

# My Prayer

NEVERNIE PEDRO

DEAR GOD, WE ARE ONE WITH THEE

We are one with the stars and the nightwinds  
And the slow, deep moving sea;  
We are one with the sweet birds singing,  
Dear God, we are one with Thee.

We are one with the crags in the mountains,  
And the storm-tossed forest tree;  
We are one with the sun-kissed meadow,  
Dear God, we are one with Thee.

We are one with the toil-worn worker,  
And the children laughing with glee;  
We are one with the soul-sick sinner,  
Dear God, we are one with Thee.

In the ebb and the flow of Thy life breath,  
Thou, who maketh all things that are and are to be,  
In the depth of Thine infinite silence,  
Dear God, we are one with Thee.
