A 28½% DISCOUNT FOR OUR MEMBERS!

"YE MEN OF ATHENS" gives a brief description of how Frank B. Robinson was given the inspiration to found Psychiana, and shows the reader what potentialities he actually has if he but follows the Pathway to God.

"A PROPHET SPEAKS" is one of the most unusual books ever written by Dr. Robinson. This book takes the reader back through the distant recesses of Time to the point when Creation took place. Man's struggle through the ages for knowledge of his Creator is pointed out; and the reader is shown exactly where man strayed from the path.

"GEMS OF SPIRITUAL TRUTH" is a collection of the writings of the Founder of Psychiana and includes both early and recent articles together with the original series of Ten Lessons written in 1928. This is an excellent textbook for every Psychiana Member and is bound in a handsome leatherette cover. Truly a fine addition to your library.
