*What Is  
"Psychiana"*

A CONCISE YET COMPREHENSIVE BROCHURE EXPLAINING IN DETAIL THE WHOLE "PSYCHIANA" MOVEMENT

OF GOD AND THAT THE SPIRIT OF GOD  
LIVETH IN YOU?”—*I Corinthians 3:16.*

# "I Talked With God"

(Yes I Did - Actually and Literally)

and as a result of that little talk with God, a strange Power came into my life, After 42 years of horrible, dismal, sickening failure, everything took on a brighter hue. It's fascinating to talk with God, and it can be done very easily once you learn the secret. And when you do—well—there will come into your life the same dynamic Power which came into mine. The shackles of defeat and fear which bound me for years, went a-shimmering—and now—well, I am President of the News Review Publishing Company, which corporation publishes the largest circulating afternoon daily in North Idaho. I own the largest office building in my City. I drive two beautiful cars, I own my own home which has a lovely pipe-organ in it, and my family is abundantly provided for after I'm gone. And all this has been made possible because, one day, twelve years ago, I actually and literally talked with God.

You too may experience that strange mystical Power which comes from talking with God, and when you do, if there is poverty,

unrest, unhappiness, ill-health, or material lack in your life, well—this same Power is able to do for you what it did for me. No matter how useless or how helpless your life seems to be—all this can be changed. For this is not a human power I'm talking about—it's a God-Power. And there are no limitations to the God - Power, are

there? Of course not. You probably would like to know how you, too, may talk with God, so that this same Power which brought these good things to me might come into your life too. I have written the strange, almost unbelievable story in two booklets, and I have given away literally millions of copies of them. As a matter of fact, the story has been told in 67 foreign countries, and in every city, town, village and hamlet in America. It has been written up by such outstanding periodicals as Time, Newsweek, Magazine Digest, and scores of other internationally-known publications.

I want to give you these two booklets. I want to give you also illustrated circulars, and copies of letters which tell what is being accomplished all over the world through this new strange Teaching. If you will send me your name and address on a post-card or in a letter, these two booklets will come to you free of charge. This experience may sound unbelievable, but it's true or I wouldn't tell you it was. The address is Dr. Frank B. Robinson, Dept. 18, Moscow, Idaho.

## THERE'S REAL POWER HERE

★ "Psychiana" is a non-profit religious corporation. The Movement was born in Moscow, Idaho in 1928. It is internationally known as the largest religious Movement in the world operating entirely by mail. Our conception of God is positive and dynamic. Over 150,000 unsolicited letters have been received, each telling what has been accomplished through this new Power which is the Spirit of God. The sole aim of this Movement is to bring to all men and women consciousness of the fact that the most dynamic Power on the earth today is the Power of God. This Power is very real. You may know what it can do for you. All preliminary and explanatory information is free. Requests for booklets filled in order received

*Perhaps the most outstanding piece of mail-order copy ever to be written. For many years hundreds of newspapers all over the county have carried the above piece of copy. It is impelling. It is compelling. It stops the readers of newspapers dead in their tracks. Therefore . . . it is good copy. The object of successful advertising is to attract attention. Any piece of advertising copy which will not do that is not worth the cost of its insertion. All "Psychiana" advertising is conceived and written by Dr. Frank B. Robinson, founder of "Psychiana." He is recognized to be an outstanding expert in the mail-order advertising field. He has been written up by "TIME," "NEWSWEEK," "PIC," "MAGAZINE DIGEST," "ADVERTISING AGE," "THE EDITOR AND PUBLISHER" and literally scores of other publications. All recognize his ability.*

# *The Corporate Structure of "Psychiana"*

THE "PSYCHIANA" MOVEMENT is a non-profit religious corporation. It operates under Idaho religious charter, perpetual existence, and is authorized to operate in every state in the Union. It therefore is in the same religious class with the rest of the major systems of religion. No one connected either directly or indirectly with the movement ever can draw one penny of profits or dividends. That is prohibited by law.

A former corporation was also non-profit. When the movement was born, in 1928, it was decided that at no time should it be a profit-making movement. Dr. Robinson is paid a salary of \$9000 a year. He has the ability to make many times that much if he so desires. However, he is not interested in making money—he is interested in making God a living reality in human lives. One look at the world will convince the most fervent believer that some new conception of God is necessary if permanent peace is to come to this earth.

