

# A Spiritual Prophecy Regarding This War

by

**DR. FRANK B. ROBINSON**

Founder of "PSYCHIANA," Moscow, Idaho.

(This prophecy was made on Christmas Day 1940. Many of the things prophesied have already come true.)

I see the next two years as the most devastating years in history. I have already prophesied the present war, and I see the complete disintegration of all powers and forces who believe in conquest by the sword. But I do not see the winning of this war by either side. Rather do I see a spiritual manifestation of God on the earth. Not in any "supernatural" manner such as Jesus coming on the clouds of heaven. Rather, I see the mind of man freeing itself from pagan superstitions and traditions about God, and in their place accepting the fullness of the Power of the Spirit of God here and now, right on the earth. For this amazing Power does exist and can be used by all.

I see either an attack on Japan by the United States, or an attack on the United States by Japan. If the latter, I see this attack to be an air attack, either on Honolulu, the Philippines, or the west coast of California, Washington, or Oregon. It will be a surprize attack. It will be devastating in the extreme.

I see Japan remarkably successful. I see the fall of the "Islands of the Pacific" and this probably means Hawaii, Wake, Midway, the Philippines, Java and many other islands now not occupied by the Japs. I prophecy the fall of Singapore, and I prophecy that both Australia and India will be attacked by the Japs. Corregidor will hold out, but will fall. It cannot stand if Manila falls, and I see the fall of this port. In fact, I see the Japanese hordes carrying everything before them. They will probably be able to join forces with Hitler.

I see Tokyo in flames, but I do not see that causing the fall of Japan. I see our airplane factories bombed, and I see labor troubles in our beloved United States. I see a time of trouble such as the world has never seen. I see the end of this war coming by a revelation to all nations that the Power of the invisible Spirit of God actually exists on the earth. I see them discovering the fact that this invisible superhuman Power can be used by all men and women of all nations. I see this Power, and this Power alone bringing war-mad despots to their knees. I see 1000 years of peace, during which time the Spirit of God will be the most powerful Force in human lives. I see our churches fighting the Power of the Spirit of God, but I see also a religious Movement, taking the lead in the discovery of the Power of the Spirit of God. I see present creeds, traditions, and dogmas falling by the weight of their own error. They will be replaced by a universal concept of Almighty God. This concept will start, not in the church but entirely outside of it.

I see the present war lasting from 3½ to 4 years. It will stop suddenly, and not by the elimination of any nation or nations. Neither side will win this war. Their eyes will be detracted from the war by the Spiritual Movement which will start on the earth. This Movement is now in existence. Hitler will come to his end either through suicide or assassination. (The island of Japan will be submerged by a terrible earthquake.)

This prophecy has been spiritually received by me from the Realm of the Spirit of God. In essence it will come true. A few minor details may be different, but in the main, this prophecy will be fulfilled. I write on Xmas day, 1940.

# **An Additional Prophecy Made December 10th, 1942**

## **(Read It Carefully)**

You will note how remarkably accurate this prophecy has been to date. Events of supreme importance to all humanity will shortly happen in the United States, for it is here, in our own land, the actual truths of God will be discovered for the first time in human history. The staggering discovery of the Power of God—**IN HUMAN LIVES**—will be made first to the American people, who will see a **GREAT LIGHT**. We shall be the first to exchange traditions about God, for the actual Presence and Power of God. From our shores, this amazing spiritual discovery will go into the entire world. This is what I meant when I said, two years ago, revealing to the human race—**THE POWER OF THE SPIRIT OF GOD**. Fortunate indeed we are to be living in the country which God has chosen to reveal the **TRUTHS** of God to the rest of the world, whom, to date, have only had traditions about God, most of which are untrue.

When the American people discover the existence of the Power of the Spirit of God **IN EACH ONE OF THEM**, a revolution in theological circles will come. Many of our cherished “creeds,” “rites,” and “rituals.” together with “articles of faith,” will be laid aside. Religious theories, which we have held to be true, such as the “immaculate conception,” “virgin-birth,” “atonement,” “crucifixion,” “resurrection” of “gods” who came down from heaven to “save the world from sin,” will be supplanted by the fact that conscious knowledge of the actual Spirit of God in us, is the natural, normal way for us all to live. The human race will, in the near future, exchange its ideas of a crucified god in heaven, for the fullness of the Power of the Spirit of God here and now—**IN THE LIVES OF ALL OF US**.

When this true (though revolutionary) fact becomes known to our leaders and the rest of us, we here in America will be able to bring the Axis monsters to a complete and speedy doom, **BY DIRECTING THE POWER OF GOD AGAINST THEM**. That Power is far more effective than bullets, and It operates without the loss of a single American life. Had the truths of God been brought to us by our churches, we could have brought these murdering Germans, Japs, and Italians to a speedy end a long time ago. But we did not know of the existence of all of the Power of God, not “in heaven,” but available to us all here and now, **BECAUSE THE LIFE AND THE POWER OF GOD ARE OUR OWN LIFE AND POWER**. So then, when we exchange an “absent” God, for a present, existing God, we shall be able to use the Power of God to bring to us every good thing we need. We could do this now if the American people knew the priceless treasure of spiritual Power they now possess, through the Life of God in them.

Before this war is over, humanity will have found the **TRUTH** of the existence of the Spirit of God, not “in the heavens,” but in each one of us. We shall discover how to find and use that scintillating Power, every moment of the day. We shall soon discover that, religious theories to the contrary, Almighty God, the Creator of the universe and man, **HAS NEVER BEEN SEPARATED FROM MAN, BUT HAS BEEN AVAILABLE, WITH ALL THE POWER THAT ENTAILS, TO EACH ONE OF US, ANY TIME, ANYWHERE. THIS IS THE GREAT RELIGIOUS DISCOVERY WE OF THE “PSYCHIANA” MOVEMENT HAVE MADE, AND ARE PASSING ON TO THE WORLD**. We have been living lives of trouble, poverty, fear, discontent, and unhappiness, while all the time we had at our disposal, **ALL THE POWERS GOD HAS**. Before this war is over, the whole world will witness this coming of the consciousness of the Spirit of God to the world. When that day comes, wars will cease, and the human race will live in material and spiritual abundance, **BECAUSE IT WILL KNOW THAT GOD, AS SUCH, DWELLS WITH MAN, AND WITHIN MAN, AND ALWAYS HAS**.
