

YOUR GOD-POWER

WITH 20 LESSONS IN HOW TO FIND IT

BY DR. FRANK B. ROBINSON

Dr. Frank B. Robinson is one of the world's few living true mystics. A mystic is one whose sense of the nearness and reality of the realm of God is very marked. Wherever a true mystic is found the world should listen to what he has to say.

For the past year Dr. Robinson has been writing what we consider the deepest thing ever written on the Realm of God. As you know, the whole PSYCHIANA movement for nearly sixteen years has been bringing to men and women the Truths of God as these Truths have been revealed to Dr. Robinson.

Naturally, Dr. Robinson's spiritual experience is much deeper now than it was sixteen years ago. The twenty lessons on "Your God-Power" will carry you so far into the mystical Realm of God that we question whether you have ever read anything which can come anywhere near revealing to you the Power of God as these lessons do.

Instead of publishing these Lessons individually, they are being bound in book form. Many students have expressed a preference for this and it will save a lot of time and labor. There are twenty Lessons in all and each one should be carefully studied before the next one. We asked Dr. Robinson this morning what he thought of these lessons.

Here is his reply:

"IF THESE LESSONS DO NOT REVEAL THE POWER OF GOD TO EVERYONE WHO READS THEM I KNOW OF NOTHING ON THIS EARTH WHICH CAN."

The manuscript of this volume has gone to the publishers and we are now accepting orders in advance. The price of this volume is twenty-five dollars (\$25.00).
