

"PSYCHIANA"

MOSCOW, IDAHO

EMERGENCY MESSAGE TO ALL

AS YOU PROBABLY SAW BY THE NEWS-PHOTO SERVICES, THE UNITED STATES DISPATCHES AND RADIO NEWS-BROADCASTS, I RECENTLY RECEIVED A WIRE FROM PREMIER RISTO TYTI OF FINLAND, IN RESPONSE TO WIRE I SENT HIM, ASKING IF HE WOULD LIKE THIS MOVEMENT TO THROW ITS SPIRITUAL POWER AGAINST HIS ENEMY. THE PREMIER REPLIED TO MY WIRE THAT HE WOULD LIKE US TO DO THIS. THE CLOSING PARAGRAPH OF HIS CABLE SAID—"GOD WILL SAVE MY COUNTRY."

You are not yet a student of "PSYCHIANA" nor a Member of this organization. Let's forget that for the time being. Whether you join or not has no bearing on what I am saying to you here. You believe in the existence of a Supreme Being. You believe in the existence of God. Not being a Student, you probably do not know how to come into full realization of the Power of the Spirit of God in your own life. However, let's forget that now.

Here is what I am asking you to do, regardless of whoever you are, and regardless of whether you ever join this Movement or not. I want you to join with tens or thousands of my Students all over the United States, in doing the following—every morning, noon, and night just before you retire, I want you to close your eyes. Keep very quiet, and, thinking of the poor Finns, repeat this statement three or more times—"GOD WILL SAVE YOUR COUNTRY."

Never mind questioning the value of this affirmation at this time. You probably won't understand the principle involved, but I do. So will you not then do this? It is dynamic in its Power, and even though it may sound foolish to you, I am too big a man I think to ask you to do something which had no merit. So please do it. YOU MIGHT BE INSTRUMENTAL IN STOPPING THIS GHASTLY THING IN EUROPE. GOD ALONE CAN STOP THIS WAR. We of "PSYCHIANA" believe we know how the Power of God can be thrown against those mad-men over there.

Keep this up every day as long as you care to, and let's leave the rest in the hands of the Spirit of God.

Cordially yours,

Frank Robinson

P.S. I am trying to get one million people to do this.
