

ALL THE WORLD WANTS GOD, BUT IT DOESN'T KNOW WHERE TO FIND THAT GREAT POWER

That is what makes this Teaching so absolutely amazing and staggering in its import. For there is coming to the earth, thru this Movement, absolutely authentic knowledge of how men and women everywhere can find and use the Power of The Spirit of God. There's no guesswork about it. There's no chance about it. Almighty God, the Spirit behind the creation of this universe, LIVES. That Power is not dead. If it lives—you can find it. It so happens that Dr. Robinson is the man thru whom this electrifying revelation is coming to the human race. His life, and his work abundantly prove that. He is internationally known, and the "PSYCHIANA" Movement stands as a monument to the colossal Power of God. The above is a picture of Dr. Robinson and his friend, Ernest Holmes, conducting a joint meeting in the famous Philharmonic Auditorium in Los Angeles. Yes—men and women want God. They are sick and tired of theories of God. They are fed up with those who tell us the only thing God exists for is to "wash away their sins" and give them a home "in heaven" always, of course, "after you die." But Dr. Robinson has more faith than that in God. He knows, and he knows well that all the Power of God exists on the earth today, and he knows further that this staggering, scintillating Power is instantly available to all men and women, every moment of the day and night. It will be well for you to study with us, friend. Believe us, it will. For WE WANT YOU TO KNOW THE POWER OF ALMIGHTY GOD.
