

THE MIGHT OF GOD

I was driving through the Grand Coulee country on my way to Seattle a few days ago, and was very much impressed by the magnitude of that project. Naturally my thoughts at once flew to the Creator as they do when I view a work of creation as large as this Grand Coulee is. I saw a sign by the side of the road erected by the State of Washinfon. This is what was painted on the large sign:

BEAD A ROMANCE OF ANTIQUITY
THE GREAT MYSTERY FALLS OF WASHINGTON
3 1/2 miles from bank to bank

" A MILE AND A HALF OF A FOUR HUNDRED FOOT DROP FOR THE CATARACT OF WATERS THAT BEAT NIAGARA'S VOLUME 40 to 1. THE STORY OF A CONTINENT---WRITTEN AS IT WAS MADE---IS THIS GREAT GORGE. FIFTY MILES OF AWE-INSPIRING GRANDEUR. A STUOENDOUS MYSTERY OF ONE HUNDRED THOUSAND YEARS AGO. GEOLOGISTS THEMSELVES CAN ONLY CONJECTURE WHAT TRUNED THE MIGHTY GLACIAL FLOODS OF THE UPPER HALF OF NORTH AMERICA EAST AND WEST FROM THIS HISTORIC CHANNEL. THE MIGHTY MISSISSIPPI---THE COLUMBIA---THE FRASER--THE YUKON---EVEN THE ROMANTIC MCKENZIE--HERE LIES THE SKELETON OF THE FATHER OF THEM ALL".

That evening, on arrival at Seattle, lying on the bed resting a bit, I took a volume out of my grip, and proceeded to read it. It was the story of the Council of Trent which transpired in the year 1545 A.D. You will recall, if you know the structure of the Christian bible, which you probably dont, that it was at this Council of Trent, less than four hundred years ago, that the four gospels were added to the canon of scripture by a vote of priests of the Roman Catholic church.

At that convection or convocation or whatever they called it in those days, quite an argument took place. It seemed that there had appeared, in the hands of monks and priests, a bunch of religious writings, completely anonymous, and as the Catholics and St. Augustine were at that time busily engaged in compiling the "Word of God", these anonymous writing, the outhorship of which never has been known, came in for discussion. For of them were put into what is now known as the New Testament, while some others were omitted because, to quote "they might not be believed".

Anyway, we got four gospels out of the conference, and we got them by a vote of Catholic priests and not by "divine inspiration" of God, as we have been so often told. It is interesting to read and note just WHY we have only four gospels. I quote from a report of that conference, and the speaker is Irenaeus, Bishop of Lyons, and remember, this is less than 400 years ago----"there are four great winds, the earth has four corners, animals have four legs, so we must have four gospels.

It is, therefore, evident that we have four gospels because animals have four legs, and it is also a fact that these four gospels, the only writings which tell the story of Jesus Christ, are completely anonymous, and they were put in the bible as a result of this vote of Catholic priests, and NOT by divine inspiration. These are little known facts, yet every church-member in the whole Christian religion should know of them, because I took them from church writings themselves. WE HAVE FOUR GOSPELS BECAUSE THE EARTH HAS FOUR CORNERS AND ANIMALS HAVE FOUR LEGS. I wonder why the ministers and priests dont tell the general public these things?

Let me give you a quotation, or rather a story from some of these "sacred" though anonymous writings, which were voted out of the "Word of God" because they "might not be believed". And I shall ask you to remember that the authority of the story I am about to tell you, is exactly the same as the authority of the four gospels, for this story is from one of the books which the Catholic convention at Trent decided were not the divinely inspired word of God, although the four gospels, which they voted in, HAVE NO MORE AUTHENTICITY OF AUTHORSHIP THAN HAVE THE WRITINGS WHICH WERE THROWN OUT. NO ONE KNOWS WHO WROTE ANY OF THEM. AND IT IS NOT 400 YEARS YET SINCE THIS COUNCIL WHICH BY A VOTE OF PRIESTS, DECIDED WHAT WAS, AND WHAT WAS NOT THE "WORD OF GOD".

