

PLEASE DO YOUR PART TO RESTORE PEACE

Eleven years ago the "PSYCHIANA" Movement was born. It is distinctly a Movement of the great Spirit--God on the earth. Its Power and its inspiration come directly from the great Spirit which is God. Through this Movement, God is speaking Power, Peace, Wisdom and Justice into human lives, and as a result of the present existing Power which is God, tens and hundreds of thousands now know that God exists here and now on this earth as the most dynamic Power this world has ever known. Through men and women who know that Power, the mad scene in Europe can be stopped. This is the Movement of God through which the Power of God is being manifested, and this is the Movement which will contend with the anti-God forces for the victory.

We differ a lot with orthodoxy. All we know is the present existence of the great Spirit--God. That is all anyone needs to know. Dogmas, creeds, etc., are for the great part man-made, and are of little use in demonstrating the Spirit of God in human lives here on the earth. But all creeds, sects, and denominations which actually believe in the existence of God only need one "article of faith" and that is the PRESENT EXISTENCE OF THE SPIRIT OF GOD ON THIS EARTH, AND THE ABILITY OF THAT SPIRIT TO MAKE ITS POWER KNOWN HERE AND NOW TO THE END THAT PEACE, JUSTICE, AND LIBERTY SHALL NOT PERISH FROM THE EARTH. We believe God lives, and we believe that God will, through those who will recognize the great Power of God, step into the picture and bring peace instead of universal horror---in any event, we are willing to put God to the test.

HERE IS WHAT I ASK YOU TO DO FAITHFULLY EVERY DAY.

Catholic and Protestant, Jew and Gentile, and all others who believe with us that God still lives, are asked to cooperate with us in bringing to this earth the Power of the Spirit of God to the stopping of this war. At 9 a.m., at noon, at 6 p.m., and again at 9 p.m., (your time) I am asking you all to stand still for just a moment, close your eyes, and, visualizing a picture of Adolph Hitler, repeat this statement three times---"THE SPIRIT OF GOD WILL BRING YOUR SPEEDY DOWNFALL." Will you do that?

This Movement and its Leader know what they are doing. All we ask is that every man who believes in righteousness, peace, justice and honor, join with us in this simple though dynamic exercise. Please don't think it cannot avail---it will bring all war-mongers to their knees, and you can safely leave the means to God. Do not write me and tell me you will do this--JUST START TODAY AND DO IT. THEN WATCH GOD SPEAK.
