A WORD OF EXPLANATION

On the Student's Registration Certificate, you will note different spaces for the different amounts to be donated to this Movement by our Students. Some are more prosperous than others, and I purposely made plans for those who are able to donate, say \$5.00 or \$10.00 a month, or any other sums on the blank, to do so. Then I left an open space at the end of the column, and intended Students who did not feel they could contribute \$2.00 a month, to write in the amount they could pledge.

Some Students have written saying they are unable to send \$2.00 a month but could pledge themselves to pay \$1.00 a month, and these good Students want to know if this will be acceptable. Of course it will. I have carefully tried to come to a donation figure which will enable us to cover all of our expenses. Before I placed this Teaching on a "free-will donation" basis, I made a flat charge of \$20.00 for 20 Lessons, or \$1.00 down and \$2.25 a month for 11 months. I am trying to get away from that.

I want as many as possible to receive this Teaching. I don't want to charge for it, yet our overhead **MUST** be paid. In this, as in all else, we have an implicit faith in God. It would not be possible for me to be disseminating actual Truths of God, and ever have anything financial happen to this Movement. If you can send in \$10.00 a month, send it in. If you can send \$100.00 a month, send that in. If, on the other hand, all you can send in as a donation is One Dollar a month, then send that.

The main thing is that you let us know immediately what you can send. Then I shall be able to have some idea of how much advertising we can order. Just do whatever the Spirit of God lays it on you to do.

May the Spirit of Infinite Peace be with you always.
