

GOD IN ACTUAL OPERATION

Lead
Nov 9th

The other night, in the middle of the night by the way, my phone rang. It was the Western Union in Spokane Wash. relaying an emergency ##### wire from a lady in Alameda Calif. The wire stated that her daughter was bleeding to death after a throat operation and she begged us to help. Before we left the telephone we had thrown the Power of the Spirit of God into action against that bleeding, and the next morning I sent a wire to the mother inquiring as to what had happened to the daughter. The letter answering that wire has just arrived here in my Study. I give it to you verbatim:

"RECEIVED YOUR TELEGRAM AND AM HAPPY TO SAY MY DAUGHTER NOVA'S CONDITION IS IMPROVED AND THE HEMORRHAGING STOPPED AT ABOUT 4.A.M. THANKS FOR YOUR KINDNESS AND I AM THANKFUL THAT GOD HAS SUCH WONDERFUL POWERS"

This lady, I am glad to note, places the credit for this amazing case just where it belongs. With God. When a person does that, the results are very sure. Another letter which I see here before me demonstrates again the Power of the Living Spirit of God over all dangerous conditions of life. Let me give you this letter also, and then, after having read these two letters, never again doubt the existence of the Spirit of God. For, I assure you, such letters as these literally pour into these offices from all over the world. Truly, "Psychiana" IS a Movement of the Spirit of God on the earth.

"I SENT YOU A TELEGRAM THE OTHER NIGHT ASKING YOU TO USE THE POWER OF THE LIVING GOD FOR ART M----- WHO WAS DYING IN THE VETERANS HOSPITAL IN CULVER CITY. THE DOCTOR DIDNT SEEM TO KNOW HIS TROUBLE BUT HE HAD LOST ALL USE OF HIS BODY FROM THE WAIST DOWN. SOME SAID HE HAD A BROKEN BACK OTHER SAID IT WAS HIS KIDNEYS. YOU WILL BE PLEASED TO KNOW HE IS BEING MADE WHOLE SO SEND HIM YOUR POWERFUL HELP"

You will note in this wire that the man was said to be dying. You will also note that he is now on the road to complete recovery. This particular wire happened to be delivered at my home, and was ##### accepted from the Western Union by Mrs. Robinson. She opened the wire, and on my arrival home she said to me--"is there anything you can do in this case"? I said nothing. I never do when questioned about this type of telegram. I do my talking with God. But instantly I threw the Power of the ever-present Spirit of God against that illness no matter what it was, and now we see recovery.

These cases of bodily healing are quite secondary to the actual needs of the human race. Of course the Spirit of God can heal every disease, but it can do so many many more, and even greater things that I sometimes wish these wires would not come to me. However, I'm glad they do, for there is no other religious organization in existence \$\$\$ through which the Spirit of God is manifesting, and it is our duty, naturally, to do what we can, through the God-Spirit in each and every one of these cases.

Here is a typical cancer case which came to us, and so that you may know how these cases are handled, I am giving you a copy of the letter I wrote to this friend of the sick lady.

This is about the type of letter I send out in these cases. You will note in the answer that the Power of the Living Spirit of God is called into action. What I do that these good folks know nothing about, is as follows. I am very quiet, I am in tune with the Spirit of God, and I send out the very earnest desire that a complete recovery be manifested IN ORDER THAT THIS PERSON AND HER OR HIS FRIENDS MIGHT KNOW THAT GOD DOES STILL EXIST AS A VITAL LIVING POWER. That is the only reason I want a cure wrought. It doesn't take an instant. And the wonderful part of it all is that anyone, anywhere can use the very same Spirit of God I use, for, naturally, there is but one Spirit of God. There are 500 different religious sects and denominations, each teaching something different about God, and each claiming to be the "only" true church, yet, in spite of this fact, there is only ONE GOD.

And the Power of this invisible God is available to all, anywhere, and at any time, and in any emergency. It doesn't need a wire to me here in Moscow. Of course, a man cannot be in the public eye as I am, and not have these wires come in. But if the senders of these wires would but understand that we have no monopoly on God, don't you see, they could use the Power of the Spirit of God themselves and the very same results would be accomplished. For while it is a fact that the Spirit of God is manifesting its Power on this earth through this Movement, it is NOT a fact that this is the only Movement through which this mighty Power can operate. As a matter of fact, our one duty is to tell others of the Power of the Spirit of God as quickly as we possibly can, so that they too may use this mighty Power in their emergencies. And not only in their emergencies, but in their normal everyday life and affairs.

