

As you read the following list, let me ask you to remember that
"Psychiana"

is bringing to the world for the first time, the actual truths of God, who is a throbbing, living, pulsing, vital Spirit of life, and from which infinite Spirit we all may draw the things we need to make us abundantly happy, and which Spirit lives to give to us the very same Power it possesses.

The condition of the world today discloses the fact that in spite of a score of "crucified gods" of antiquity, it is headed into either perdition or annihilation, and none of these "crucified gods" seems able to do one thing to save the world. "PSYCHIANA" has no "crucified god." It has a living God, and one too big to allow anyone to crucify him. That makes quite a difference, doesn't it?

History or religious tradition report about 32 "crucified gods." We give here only eleven of the most important of them. Read this list carefully and then ask yourself if you do not think a new god is needed—either that, or a newer, and truer conception of the only God this world ever could have had.

JESUS CHRIST Born 2,000 years ago.	Born December 25th. Born of a virgin. Crucified on a cross. Was God in human form. Came to save the world from sin. Mother and son visited by shepherds and "wise men" from the East. Rose from the dead and now sits at the right hand of God in "heaven." Note carefully the next "crucified god," 1,400 years before Christ.
JESEUS CHRISHNA Born 1200-1400 years before Christ.	Born December 25th. Born of a virgin. Crucified on a cross. Was God in human form. Came to save the world from sin. Mother and son visited by shepherds and "wise men" from the East. Rose from the dead and now sits at the right hand of God in "heaven."
QUETZALCOATL of Mexico 587 B. C.	Born of a virgin. Crucified for the sins of the world. Died on the cross; was resurrected the third day; descended into hell; had an immaculate conception; was crucified between two thieves; was God in human form; is now in "heaven" with his father God.
BUDDHA SAKYA 600 years before Christ	Born of a virgin; came to "save" a "lost" world. Was crucified on a cross; was called "The Savior of the World." Rose from the dead; will return to earth again, like Christ. Had more followers than Christ has. This story has every fundamental of the Christ story, and had them long before Christ was ever heard of.
THAMMUZ of Syria	Born of a virgin; was crucified for the sins of the world; came to save the world; rose from the dead and is now in "heaven." Preached to the "spirits" in gehenna.
WITTOBA 552 B. C.	Crucified on cross; depicted with nail-holes in hands and feet; still worshipped in Madure.
IAO of Nepaul 662 B. C.	VERY DEFINITE and specific testimony exists that this "savior" was crucified on a tree in Nepaul. Some say that "IAO" is the root of the name of the Jewish god Jehovah or YAHWEH.
HESUS 834 B. C.	Hesus (note similarity to Jesus) was crucified with a lamb on one side of him and an elephant on the other. He was called "the lamb of god which taketh away the sins of the world" as the Christian "savior" is now called.
QUIRINUS of Rome 506 B. C.	Born of a virgin; his life was sought by the reigning king (like Christ's); was of kingly descent; was crucified and at his death the whole world was enveloped in darkness. (This is told of Christ also.)
PROMETHEUS 547 B. C.	For a full account of this "crucified god" see the New American Cyclopedica, Vol. 1, page 157. Born of a virgin; crucified for the sins of the world; died on the cross, rose from the dead, and is now at the right hand of his father, God, in heaven.
THULIS of Egypt 1700 B. C.	Was crucified, dead, and buried, and on the third day rose again from the dead; he ascended into "heaven" and there became the "judge of the quick and the dead" like the Christian "savior" did. He was "full of grace and truth."

WHAT THE "AWAKENING" IS DOING

Ind lead
no 9th

The Membership of this Movement come from every religious organization in existence, and from tens of thousands who, unable to find God through the teachings of any of these so-called "religions" have come to us. We welcome them all. We bring the Power of the Spirit of God to them all. They are liberated through the individual consciousness of God. We are happy.

From these Members we receive many many letters, telling us why they came to us. Most of them, when finding the "LIGHT" are quite outspoken, and many of them express indignation at being "fooled" about God to so long a time. We reproduce here a typical letter which speaks for itself. This is but one of tens of thousands we receive. It so happens that more of this type of letter is received from former Members of the Roman Catholic church than from any other church, although we receive them from all "faiths".

It makes us happy, no matter what the "persuasion" was before, to see men and women finding the Spirit of God, through us. But than, that is our mission in life. If we were not doing that we should consider ourselves untrue to our high calling. We wish some of the writers of these letters would not speak quite so plainly, but they do, and this letter gives a very clear picture of the transition from a false "faith" to the true knowledge of the Spirit of God, that we believe it will help tens of thousands who may be "halting between two opinions", and anything which helps men and women to know God, ### we are for. If men and women were actually and literally finding the Power of the Spirit of God through ANY church organization, there would be no need for "Psychiana". The fact that we are able to bring to this world for the first time the actual truths of God in such increasing numbers, is very plain evidence that no other religious organization is doing this. We wish they all would, and the day is coming in which they all will. The sentiments expressed in this letter may not be our sentiments, but we reproduce the letter in order that others may see what happened in this Member's life. Here it is:-

Dear Dr. and Friend:-

Will you please excuse me for starting out so personal, but I must say you are my friend for sending me those wonderful papers I received in the mail this date, and I say thanks a million times.