The "Psychiana" Movement does not accept any of the dogmas of orthodoxy, and plainly states that fact. It has that right. It also has the right to bring to the American people what it believes to be the true conception of God. "By their fruits ye shall know them," said a great prophet. "Psychiana" may be known by its fruits in human lives. Those fruits have been good.

*(See back of brochure)*

THIS IS A RECENT PHOTO OF DR. FRANK B. ROBINSON, the founder of the "Psychiana" movement. Early in his youth, a deep religious sense of duty began to manifest itself in his life. He was trained for the Baptist ministry, and studied at the Bible Training School in Toronto, Canada. It soon became evident, however, that "orthodox" beliefs did not satisfy Frank B. Robinson. He was more interested in facts than he was in traditions. Many of the religious traditions he was taught did not appeal to him, so he began an independent search for God—this time alone. He found God. Old things went out of his life and were replaced by the actual living power of the Spirit of God. Soon, this power of God became quite manifest, and the "Psychiana" Movement was born, in Moscow, Idaho. Up to that time Dr. Robinson had been a drug clerk in the Corner Drug Store in Moscow.

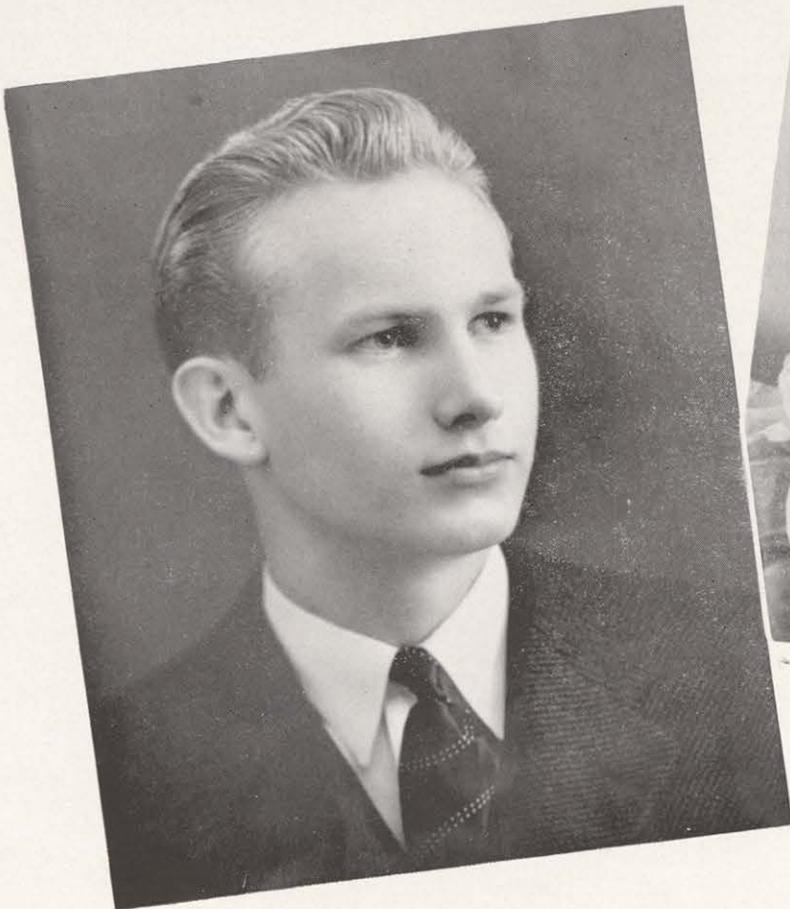

Inside of one year from the day Dr. Robinson released the "Psychiana" teaching, it was going into 67 different countries. Today, it is known as the fastest growing religion on the face of the earth. And all this is done by mail. "Psychiana" has no churches, no ministers, and conducts no services. It appeals to men and women who will not go to any church or religious service. It is strictly a "mail-order" religion. Its logic and power appeal to all. (See next page for one of Dr. Robinson's vast audiences).

