

Essay

THE POWER OF GOD

(MAN TALKS WITH GOD)

Mary

Count that day lost when hope has fled. Each one must keep thy precepts by faith. Let the sum of thy word be truth. In each heart understanding must take root. And Charity dwell forever.

Surely God speaks to me thru " Thy hands " His work to do. On every tongue HIS PRAISES are sung.

Loving Kindness under the shadow of "Thy Wings." Only LOVE and Nothing but LOVE can rule the world, for GOD IS LOVE.

An understanding heart is one of Charity. But only one, GOD ALMIGHTY is Holy, merciful, mighty, and PERFECT in POWER, LOVE, and PURITY.

Your student,

Mrs. M.