You know Dr. Robinson, there is an old saying--"What fools we mortals be". I am 42 years of age, and all those years I have been one of those fools--and I am coming right out and telling you why. I was born and raised a Catholic and right now I have made my decision. I am a fool for believing what the Catholic church teaches.

It teaches us that it is an honor to be poor, for you will get your reward "in heaven". However, that is a lot of bunk. I say there is no hell or heaven hereafter. You will get it right here on earth. Believe me, I have learned that the Catholic church is the largest and most deadly weapon for destroying civilization

that the world has ever known. The biggest error they commit is by telling its parishioners to fear God (be afraid of God) and they tell you you will go to hell if you don't. You get your hell right here on earth. They let us boil in the stew, do nothing to help us but say you will get your reward in heaven for your suffering on this earth. This is a lot of lies and a detriment to humanity. Any good religion, if it is any good at all, should help humanity and not injure it.

Has the Catholic church helped me--NO. It has told me to pray, have faith, miracles will happen instead of helping me NOW when I need it. What a joke. Get my reward after I'M DEAD.

The letter comes from Pittsburgh Pa. and is very typical of many thousands we receive. There is a good deal of truth in what this member has to say. There is nothing whatsoever any church is doing to reveal the Power of the Spirit of God here on the earth. \$\$ Their teachings consist mostly of "the hereafter" either "heaven" or "hell" while we of "Psychiana" are interested in knowing the Spirit of God here and now.

We believe this world can be perfectly saved from itself and we believe the Power of the Spirit of God can do just that, and if it can do it at all, it can do it here and now. Personally, we shall never tell anyone to be afraid of God. Quite to the contrary, we shall ask them to get acquainted with God, here and now. We are not in the slightest degree interested in either "heaven" or "hell", above or below the skies. That theory was prevalent in almost every pagan system of religion this world has ever known. The theory does not fit in with present day needs. We do not believe it to be true.

It is a fact that the Roman church puts all stress on these two myths, for that is all they are, and by keeping the people "afraid" of God, they attempt to build up their organization. But, times are changing. Time was, in the darker ages, when men and women could be cowed by being told that if they did not "fear" God they would go to hell. But no more can that false theory of God be implanted into human minds. Those in whom it has been implanted, of course, will probably keep it until they die. Then they will find their mistake. But no new young people can ever be made to believe such teachings as that. It is foreign to every right thought of their natures to so believe.

One thing which is causing the defeat of every religious organization in existence, is the fact that the philosophy of God they teach does not measure up to the intellectual standards of these modern times. True, in ages past, the priest could cow the people by threat of hell and could buoy up their hopes by promise of "heaven" but I believe that day is fast fading out. This whole world is moving towards a recognition of the Spirit of God here and now. It will not be denied, for life here on the earth is an evolution, and in that evolution, religion will undergo changes more radical than it has ever undergone in the past. The Spirit of God will cause

those changes to come. It is inevitable. This world today presents a sorry picture. Yet this picture has developed in spite of the fact that the Roman church, with other churches, has attempted to sell the idea to humanity that it alone represents God on the earth. But humanity refuses to be sold on that idea. It sees nothing of God in anything these churches have to offer, and naturally, it casts them aside. But there are to be seen "Gleams over the Horizon" and, as our Students know, the Spirit of God is beginning to shed its saving gleams over the horizon of this dark world, and ere long, instead of ghastly and brutal murder, there will be the soothing kindness and peace which only the Spirit of God can bring into human hearts. God haste that day.

The Roman Catholic church is a very old religious system. It had its inception a long time ago, when the minds of men were not capable of grasping the truths of God. I have never questioned the honesty of this organization, but I do feel that it is nothing more nor less than a system of theology, man-made in its entirety, and, of course, in the light of what is now known of the present operations of the Spirit of God on the earth, it is plain to be seen that nothing the Roman Catholic church possesses is of God. Its masses, its incense, its Latin exercises, its confessional box, etc.--the Spirit of God knows nothing about that sort of thing. These rites and rituals are all man-made, and therefore they must go down before the flood-tide of Power which is being brought to this earth through this Movement, and the Power of the Spirit of God behind this Movement.

We should look at the Catholic adherents with true love and pity, for really it is not their fault for believing what this organization has told them to believe. They are falling away very rapidly, and, before the true Power of the Spirit of God they will continue to fall away. As ~~more~~ more and more individuals find the Power of God in their lives, of course the news will spread, and when the final gathering together of the nations comes under the Spirit of God, of course there will be neither Catholic or Protestant doctrines there, for true religion is a manifestation from the Spirit of God to man. The Catholic church and other churches are but puny attempts to make mankind believe in a system of theology which was man-made in its entirety. Had God ever been taught to the world by any of these so-called "religious" organizations, this world would not be in the condition it is in today.