DR. ROBINSON is too busy with the "Psychiana" movement and his writings, to do much public speaking. Yet, whenever he does appear in public, he commands the very largest crowds. His audiences are outstanding for their high type. As an orator, Dr. Robinson has few peers. Intensely in earnest in his desires to make God a Living Reality to the world, he speaks with a suppressed emotion which is almost spectacular. In his meetings you can hear a pin drop. The Power of God is very evident whenever and wherever Dr. Robinson speaks. The above picture was taken in The Philharmonic Auditorium in Los Angeles. The meetings were held for five days, September 21st to 25th, 1941. The huge Auditorium was packed to the doors, and thousands were turned away. Truly the world wants the "Psychiana" message. On the platform with Dr. Robinson is his friend, Ernest Holmes, Dean of The Institute of Religious Science and Philosophy in Los Angeles. The two Movements are in close co-operation with each other.

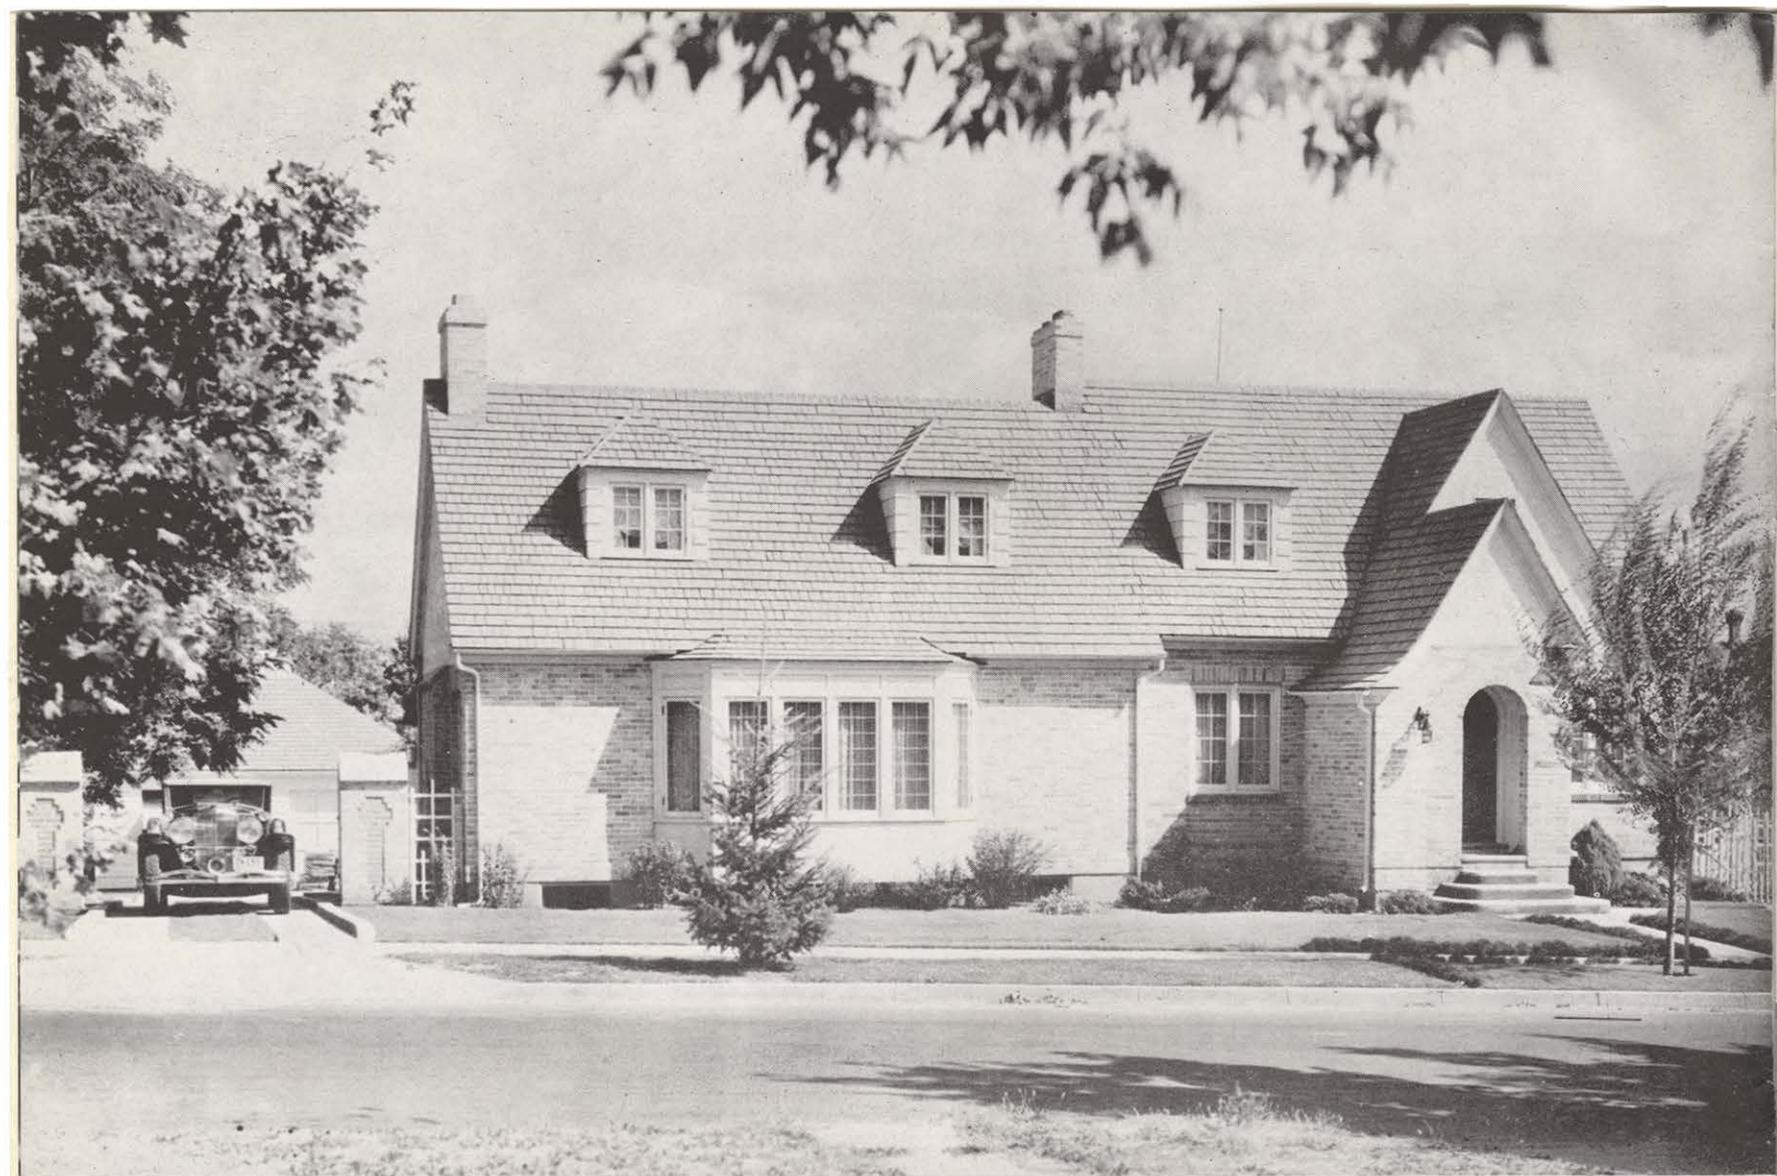

MRS. FRANK B. ROBINSON . . . *It would be impossible to find a more beautiful family than the Robinson family. It is a home of deep-seated love and affection. There are no quarrels in this home. It reflects the character of Dr. Robinson. Mrs. Robinson is the youngest daughter of Circuit Judge A. L. Leavitt of Oregon. (Now deceased). She has been married to Dr. Robinson for 23 years. She is a Past Worthy Matron of the O. E. S. and is very active in civic affairs. Everyone loves the Robinson family. They are heavy donators to charitable organizations.*

*Alfred Bruce Robinson is now 19 years old. He recently enlisted as a Flying Cadet in the U. S. Navy.*

*Florence Robinson is ten years old as this is written. She is a student at the Moscow Grade School, and makes very high grades. Both of these children are passionately fond of their parents.*