If you ask the leaders of the Christian church today to produce the original manuscripts from which they wrote the "divinely inspired word of God", they have to tell you that they "all got lost". Not a single one of them has ever been known to exist. Yet it took the church 1500 years AFTER the supposed time of Christ, to decide what the "Word of God" is, and it was then decided by a vote of Catholic priests, and not by "The Holy Spirit", as we have been falsely told. I wonder why the Christian ministry does not tell us that, when they solicit our money, as they do, to help spread the "work of the Lord". I am not writing in the strain sarcastically---I am trying to get the truth to the world, including members of the Christian church. Let every reader of this magazine, Catholic or Protestant, ask his or her minister or priest whether the above statements are facts or not. If he says they are not, you write me. But here is the story which was "voted out" because "it might not be believed". And there are scores of other stories of equal value to the works which went into the New Testament.

It is interesting to note, in passing, that the only place where mention of Jesus Christ and his plan of salvation is to be found, is in these four anonymous writings which, by a majority vote of Catholic priests, were voted in as being "the word of God". That's pretty slim authority, that is. It will never save this world. You might ask your priest or minister if that statement is true, also. For that is ALL THE EVIDENCE THERE IS OF THE TRUTH OR FICTION OF THE ENTIRE STORY OF JESUS CHRIST, AND THAT STORY AND THE FOUR GOSPELS, WHOSE TITLES WERE PUT ON THEM, BY THE WAY, BY THE CATHOLIC CHURCH, IS OF EQUALLY SIGNIFICANCE TO THE STORY I AM ABOUT TO TELL YOU. IF THE ONE IS FALSE, SO IS THE OTHER. AND I CLAIM THAT GOD ALMIGHTY, WHO MADE YON COULEE COUNTRY, HAS NEITHER PART NOR LOT IN ANYTHING CONNECTED WITH THE STORY.

One day Jesus was working at his trade as a carpenter. The man who^{he} was working for told him to make some sleeping-benches, about six feet long. But Jesus had other ideas. He said to his partner, "lets not make them 6 feet long, but let's make one board six feet long and the other one five". When questioned as to why the little Jesus wanted to do that, he replied that it would^{be} great fun taking the longer board, he getting on one end and the other fellow getting on the other end, and PUSH- IN THE LONG BOARD TOGETHER UNTIL IT WAS AS SHORT AS THE FIVE FOOTER. Here is another yarn which appears in these anonymous writings, exactly the same origin as the four gospels, and not voted into the "Word of God". I have every ~~one~~ of those "discarded" writings in my possession. They are available to all. Any large book store will sell them to you.

This other story demonstrates what to me is the sheer foolishness of the complete story, and remember folks---THERE IS NO MORE AUTHORITY FOR THE FOUR GOSPELS WHICH CONTAIN THE STORY OF JESUS CHRIST, AND ON WHICH THE WHOLE CHRISTIAN STRUCTURE IS FOUNDED. THAN THERE IS FOR THIS UTTERLY FOOLISH YARN ABOUT "PUSHING THE BOARDS" OR THE ONE I SHALL NOW RELATE TO YOU. It's about time the Protestant church awakened to the fact that their structure is absolutely without foundation. Here is the second story. Jesus and a bunch of other kids were playing on the roof of a house one day, and one of the boys fell off and killed himself. The other boys accused Jesus of pushing this poor devil off, but Jesus denied that. He was arrested, and, to prove his innocence, woke the dead boy up, had him swear that he did not push him off the roof, after which the boy "went dead" again. And there are scores of stories such as these, which the Council of Trent did not vote into the Christian bible "because they might not be believed".