When the world learns that secret, there will be no more wars. All strikes will cease. There will be no more immorality or drunkenness. No more crime. No more sorrow. For the recognition of, and the Power of the Spirit of God will very effectively banish all those things. This earth would be a paradise even now, if the true conception of God had ever been brought to it. There would be no such ghastly thing as we see in Europe if this world knew God. Religious organizations tell us that we cannot know God. They tell us that, because of the mystery and the greatness surrounding God, it became necessary for God to come to the earth in the form of a man, in order that the rest of the race might know and understand God.

That is not true. Even if it were true, the method failed. For this world does not know any more about God now than it did before this "god-man" came to the earth. Anyway, of what use to the human race is a god who is too great and too big for the very creatures he founded to know and comprehend? There is the fatal and disastrous error the churches have made. They have told us that God is unknowable here on this earth. What a terrific blunder, and what that blunder has cost this world in human suffering and anguish! I wish the story had never been told. For it is not true in the first place, and even if it were true, it did not do what it was supposed to do--REVEAL GOD TO MAN.

But God is being revealed to man. And God will be revealed to man, for the day is here in which this world is in a crisis. So far down the ladder has man gone with the other teaching, THAT IT IS NOW NECESSARY FOR AN UTTERLY NEW CONCEPTION OF GOD TO BE BROUGHT TO THE HUMAN RACE TO SAVE IT. That conception, we of "Psychiana" are bringing.

And oh, how happy we are to be bringing it. Misunderstood?--oh yes--we are misunderstood by every church organization in existence, for this new conception of God is not like theirs. We have, however, the satisfaction of knowing that this new conception of God cannot do more damage than the old one did, and we have the further satisfaction of knowing that every day in the week we are receiving here the evidences, which none can gainsay, of the active presence and Power of the Spirit of God, as we teach that Great Spirit. That is something which proves our faith and our religion. That is something the others are not producing.

Scuffed at?--oh yes, we are scuffed at. So was every religious pioneer the world has ever known. The Calvinists burned Servetus at the stake about 400 years ago because he denied the Trinitarian doctrine. Then they erected a monument to him when they finally decided they didn't believe it themselves. Such magazines as the Sunday School Times, the Lutheran Companion, the Gospel Advocate and the Methodist Advocate--they all scoff at us. They would crucify us today if they dared.

One of the surest proofs of the moving on this earth of the Spirit of God is that this Movement is attacked by the churches as it is. If they did NOT attack it, I should at once begin to question its truth and its usefulness. But when they DO attack it, I know that God is moving through us, and that's all I'm interested in. That's my life. That's my love---just to be bringing to this world this new conception of God. What a blessed work! It may be that I shall suffer more in the future than I have suffered in the past. But what does that mean to me. I glory in persecution for the sake of the Kingdom of God. I welcome pain, suffering, hardship, misery, for the sake of the Spirit of God, whose I am and Whom I humbly try to serve. I count all as an utter loss that I might know the fullness of the Spirit of God, and carry news of that fullness to you.

For to me to live--MEANS GOD. To die--MEANS STILL GOD. For you and I never get out of the presence of God. It's so much better to know that Presence while we are on the earth though, as they we have the opportunity to manifest that Power to others, which, in turn, will finally bring to the whole world what it does not know now--THE FACT THAT THE SPIRIT OF GOD EXISTS HERE AND NOW AND CAN BE FOUND AND USED BY ALL, REGARDLESS ^{of} OR IN SPITE OF ANY AND ALL CHURCH AFFILIATIONS.

A man said to me yesterday--"Dr. Robinson--why do you attack the church"? That minister friend is mistaken. I do not attack any church. I differ with the teachings of all churches, and I present to the world the Spirit of God, which these churches know. IT'S IN THE PUBLIC INTEREST THAT I DO. Sometimes I think I'll go to Washington and call for a Senate investigation of the teachings of the church. Then I remember that they have the same legal right to teach their theory as I have to preach the actual Power of the Spirit of God. And anyhow, the Spirit of God can, and will direct this Movement until such time as the wide world knows God. That will be a blessed day I assure you. It's worth working for. It's worth suffering for. It's worth being scuffed at for. It's worth anything--no price is too high to pay for this wonderful privilege of bringing to the earth for the first time--THE POWER OF THE SPIRIT OF GOD.

WONDERFUL WORDS. Yes---wonderful words truly, for they tell of God. They tell of the closeness of God to us. In us. So then shall we not listen quietly for the still small voice of God? Where shall we find God? In us. You see now why every great religious leader the world has ever had has been a man no one can get next to. All have advocated moments alone with God, and all have kept those moments alone with God. They forget the world. God shuts out the world. And outside of this physical world, they talk with God. Will you do that? If you will God will reveal Himself to you and no one knows what God may have in store for you.