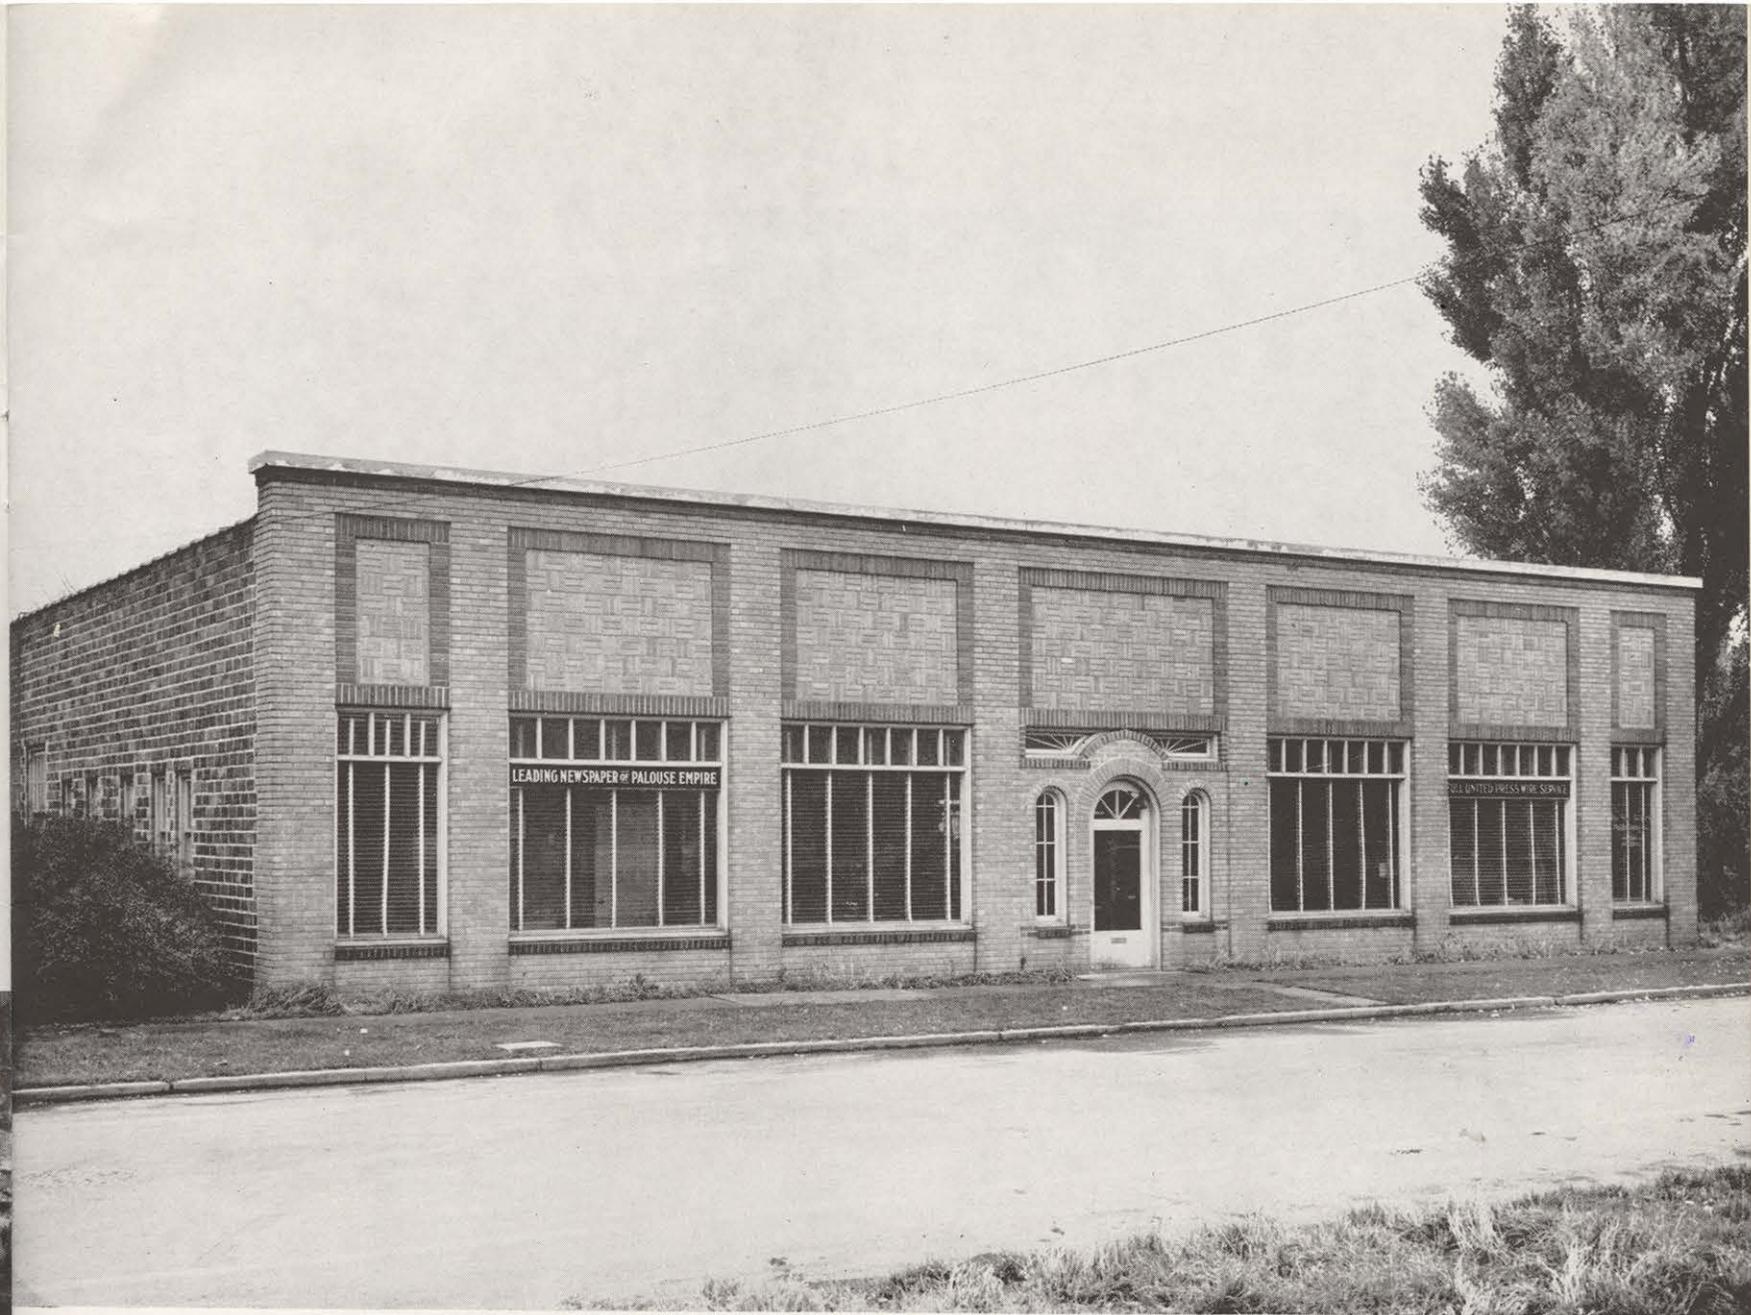

*This is a picture of the Robinson home in Moscow, Idaho. In it Dr. Robinson has his second study, the other one being in the "Psychiana" Building in down-town Moscow. This home won a national contest in a "Better Homes" series of photographs. Dr. Robinson enjoys this home, and, whenever he is in Moscow, is hard to tempt away from it. Thousands of Students visit Moscow to see Dr. Robinson every year.*

*This Professional Building was built by Dr. Robinson in 1936. It houses most of the doctors and lawyers in Moscow. The Exclusive Prescription Pharmacy is also housed here. Oscar Bakke is the pharmacist in charge. There is a private telephone service to all doctors' offices, and this building is the most modern and up-to-date in the Inland Empire. It is surrounded by attractive shrubbery, and is an asset to Moscow, Idaho. Dr. Robinson is very civic-minded and is highly respected throughout all Idaho. He was a close friend of the late Senator Wm. E. Borah, who often visited him in his home.*

