

## THE ROBINSON PEACE PLAN

# TALK ABOUT IT—IT WORKS

Here, in a few sentences, is the simple but very dynamic Peace Plan. The Power which is released from this simple plan can bring permanent peace, and make god a living Reality in your life. **BUT IT MUST BE DONE.** Start today, and see what a difference just one week will make. Individuals make nations. Nations make peace or war. This Plan will liberate the Power of God in the life of anyone who uses it. You can't talk peace with a gun in your hand. You can with God in your life. You don't need to understand God. Just follow these simple instructions:

**FIRST: THINK GOD AND TALK GOD.**

**SECOND: THINK PEACE AND TALK PEACE.**

**THIRD: WEAR ENCLOSED COAT LAPEL PIN, AND WEAR IT ALWAYS.** When someone asks you about it, tell them that you don't know anything about God, but your common-sense tells you God exists, and if that Great Spirit does exist, It can step into this pathetic and dangerous world picture and bring peace. Tell your questioner that anyway, you are trying God for a change. Don't be ashamed of this button. It stands for the highest type of Americanism. Even our coins say we trust in God. All right—

let's begin trusting and you'll find out how quickly God will respond.

**FOURTH:** Each morning, keep quiet in your room, and, with eyes closed, say aloud, talking directly to God: "I BELIEVE IN THE POWER OF THE LIVING GOD." Whenever you can, through the day, repeat audibly or mentally, this statement. At night, spend just 30 seconds talking aloud, directly to God, just as you would to me. Tell this Great Invisible Spirit just what your problems are. You won't be able to see the One you are talking with, but the results will literally amaze you if persisted in. Tell God to dethrone communism.

### Finding the Power of God Is Just That Simple

We could talk to you for hours about God. We don't need to. Follow the directions above, for only 60 seconds each day, and there will come surging into your life the actual and literal POWER OF GOD. With that Power, you can work miracles, and our beloved land will be spared the horrors of a third, and atomic, war which at this writing is surely on the way. With the Power of God we can stop it, and YOU can find God at the same time. Let's go.

# THE ROBINSON PLAN FOR WORLD PEACE THRU THE POWER OF GOD

## THE ISSUE MUST BE FACED

The following virulent atheistic propaganda is to be found in the Moscow magazine "BOLSHEVIK," issue December, 1946, pp. 11-24. They are called "THE TEN COMMANDMENTS":

"1. Never forget that the clergy are the bitterest enemies of the Communist state.

"2. Sway your friends toward communism. Remember that Stalin, who has given the Russian people a new constitution, is the head of the godless not only in the soviet union but in the whole world.

"3. Advise your friends and the godless to shy the clergy.

"4. Beware of spies and bring to light those engaged in sabotage.

"5. Disseminate atheistic literature among the population.

"6. A real member of the Union of Communist Youth is at the same time to use his weapons and he must know strategy.

"7. Wherever possible wage war against the religious elements and prevent their influence on the comrades.

"8. A real godless must be an efficient policeman. It is the duty of every atheist to protect the safety and stability of the state.

"9. Support the godless movement also with monetary contributions which are particularly needed for our foreign propaganda since the latter, owing to existing conditions, can only function clandestinely.

"10. You cannot be a good Communist without being a convinced atheist. Atheism is organically tied to communism. Both conceptions constitute the basis of soviet authority."

### Attention: Newspaper and Magazine Publishers and Radio Stations

This civilization could very easily be destroyed. No one knows that better than you do. You can be of inestimable help in bringing the Power of God to our people, and through that Power, world peace now, by simply giving publicity to this campaign. We may not be as old as many major religions, but we know as much about the Power of God as any of them. As a fellow newspaper publisher, and as an American who is trying to make God real to America, I respectfully ask you to give as much publicity to this effort as you would if it was being sponsored by some of the older religions. We know what we are doing. Our past record proves that. So won't you please give us a hand by publicising this effort? Thank you very much,

*Frank Robinson*

THE TIME IS SHORT

# NATIONS HAVE FAILED \* WARS NEVER BRING PEACE \* NOW LET'S TRY GOD

The front page of this circular makes the issue of war or peace clear-cut. It is the anti-God forces of communism against the rest of the world who believe in the present existence of God. Communism is attempting to drive the very name of God from off the face of this earth. It seeks to destroy all nations and individuals who believe in God. **There is no other issue.**

The religious situation in these United States of ours is hopelessly muddled. It will take nothing less than a miracle to clarify it. In these dangerous days, with their vast potential of horror and indescribable human slaughter, all who believe in God should be united. Yet we find religion divided into hundreds of creeds, sects, and denominations, each claiming to have "the truth, the whole truth, and nothing but the truth." Seemingly, the only thing they all agree on is the present existence of God—The Great Spirit of all Creation.

