept, the Day of God was ushered in. We are in the midst of that process now. "Psychiana", a true Movement of the Spirit of God on the earth is bringing to this earth the consciousness of the Spirit of God in human hearts. The day catches those who should have been looking for it, without oil in their lamps. And without oil in a lamp it won't light. It won't give any light. Therefore, those who have no oil in their lamps can't see what is going on. It staggers many of them. They see this "Psychiana" Movement growing and growing. They try every way to stop it and find out they cannot stop it. AND ALL THE WHILE THEY HAVE BEEN TRYING TO DISCREDIT

THIS MOVEMENT, THE MOVEMENT HAS BEEN BRINGING TO THE WORLD THE POWER OF THE SPIRIT OF GOD. And the "foolish virgins" didnt even know what was going on.

Some day soon, the church will wake up, But it will then be too late for it to take part in the bridal ceremony. The reunion of the world to God. For while they slumbered, the bridegroom came, And He came "as a thief in the night" just as it was predicted He would come.

If these old bible students who profess to know so much about prophecy and the "signs of the times" had their eyes open, they could not help but see what is going on. Surely this war in Europe is Armageddon. And was it not to be in the time of Armageddon that the manifestation of God was to come to this earth? "Oh--but it is Jesus who will come on the clouds of heaven and bring defeat to the warring nations"; I am told. Don't you believe it. If any Christian is waiting for Jesus Christ to come back on the clouds of heaven, he is going to have a long wait I'm afraid. For Jesus Christ never was God in any sense of the word. Therefore, when this world is united with God, it will be through GOD HIMSELF AND NOT THROUGH JESUS CHRIST OR ANY OF THE REST OF THE SCORE OF "CRUCIFIED GODS" THIS WORLD HAS KNOWN, according to various religious traditions, and you remember that well.

It doesn't take very much of a prophet to tell what is going on these days. Civilization is at the end of its rope. Man, without God, has gone as far as he is going to be allowed to go. IT IS IMPERATIVE THAT GOD MANIFEST TO THIS EARTH NOW. And God is so manifesting. But He is doing it IN PERSON--- THE PERSONAL SPIRIT WHICH GOD EVER HAS BEEN. Not through the "god" of any church philosophy. These statements will stagger those of the church. They should stagger them, for they let the oil run out of their lamps. They have been satisfied with an empty shell of religion. They have made clean the outside of the platter. They have allowed God to become a mythical something living somewhere. They have had their own cherished idol, and that idol is now being proven for what it is worth. It can do nothing for either the church or for humanity. What a pity.

For eleven years now I have repeatedly warned the church that it was attempting to do something for humanity with a god who never did exist. I have, for eleven years, held up to men and women the indwelling Power of the Spirit of God. And the churches have stood by and seen lives changed by the hundreds of thousands, and have said--- "OH--- IT'S JUST A RACKET". Even the Sunday School Times said, not too long ago--- "Thus it is seen that Psychiana is a complete rejection of God---" I would like to know when "Psychiana" ever rejected God. The whole Movement is a Movement of the Spirit of God. How then can we "reject God", Mr. Editor of the S.S. Times? We may, and we do reject Jesus Christ AS GOD, but as for rejecting God?--well, it is through "Psychiana" that the Spirit of God is making its presence known to the world. It is through "psychiana" that the Great Day of God is coming. In fact IT IS HERE.

For men and women throughout the whole world are finding that God literally and actually exists in them, as their all. The Spirit of God is being made manifest on the earth. And it is being made manifest through this humble little Movement here in Moscow, Idaho. It's very significant that the name of the City which has Communism and atheism in its midst, is the very same name as the City from whence the Power of the Spirit of God is coming to the world. Moscow, Russia and Moscow, Idaho. And while the Spirit of God is descending to the earth and into the hearts of men--"the foolish virgins slept".

Let me admonish my Students to be instant in season and out of season as we watch the Spirit of God move on the Earth. Many of the things which will

happen may amaze you. You may be called upon to heal sickness, etc. But whatever you do, keep quiet before God. Recognize ever the indwelling of the Spirit of God, and use the Power of this Spirit of God in every circumstance where you need to use it. And may the peace of the Spirit of God, which passeth all understanding, be with you all until the whole world awakens to the fact that GOD IS NOW HERE.

As you begin to manifest the Power of the Spirit of God in your everyday life and affairs, there is just one thing I want to caution you against. Never forget to rejoice in the Power of God. Be happy. If you feel like shouting, shout. If you feel like singing, sing. But ever and always give God the glory for manifesting His Great Power in you and yours. Keep your quiet moments very full of Power, and, above all, KEEP THE HITLER AND STALIN AFFIRMATIONS GOING. NEVER CEASE THEM. FOR SOON, WE SHALL SEE THE EFFECT OF THE SPIRIT OF GOD ON THIS EUROPEAN CALAMITY. IT IS THERE THAT THE SPIRIT OF GOD WILL MAKE ITS STAND AGAINST THE FORCES OF ATHEISM AND WAR AND ALL OTHER ALLIED WRONGS.

Whenever a case of incurable illness (supposedly) is called to your attention, lay your hands on the head of the afflicted person and, through the Power of the Spirit of God IN YOU, AND ALL AROUND YOU, COMMAND THAT ILLNESS TO LEAVE AND IT CANNOT DO ANYTHING ELSE. Don't be afraid. Have faith in your God. That's all it takes. And as you get used to the Power of the Spirit of God IN YOU, you will know the truth of the beauty and the sweetness and the infinite Love of God. Keep yourselves clean in your thoughts. Let God guide every step of the way and every moment of the day. Keep in constant touch with us here in any emergency. But above all--HOLD YOUR PEACE. The Leader of this Movement is in Moscow, Idaho, and he will make the proper moves at the proper time.

The interesting thing to watch will be the reaction of the church when it discovers that the Spirit of God is manifesting on the earth entirely apart from it. I am hoping that it will, as a man, turn to God, and ### I believe it will. For the good old church is inherently honest. It has believed its old pagan-origin traditions for so long that it will be quite a shock when it discovers them to be false. But the shock will be speedily healed when it turns from its idols to the True Spirit of God. It will be a day of great rejoicing. Tradition and superstition and a dead system of theology, will be changed for the LIVING WATERS FLOWING FROM THE THRONE OF GOD THROUGH THE SPIRIT OF GOD TO ALL MANKIND. Truly, this "Psychiana" Movement is a stupendous Movement. Truly, you are fortunate in having a ### in it.
part.

May the Spirit of God manifest in fullness to you all.