Now the facts I am giving you here go to substantiate my claim the the Spirit of God never has been in anything which hinges on the story of Jesus Christ. I'm sorry to have to say that. But I do say it. And the reason I say it is because the story is not true, in spite of the fact that there has been built round it the whole system of religion known as Christian. I am telling, perhaps for the first time, just where the story came from and what it consists of. I wish every American knew these facts. And you wont find a single priest or minister disputing them either. If you want full and complete information, send to us and get "CRUCIFIED GODS GALORE"

Now back to Grand Coulee. The hand of God was making and building that phenomenal structure a long time ago. Geologists, who know more about nature than any church knows, do not themselves know the age of this earth. Yet, in the beginning, and that must have been millions of years ago, the Spirit of God was at work, not only "moving on the face of the waters" but was moving other places too. Look up tonight, look at the stars in that celestial globe, and consider the might of the Hand that formed them. Then let me ask you---DO YOU BELIEVE FOR ONE INSTANT THAT THE GREAT SPIRIT OF GOD, THE MIGHTY MAKER OF THIS UNIVERSE WHICH WAS MAKING IT MILLIONS OF YEARS AGO AND WHICH IS STILL MAKING IT, DO YOU BELIEVE FOR ONE INSTANT THAT LESS THAN 400 YEARS AGO, THIS GREAT INTELLIGENCE---ALMIGHTY GOD---HAD ANYTHING TO DO WITH THE MEETING OF 180 CATHOLIC PRIESTS WHO, BY A MAJORITY VOTE DECIDED WHAT THE "WORD OF GOD" WAS AND WHAT IT WAS NOT? Of course you don't. Neither do I. Neither does anyone else who has the ability to think.

So far as I am concerned, that whole story is made up of the imaginings and originations of a group of men who, desiring to start a system of religion, had the audacity to tell their followers that Almighty God, the Creator of the stars above, the Creator of Grand Coulee, the Creator of the Grand Canyon, gave unto the hands of that group of men the keys of the Kingdom of God, and ordained that whosoever this gang "saved" should be "saved" and whosoever it "damned" should be "damned". FOLKS---I DON'T BELIEVE IT. YOU CAN IF YOU WANT TO, BUT I DON'T BELIEVE YOU DO. And just so long as I do not believe that story, and just so long as I am the human agent through which a far nobler conception of God is being given to humanity, just that long shall I tell the world the truths of the Spirit of God as I ~~believe~~ those truths exist.

This "PSYCHIANA" Movement is no man's play thing. Let none think that. It is the most dynamic religious Movement this world has ever known. I mean religious Movement. It is very definitely a Movement of the True God on the earth, and through this Movement the Power of the Spirit of the True God (not the church god) is being made known to the human race. Nothing less than the Spirit of God can stop this brutal war and bring universal peace to the human race. The "Missionary Convocation" held today can't do it. The Roman Catholic church can't do it. The Protestant church can't do it, but the Spirit of the True God can do it, and it is that Spirit we of the "PSYCHIANA" Movement are teaching. The method is simple, beloved. You can find it in your own home just as easily as I did.

For the fact is that the Spirit of the Living God exists IN YOU, and can be found by you any time you want to find that ~~God-Power~~ God-Power. For THE CREATOR EXISTS IN THE CREATION. HE DID NOT MAKE A MISTAKE WHEN HE CREATED MAN, DOOMING HIM TO HELL UNLESS HE SUBSCRIBED TO SOME CHURCH PHILOSOPHY, OH, NO--NOT THAT. I grant these differing church organizations are all earnest, and they actually believe what they are teaching. But folks--the God of this World is too big a Spirit to ever give the "keys" to His Kingdom to anyone. And when the Pope of Rome makes the statement he made not long ago that he is "the only one authorized to act and teach for God", regardless of how much he believes that statement---I SAY IT IS NOT TRUE. And the Council of Trent, with its vote on these anonymous writings proves it is not true.

There will be one universal religion in the future. In that religion will be united all men. It will neither be Protestant nor Catholic nor Hindoo. It will be universal, and without any bibles, simply because MAN SHALL AT LAST DISCOVER THAT THE GREAT SPIRIT ---GOD---WHICH CREATED GRAND COULEE AND MAN HIMSELF ---STILL LIVES IN MAN, AND MAN CAN FIND ALL THE POWER OF THE SPIRIT OF GOD HE NEEDS THROUGH THE POWER OF THE SPIRIT OF GOD IN HIM. That is the message of "PSYCHIANA" to the world. Inside of ten years, the world will see that day.
