TO MY FELLOW-AMERICANS EVERYWHERE:

This is a message of staggering import to you my friend. There is packed into this letter, a message of such dynamic import that you cannot afford to miss what I am writing to you. As a matter of fact, your whole life, present and future, can easily depend upon what you do with this letter and the shimmering message it contains.

Of course, you can throw it away if you want to. Some people will. But if you do, you could be throwing away something which you can ill afford to do without. You can throw into the waste-paper basket the one opportunity which can have such staggering import in your life, and the lives of your loved ones. Many will do just that. But that is their look-out. Not mine.

The average American though is looking for the answer to the chaos and fear and perhaps the terrible tragedy of another war. We hope The FOUR HORSEMEN never ride again. No one hopes that more than we do. BUT THEY MAY. It certainly looks like it at this writing. But whether they do or not, our message to you is such that the entire tenor of your life can be changed, and in all probability will be, if you will listen to us for about three minutes. If there is anything good which is lacking in your life, such as Health, Wealth, Happiness, Quietude, Peace and Joy, then our message is for YOU.

So to be fair with yourself, forgetting us completely, read very carefully the message contained within please. If you miss out on ALL the good things of life, the fault will be yours—not ours. TURN THE PAGE.

Page 1

**YOU KNOW THE POWER EXISTS.
SOMETHING WITHIN YOU KNOWS.**

WHAT WE HAVE SEEN IS BEYOND BELIEF!

Page 2

**YOUR LIFE CAN BE LITERALLY TRANSFORMED
YOU MAY HAVE ALL THE POWER YOU NEED**

Yes—and if you will allow it to, that "something within" will inevitably lead you to the answer you have looked for all your life. You know two things, subconsciously. You know that there MUST exist somewhere, the POWER which created man, and which, if found, can liberate man from all wars, poverty, sickness, disease, hate, distrust, and fear. That is one thing your common-sense tells you is true.

The second thing you know is that somewhere, sometime, someone is going to discover that POWER, and reveal to the human race just how it may be used to eliminate the above-mentioned things, and, finally, when the fullness of that POWER is known, eliminate death itself. Such a Power of course must be the Creative Spirit of Life behind all creation. IT MUST BE THE ACTUAL POWER OF GOD.

WHAT YOU DO NOT KNOW IS THAT THIS POWER IS AVAILABLE TO EVERY NORMAL HUMAN BEING NOW. Yes my friend—the discovery has been made. We say to you what we have been saying for the past twenty years—that ALL THE POWER OF GOD IS INSTANTLY AVAILABLE TO YOU NOW. Yes—we mean just that. We mean even more than that. We mean that you can discover scientifically, just how to find and use this most staggering of all Forces or Powers—The Power of The Spirit of God. But keep reading. Don't go off at a tangent and think that some irresponsible religious "nut" is talking to you. That is far from the truth. If any religious organization ever demonstrated the actual POWER OF GOD on the earth, we are that organization.

But there is one thing YOU MUST NOT DO. You must not confuse us with systems of religion calling themselves "orthodox," for we are a long, long way from that. As a matter of fact, our Founder has been thinking about fifty years ahead of his time, and at this very moment is displaying more faith in God than "orthodoxy" ever displayed. This new and electrifying concept of God is vitally and fundamentally TRUE. If it were not you would not be reading this, for the writer has no time at all to waste teaching a religion which will not work. So, let us understand each other before you read further—shall we?

We do not come to you with theories of "immaculate conception," "virgin-birth," "crucifixion" and "resurrection." We are aware that most "orthodox" religions do just that—BUT WE DO NOT. WE ARE NOT ORTHODOX. We are superheterodox. In other words, WE BELIEVE THAT THE UNKNOWN POWER OF GOD IS ACTUALLY AVAILABLE TO EVERY NORMAL MAN AND WOMAN NOW, the teachings of "orthodoxy" notwithstanding. We respect the views of "orthodoxy." They can have them. But we reserve the right to bring to you, fellow-American, WHAT WE BELIEVE TO BE THE TRUTH ABOUT THE EXISTENCE OF THE SPIRIT OF GOD. That . . . is our American right, and if you're a true American, you'll grant us that right. BUT READ ON. You'll be surprised before you come to page four.

Page 2

MIRACLES BY THE THOUSANDS.

JUST KEEP READING . . . YOU BELIEVE US

Page 3

**WHAT IS YOUR WORST PROBLEM?
MAKE UP YOUR MIND, THEN GET RID OF IT**

Every major religion of posterity has claimed miracles for its God. We make the same claim but there's a difference. THE PSYCHIANA GOD PERFORMS ITS MIRACLES—NOW, when all can see and secure the benefits of them. What are some of these miracles? Well—let us see. When one of our Members is afflicted with a so-called "incurable disease" and The POWER of God heals that one, we call that a "miracle". When one has grovelled in poverty and insecurity all one's life, and suddenly discovers The POWER of God can change all that, bringing complete abundance—we call that a miracle too. When a family has tried time and time again to have domestic harmony and peace and has failed, then suddenly that family finds the actual and literal POWER OF GOD—we call that a "miracle". As a matter of fact, WE CALL EVERY OUTSTANDING MANIFESTATION OF THE POWER OF GOD IN ANY LIFE, a "miracle," don't you?