The best way to bring this Power to others is to demonstrate by your own life that you have talked with God. They will soon know it. Pay no attention to ~~other~~ other doctrines and rites of others, for they are not necessary at all. God is abundantly able to reveal Himself to you, and to supply all your needs through the Power of the Great Spirit of God. That is all you need to know. Leave the rest to the Spirit of God. That infinite Spirit knows best how to bring full knowledge of its Power to humanity. We are only the vessels through which God is being made known. We have our Leader, and your duty is to follow that leadership until you get to the place where your physical life is hidden in the great Life which is God. Will you do that?

15-10 here on

Now, beloved, what does all this mean? What CAN all this mean? Let us face the facts fearlessly disregarding both threats and jeers of those who do believe in Jesus Christ. It is impossible for a Movement of the Spirit of God to come to this earth without churches of all descriptions fighting bitterly such a Movement. For ##### if what we are saying here is true, the churches WILL HAVE TO FIGHT IT, AND THEY HAVE. You see, they believe their own story, They believe in it deeply. They cannot conceive of there being any semblance of falsity about it. Nevertheless--THERE MAY BE. IN FACT, THEIR WHOLE STRUCTURE MAY BE BUT A COPY OF OTHER RELIGIONS WHICH THEY THEMSELVES CALL "PAGAN" AND "HEATHEN" AND THEY NOT KNOW IT. EITHER THAT, OR THEY DON'T WANT TO KNOW IT. FOR THE FACTS I AM GIVING YOU HERE ARE AVAILABLE TO EVERY CHURCH HEAD AS THEY WERE TO ME.

I have never doubted the honesty of the Christian Church. I love the church--both branches of it, and I have made large donations to both Catholic and Protestant branches. And I will do so again in all probability. Nevertheless--I AM CONVINCED THAT THEIR STORY IS UTTERLY FALSE. I AM CONVINCED, AND THE ABOVE LIST PROVES IT TO BE FALSE. EITHER THAT, OR THIS WORLD HAS HAD A SCORE OF "CRUCIFIED GODS" WHO CAME DOWN FROM HEAVEN TO SAVE THIS WORLD, AND THEY ALL HAVE FAILED FOR NONE WOULD DARE TO SAY THE WORLD HAS BEEN SAVED YET.

This then gives us a system of religion, which instead of being born of the Spirit of God, was born of ancient tradition and superstition. THIS IS AN ABSOLUTE FACT. It's a staggering fact. It will bring in the most sensational disclosure of the Spirit of God manifesting on this earth--yes--it will bring to this earth for the first time, THE ACTUAL TRUTHS OF GOD. The world must first know and understand where the Jesus story came from. Then, when it is discovered that the True Spirit of God IS manifesting on this earth--THE WORLD WILL RUSH TO RECEIVE THE MESSAGE. This message is being brought through the "Psychiana" Movement.

One look at the world around us will prove beyond a shadow of doubt that what I am advancing here is the absolute truth. Do you think any church, all churches--do you think any system of religion knows anything at all about the Living Spirit of God with the world in the shape it's in today? And in spite of 2000 years of the church god the world steadily gets worse and worse. These forces of war, hell, horror, injustice, atheism, would destroy every tittle of freedom, of peace, of hope and of God, and there are many who think they will anyway. I will say this to you here, beloved, whoever you are, and my heart bleeds for humanity as I write it--UNLESS THE CHURCH GIVES UP ITS HEATHEN IDOL GOD AND FINDS AND TEACHES THE POWER OF THE SPIRIT OF THE TRUE GOD ON THE EARTH, OR UNLESS THAT TRUE POWER COMES TO THE EARTH THROUGH SOME OTHER ORGANIZATION, THESE ANTI-GOD FORCES WILL WIN. For no church, no system of religion I know anything about, can do one single thing to halt this tide of war-horror which threatens to destroy free humanity.

You will note the result to date of this little Movement of the Spirit of God on the earth. For it will continue to throw the Power of the Spirit of God against these mad forces, and THE POWER OF THE SPIRIT OF GOD WILL WIN. For this Power is actually on the earth now. The church knows nothing about it. It cannot know anything about it. For the church God is a heathen god, the same god the Hindu and a score of other ancient systems of theology had.

As a matter of fact, even the names of Chrishna and Christ are similar.

Now I close this article. I have spoken very plainly in it. I welcome all to this outpouring of the Spirit of God on the earth. Especially do I welcome the church, both Catholic and Protestant. They will, of course, be the last ones to partake of the blessing which the Spirit of God is bestowing on the people everywhere. They will continue to scoff at, and poke fun at, and malign this Movement of the Spirit of God--but this they will do in their ignorance.

I am asking every Student here who has found the blessed fact of the Spirit of God on the earth in his or her life, to stand 100% behind this Movement. Things are due to happen very rapidly. The Spirit of God is going to speak more plainly than ever. A great responsibility rests upon you, and me. This staggering Movement will sweep the world for God, because GOD IS IN IT. So stand firm for a little while. It will not be long until the whole world knows personally the presence of God. What a day--what a day--and to ### think that I of all men have been chosen for this work. I never suspected when I first released this Teaching what God intended to do through it. Now I know. Glory be to the True God for ever manifesting His presence and Power through "Psychiana".