**BUT THAT'S ENOUGH.** That one admission is the common denominator upon which a united effort to eradicate the rash of communism can be made by all who actually believe that God still lives. Creeds and dogmas have divided those who believe in God. A divided front for God against communism will be ineffective. Keep your creeds and dogmas if you will, but let's have a united front for God by all who believe in God. That is one thing communism cannot stand against.

Speaking on Navy Day, 1947, a

high-ranking admiral of the U. S. Navy said this: "Several nations NOW HAVE the secret of a weapon so frightful that it is capable NOW of blotting out the entire human race, and making this earth uninhabitable for a 1000 years." You may be sure Russia is one of those nations. Whether she has the atom-bomb now or not is immaterial. If she has not, she will have, and she will use it, and whatever other fiendish implements of destruction she may possess, in her ill-conceived plan to make atheists of all men.

The plan to actually find and use the Power of God is not an experiment. It has been successfully used for twenty years. **AND IT WORKS.** What is it . . . ? Well it is just simply this—every human being who believes that God lives, no matter what the race or creed may be, **CAN MAKE INSTANT CONTACT WITH THE POWER OF GOD, AND CAN USE THAT POWER FOR ANY RIGHT PURPOSE—HERE AND NOW.** That includes the complete elimination of any ism which is designed to destroy faith in The Almighty. What God is, few of us know. We don't need to care. All that we should care about is using the actual Power of God in this present world crisis.

World War Three can be averted. It will not be averted by sending billions to Europe, good as that may be. But the method is wrong; you see, it completely eliminates God from the picture. But it will take The Power of God to stop the power of any anti-God

nation. If every American who believes in God will put his or her belief into practice, there will be no World War Three. If we do not, World War Three cannot be averted. It may be delayed, but it will come.

The Robinson Plan is not intended to replace creed, rite, or ritual. It should be added to them. **It should operate outside of them.** It is aimed at the many millions of Americans who have no religious affiliation, and the millions who have. All of these Millions agree that God not only lives, but has the Power and the ability to not only prevent World War Three, but to permanently straighten out our confused civilization, making it blossom as a rose. **IF WORLD WAR THREE COMES, AND OUR CIVILIZATION CONTINUES TO DECLINE IN MORALS, IT WILL NOT BE GOD'S FAULT. IT WILL BE OURS.**

If God lives now, which all will agree, then it must be possible to find and use the Power of God—NOW. What power is there which can stand against that Power? Do you think the blind, deluded leaders of the Kremlin can? If you do, you don't have very much faith in God, do you? The simple little exercises offered in this Robinson Plan are terrifically potent. What you probably do not know is that if you will but give God about one or two minutes a day, and be in earnest, The Power of God can transform your life, and fill you with a Power that is divine in origin. If every American

who believes in God will practice the few simple things we advocate, and band together, believe me a day will dawn, the like of which this old world has not seen as yet.

It is our business to bring in this Great Day, not God's. The Power exists. We must be earnest enough to find It and use It. Not only will the Power of God in your life prevent World War Three, it will become an ever-present and constant source of strength and Power to you. It will amaze you, believe me. After twenty years of handling this Power, I know whereof I speak.

If you are not ashamed to openly let people know that you're trying God for a change, and if you will give a few earnest moments each day to God, you can enter into an experience so very blessed that you'll wish someone had told you about it years ago. We are asking you for nothing. You don't have enough money to interest us. We would not take a dollar from you if you offered it to us, for this Movement to eliminate communism through The Power of God is being financed entirely by our own Members. Our Members will provide whatever funds are necessary to bring this Plan before the American people.

The only thing we want you to do is find God, and the Power of God, by the few simple things we ask you to do on the following page. If you will do them, **WATCH THE POWER OF GOD COME INTO YOUR LIFE.**

The Psychiana Religion  
Moscow, Idaho, U. S. A.

Dear Dr. Robinson:

Enclosed is the sum of \$.....to help in sending The Robinson Peace Plan throughout the United States. I will join wholeheartedly in the plan, and will faithfully do the exercises you ask us all to do. I still "BELIEVE IN THE POWER OF THE LIVING GOD" and will use that Power to bring Peace on earth, in our time.

Name.....Address.....

City.....State.....

Enclose donation and mail to The Psychiana Religion, Moscow, Idaho. Many of you could send \$1000. Many more could send \$100. But let your conscience be your guide. Remember, I am only one man, and I depend on you more than you'll ever know. I know how this earth can be won for God. I can think out the plans, but the material financial help will have to come from you. So make your donation generous. You may not have another chance like this, ever. Thank you.