Well if you had seen what we have seen the past twenty years of THE ACTUAL AND LITERAL POWER OF THE SPIRIT OF GOD IN OPERATION IN HUMAN LIVES JUST LIKE YOURS—you would call them all "miracles" too. We receive daily so many of these happenings that we cannot even begin to keep them all. It should be sufficient to say that in the twenty years of our existence, MORE THAN 500,000 UNSOLICITED CASES HAVE VOLUNTARILY TOLD US WHAT THE POWER OF GOD HAS DONE IN THEIR LIVES. And the wonderful part of it all is that there never can be a limit to what The Spirit of God can perform in any life, INCLUDING YOURS, which will allow It to. Think that over. We're not talking about what God can do AFTER YOU DIE—WE'RE TALKING ABOUT WHAT THE SPIRIT OF GOD CAN DO FOR Y O U, WHILE YOU ARE ALIVE, AND WHILE YOU CAN APPRECIATE THE FULL BENEFITS OF COMMUNION WITH THE SPIRIT OF GOD.

With this circular letter, we are including just a very few of the hundreds of thousands of letters we have received, telling what this newly-discovered POWER of GOD has done. What your peculiar problem is we have no way of knowing. Nor does it interest us very much, because we know, after twenty years of teaching men and women how to ACTUALLY FIND THE SPIRIT OF GOD, that there can be no problem or situation which The Almighty cannot solve. Other religions tell us we must all die first, then, in heaven, if we pass muster here, and after judgment, we shall live forever with the angels.

We have no quarrel with that teaching. Under the Bill of Rights 140 million Americans can hold 140 million different concepts of God. We just simply do not accept it. We have our own discovery of the Spirit of God, and the foundation of this entire Movement lies firmly established because our Founder "TALKED WITH GOD," and as a result of that little "TALK WITH GOD," The Almighty gave Dr. Robinson a spiritual experience he is not likely to ever forget. Telling that experience to others has showed them that ALL THE POWER GOD HAS IS AVAILABLE TO ALL MEN AND WOMEN, NOT SO MUCH "ABOVE THE SKIES" AS HERE AND NOW. THAT'S A REVOLUTIONARY TEACHING, BUT IT'S NOT TOO MUCH TO EXPECT GOD TO BE ABLE TO DO. OR IS IT? We do not believe it is. We have an all-consuming faith in God, and what we have seen in the past 20 years, has abundantly proven our faith to be true.

WHAT FUNNY PEOPLE YOU ARE.

WE ARE COMPLETELY NON-PROFIT

Page 4

The PSYCHIANA Movement
MOSCOW, IDAHO

Oh no. We're not funny people. We are just plain Americans like you. But with this difference. We have had a revelation of The POWER of The Spirit of God. We have seen what a miracle-working POWER it is. We have seen for twenty years what this POWER OF THE SPIRIT OF GOD, can do, and so we lose no time in telling the world about it all. We care very little who likes or dislikes our methods or our advertising. We are not bound by tradition of any sort. Our message is plain, simple, and can be very easily understood. The results automatically follow. There's no mystery about it. Except one—THE MOST AMAZING MYSTERY OF ALL TIME LIES IN THE FACT THAT SO LONG AS YOU LIVE, YOU HAVE THE ABILITY TO CONTACT AND USE ALL THE POWER GOD HAS, BECAUSE THE SPIRIT OF GOD ACTUALLY AND LITERALLY LIVES IN YOU, GIVING YOU LIFE MOMENT BY MOMENT. We simply show you how to find and use this shimmering Power. And we know how to do that.

We have no churches, and only a handful of ordained ministers. Yet this is the most dynamic, revolutionary religious Movement this world has ever known. The full significance of it is beginning to dawn on "orthodoxy." After twenty years ministers of all faiths are beginning to open their eyes. You hear it on every hand—"THAT MAN ROBINSON IN MOSCOW, IDAHO, REALLY HAS SOMETHING." They are correct. But we have nothing they do not have. The only difference is that we know how to find and actually USE the POWER of The Spirit of God, and we know how to teach others how to do the same thing.

Your money, my friend, does not interest me. Operating by mail, as we have for twenty years, and as big as we are, certainly money must come to us, as our operating expenses run to almost \$500,000 a year. It is only fair that our Members should meet that expense. But don't let the fact that our Members must pay for our Lessons throw you off the track. We operate under an Idaho non-profit religious charter. We are recognized. Our property is all tax-free, and we are possibly the seventh or eighth largest religious organization in America. We have but one aim in life, and that is to bring to all willing men and women, absolutely authentic and accurate knowledge of what The Spirit of God can do for you—RIGHT HERE ON EARTH. And if there are limitations to what The Almighty can do for YOU, we do not know what those limitations are.

So it's up to you fellow-American. There is, in addition to the list of "miracles" or "near-miracles," an application for Membership. We invite you. History is being made these days. Don't be surprised at what you see The Almighty doing in the future. And remember, The Spirit of God actually lives in you, and can be made instantly available. It can solve your every problem if given an opportunity. In fact there's NOTHING that Great Spirit cannot do for you, if it is for your own good. Thank you for listening to us. You may mail your application for Membership to:
