"Psychiana is so wonderful and has been the real turning point in my life. There is nothing "just as good". My son took your book "THE PATHWAY TO GOD" overseas with him. He was one of Gen. Wilson's right-hand buddies. Psychiana always places you where you are fitted best. Dr. Robinson, I shall always feel so indebted to you. Your Psychiana always paints such a beautiful picture IN REALITY. Thank you again for the wonderful good it brought me".

CHIDESTER ARK. 10.10.46

"I feel it my duty to tell you of the health and happiness and material welfare the God-Law has brought to me. The mighty Life-Spirit has healed my body of an illness that I have suffered with for 5 years. It has made my body whole. I did not know the Power of God was right here on earth. I was taught that was up in the sky....now I know that the God-Realm is a living, spiritual Realm. May The Spirit of God bless you".

CANTON, OHIO 11.16.47 MEMBER NO. 38121

"The more I study your Lessons the more I like them. They surely are wonderful. I suffered 25 years with both of my legs, spent much money for medicine which did not heal me. Today I am free of it. Thank you, Thank you, Thank you ever so much for your help, not only for this, but for the wonderful God-Law you have brought to me".

AUSTIN MINN. 11.1.46 MEMBER NO. 357412

"During the polio scare, my two grand-children came down with a severe fever. I told my daughter not to worry about it as I knew it would all disappear in the morning. I went to work as you told me in your Lessons, and the next morning they were out playing and everything was just fine. There have been so many instances like the above that I am absolutely convinced that the Power does work....thanking you so much for your Lessons and what they have done for me".

NEWARK N.J. 10.28.46 MEMBER NO. 289656

CHICAGO, ILL 9.26.46 MEMBER NO. 25A4289

"I am writing to let you know that I can never express in words how grateful I am for what you did for me. I was going to a doctor twice a week when I enrolled with you, and when I got your first Lesson, I stopped going to the doctor, putting myself in the care of the Mighty Life-Spirit. I am doing fine both spiritually and in a material way. I am strong in the Power of the Mighty Life-Spirit".

EL CAMPO, TEX 9.24.46 MEMBER NO. 299061

"I feel that I have a duty to perform in acknowledging the manifestation of the Power of the Living God in my life, which I can no longer doubt..... at the time I wrote you I was out of a job and had been for some time, and, not being very young, I was beginning to wonder if that terrible time of which I had been warned, was at hand, when no one would want me because of my age. Then, one week after starting with you, I received a telegram to come here to El Campo. It was definitely a step out of my troubles, for any job was better than no job.....well the light began to break a little for me after the fourth Lesson. And things began to happen in rather a startling way, for I received two offers of very good positions within a few ~~hours~~ hours of each other, and one was by telegram and I had not even applied for it. There have been coming into my life, other manifestations of this wonderful new Power...".

PEORIA, ILL. MEMBER NO. 25A4323

"I am very grateful for my Lessons. The last Lesson, No. 11 is a masterpiece....the growth on my throat is getting smaller, and unless you look closely you cannot see it. I had other good things that I asked God to help me with, and they all turned out O.K.....I wish everyone would study Psychiana....God bless you and may you find out more about the God-Realm so that wee too ~~##~~ can study and be benefitted".

LA PORTE, IND. 9.21.46

"Permit me to add my voice to those others who praise your great work and bless you. My good friend, ~~Catherine~~ Elizabeth Cowles, who urged me to study with you, has my undying gratitude. She is a devoted Student of yours...the comfort and inspiration I have found is limitless and much more precious than anything mere money can buy....thank you for sharing with us your wonderful revelation. God bless you and all that you do".

MILLVALE, PA 9.17.46

"I really don't know how to begin or how to say what a wonderful Power you have given to me. If only the public would realize ~~##~~ how wonderful this living Force is, this world would be a paradise. They say life begins at 40. Being a man close to the 40 mark, I am beginning to realize what that means, for your Teaching has lifted me to a great height, knowingly that there are great things to be had in this life. I want to thank you for having inspired me, in having put me on the right road to happiness".

HOUSTON, TEX. 9.16.46

"My wife wrote you in regards to her health about ten months ago. One specialist told her that she would have to have an operation, and that she never could have any children. Upon receipt of your reply, she has improved in health, but most of all we are the proud parents of a baby girl, 8 pounds 4 ozs at birth. We are indeed happy about everything and want to thank you for your kind interest in this case. Also about 3 years ago I wrote you telling you about my mother's bad health. The decision of 3 doctors was that she could not live more than two or three months, ~~###~~ as she had gangrene in her leg. She is still alive and doing well".
