

"PSYCHIANA" INC.

INTERNATIONAL HEADQUARTERS

MOSCOW, IDAHO

Dear Student:

You have taken a serious step, perhaps far more serious than you realize. You have asked me for information as to how you may be an Ordained Minister in the "PSYCHIANA" FAITH. With this letter will come to you full and complete information. Study it carefully, and prayerfully, for I want no one in this Organization who is not in earnest for the very best things life holds for them. Most of my Students are men and women of unblemished character. They are men and women who believe in the Power of the Living God, and they believe in that Power here and now. They do not believe one must pass away before he or she can reap the benefits of the great God-Law, in some future life. They believe that the Power of God can, and will, here and now, provide every good thing both spiritually and materially.

The pioneering work in this Movement has been done by me. Men and women the whole world over are waiting for some teaching which actually is born of God. "PSYCHIANA" is just such a Teaching. There is no question in my mind but what the future will prove "PSYCHIANA" Ministers to be among the most successful Ministers in the world. The time to join yourself up with any religious movement is when that movement is in its infancy. Remember the remarkable growth Christian Science, and other religious movements have had, and, if you wish a really profitable life's work, sign and send us the enclosed application blank.

There is no more profitable work, materially and spiritually, than for the Kingdom of the Realm of God. I only need 1500 Ministers, so I suggest that you act at once. When you have completed your studies, you will be ordained by me, and will be ready to open your "PSYCHIANA" Church. You will also receive your degree as "Doctor of Divinity." May the Spirit of the Eternal God guide you ever.

Sincerely your friend and teacher,

Frank B. Robinson