*Frank Robinson*

## TO PSYCHIANA MEMBERS

In twenty years, I have never asked you to cooperate with me in anything, and been refused. I am asking you now to make your greatest effort. You know as well as I know that we are swiftly and surely drifting towards war with communist, God-hating nations. You also know that weapons exist which can wipe this entire civilization off the face of the earth. We of Psychiana are not ostriches. We do not hide our heads in the sand. We know what is coming. We know, too, that the future is out of human hands even as I write this. It will take a demonstration of The Power of God to prevent World War Three. It will take The Power of God to straighten out our own civilization, after which we can show others how to straighten out theirs.

I have done considerable travelling of late, and I am convinced that the American people as a whole, while confused and afraid of the future, ARE READY TO TURN TO GOD IF SOMEONE WILL COME UP WITH A SANE, SENSIBLE, LOGICAL CONCEPTION OF GOD WHICH THEY CAN ACCEPT AND DEMONSTRATE THEMSELVES. This is a fact. Both in the churches and out of the churches, men and women everywhere are looking for the man or the organization which can point the way to God. You know what our teaching is. You know what it can do, and what it has been doing for the past twenty years.

I am being asked to speak in churches, and that is a very sure indicator that even ministers have at last come to the conclusion that perhaps "that man Robinson" might be a true prophet of God. He might have the saving message this world needs.

Now our duty, as a religious organization, is clear. It is up to me to send the Peace Plan I have evolved into as many American homes as I can, and as fast as I can. You should know by this time that when I am convinced that a certain thing is my duty, I'll do it, and do it fast.

First of all we shall send a coat-lapel pin to our own Members, and they will constitute the foundation on which this world movement for God will be erected.

## God Can Prevent Another War

# THIS IS A GRAND PRIVILEGE---ON GOD'S SIDE WE WIN

---

They will at once start their exercises and will wear the coat-lapel button always. This button will create lots of excitement, and I suggest that you take the circular on The Robinson Plan to your local newspaper, and ask him to give it as much publicity as he feels he can.

After our own Members have been advised and the pin and literature sent to them, we then send a copy of the Plan, also the pin, to every magazine and newspaper publisher in the United States. We have a list of 75,000 of the most prominent business men in every large city in America, and these, too, will be sent the lapel-pin and the circular.

Every U. S. Senator and Congressman will receive a button and every newspaper and radio correspondent and reporter will also be sent the circular plus the pin. Then, we have a list of 100,000 ministers, and they, too, will be circularized. My aim is to release a minimum of fifty million circulars and the "I'M TRYING GOD" pins. That's a lot, but I usually try to do things in a big way. Certainly this is one effort which is imperative. The results may mean the difference between war and peace.

God can stop wars. God will stop wars when we want Him to. But God never has jumped down out of the sky and taken personal control of things on this earth. He never will. IF GOD PREVENTS ANOTHER WAR, AND BRINGS PEACE AND JOY TO THIS CIVILIZATION, HE WILL HAVE TO DO IT THROUGH HUMAN BEINGS LIKE YOU AND ME. We are the ones who must demonstrate the Power of God, and tell others what The Almighty can do, when human beings are not ashamed to let the world know that they are believers in The Power of The Spirit of God.

May I say to you that you are indeed fortunate in having an opportunity to have a hand in such a Movement as this. I do not believe anyone has ever launched such a program as this. Get behind me, and we shall win, and our names will be blessed by posterity, believe me.

You will understand that a program of this scope will cost a lot of money. I am not one to ask any, except our own Members to assist in it. I could put a donation blank in with these circulars, but I believe that would spoil the effect. I believe that The Psychiana Religion, through its Members, should finance this Plan for God in its entirety.

It will cost in the neighborhood of \$25.00 a thousand to print, mail, and enclose a lapel-pin. If we put out 50,000,000 pins and circulars, that would entail a cost of about \$1,250,000. Half that number would cost comparatively less. It all depends upon the publicity we get, and the manner in which the American people take hold. I am of the opinion that this Plan really will start members of all churches, and those without church affiliation, to thinking. They will begin to see that God is real. And they'll be hungry for the Power of God. When they really mean business, and do the few simple things I ask, they will find the Power of God.

How many circulars go out depends of course on the amount of help you send to me. You must make that decision. I think I know, after 20 years, what it will be. I know something about The Psychiana Membership. Many are quite wealthy. Many are middling wealthy. None are poor. So I'd like to receive from you the amount you want to send in order to send The Robinson Peace Plan around the United States. The people gave 326 carloads of food to the peoples of Europe through Drew Pearson's friendship train. After this Plan gets working, help may not be needed. But it is needed to start the plan out. Our first mailing is 100,000, but this is hardly a drop in the bucket. Just as fast as the money comes in, the pins and the Plan will go out.

Please use the donation form on the last page, and try to realize what this opportunity means. I've worked like a dog for the truths of God for the past 20 years. I've suffered as few men have suffered. You can't have my vision, but you can provide the money for this plan. Thank you plenty, and Peace be unto you.
