

# Requirements for Ordination

## *and "Doctor of Divinity" Degree*

---

The requirements for Ordination as a MINISTER of "PSYCHIANA" and the Degree of DOCTOR OF DIVINITY are as follows: the Student must have completed all three "PSYCHIANA" Courses of Study. The Advanced Course Number One—the Advanced Course Number Two—and the Advanced Course Number Three. Some of our Students have completed Course Number One. Some have had only Course Number Two. Some have completed both Numbers One and Two. Our records must show that ALL THREE Courses of Study have been completed before ORDINATION will be given and Degree conferred. We do not feel that any "PSYCHIANA" Student should be ordained as a MINISTER until he or she has completed these three Courses of Study. A charge of \$5.00 additional is made for the Certificate conferring the "DOCTOR OF DIVINITY" DEGREE.

### NOTE WELL PLEASE

No Student will be ordained and no Degree will be granted if there is a balance owing on account.