*This is a picture of Robinson Park, named in honor of Dr. Frank B. Robinson. Some five years ago, the U. S. Government agreed to build a dam creating a fresh water lake, if somebody would buy the land and donate it to Latah county. Dr. Robinson bought the land, and Robinson Park is enjoyed by many thousands every summer, and in the winter too, when there is usually fine skating. Fireplaces, running water, benches, and other conveniences have been built and the lake has been stocked by the state of Idaho with bass and trout. It is now a U. S. Government game preserve.*

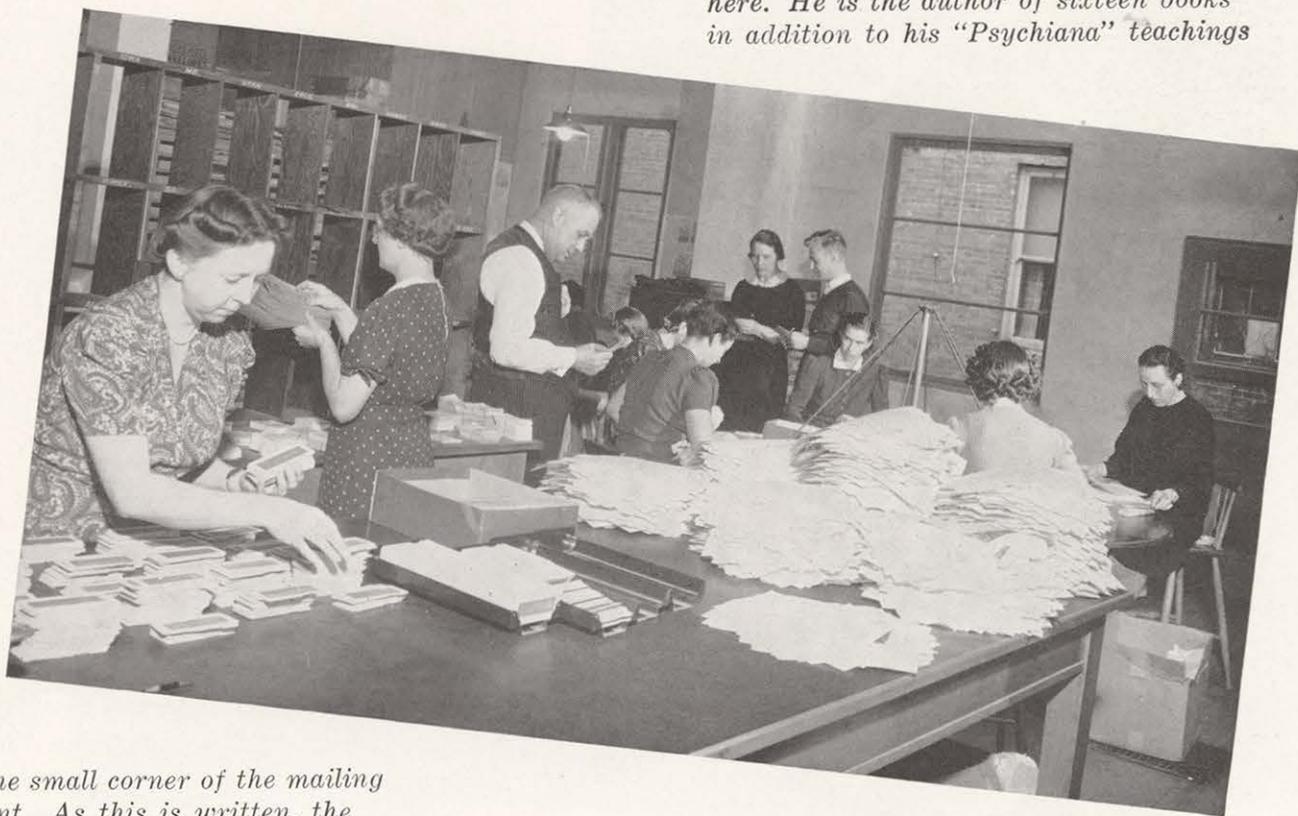

*Home of the Daily Idahoian—largest circulating afternoon newspaper in North Idaho. It is not connected with the "Psychiana" teaching. This paper is an A.B.C. paper, and holds membership in the A.P., the U.P., is a member of the State Editorial Association, etc. W. T. Marineau is the M.E., Mr. L. A. Boas is the city editor, and John F. Montgomery is the advertising manager.*

