The Church of "PSYCHIANA"

International Headquarters—Moscow, Idaho

OATH OF ORDINATION OF FAITH

Know all men by these presents, That I, ...by the help of God, do solemnly promise that I will abide by the foregoing instructions, and by the acceptance of same, do also indorse the following Articles of Faith, as written and adopted by "PSYCHIANA," Inc.

ARTICLES OF FAITH

(1) We believe in the existence of a Supreme Intelligence which Intelligence created the entire universe and everything therein. We believe this Intelligence to be a mighty operating Spiritual Law or Spiritual Power which is God, and we believe further in the omnipotence, omnipresence, and omniscience of the Realm of the Spirit of God.

(2) We further believe that the Realm of the Spirit of God exists here and now and we believe that the purpose of its existence is to draw men and women into such a close Spiritual contact with that Realm, that the Realm of God itself may supply every normal individual who desires it, with an abundance of health, peace, happiness, material and Spiritual supply.

(3) We believe that if the Spiritual Laws which are God are understood and complied with, these God-Laws, being God, are all-sufficient for every human need and emergency.

(4) We believe that the laws of nature are the laws of nature's God and that by our conformity to them we may progress to the point where we may enjoy a full measure of health, happiness and prosperity.

(5) We do not believe in man-made creeds nor dogmas, but we do stand behind and agree with every religious organization which teaches the present existence of the Spirit of God for the entire human race and without any ritualistic strings of any kind attached to it.

(6) We believe that it is possible to live every moment of the day in the consciousness of the presence of the Power of the Spirit of God and we believe further that if we do this and if we, in faith believing, desire Spiritual and material blessings from the Realm of God, we shall receive them.

(7) We believe in the United States of America and we shall do everything in our Power to uphold and stand by the Constitution of the United States.

(8) We have a feeling of brotherly love and charity toward all, and we shall live our lives as living demonstrations of the Power of the Great Life-Spirit.