*This is "Bill" Marineau, M.E. of the Daily Idahonian, and close friend of Dr. Robinson. Some eight years ago "Bill" was running a weekly in Elk River, Idaho. Printing costs being too high, Dr. Robinson decided to buy "Bill" out, which he did, and the plant was moved to Moscow. Later, the Daily Idahonian was brought into existence, and this is the only daily newspaper in Moscow at this time. Dr. Robinson is president of The News-Review Publishing Co., publishers of The Daily Idahonian. Mr. Marineau served several terms in the Idaho State Legislature, is a Past-Commander of the Dudley Loomis Post of the American Legion, and at the present writing is a member of the local draft board. He has a wife and two fine children. He is a good newspaperman.*

*This is a picture of Dr. Robinson's downtown study in the "Psychiana" Building. Much of Dr. Robinson's writing is done here. He is the author of sixteen books in addition to his "Psychiana" teachings*

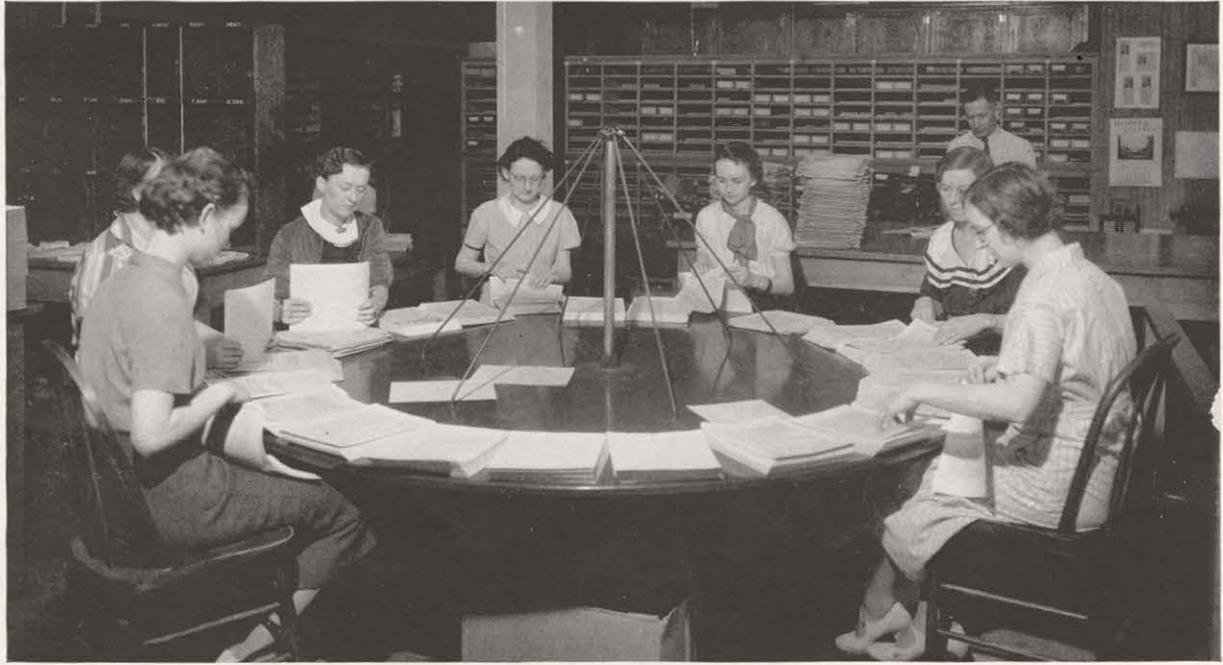

*Here is one small corner of the mailing department. As this is written, the postage bill for the past ten days was in the neighborhood of \$200 a day. Some twenty-six people are employed in this department. Then there is an accountant, two cashiers, and five girls in the Lesson mailing department.*

*The Rev. W. W. DeBolt, D.D., is Assistant to Dr. Frank B. Robinson. He takes care of all correspondence with Students about the Lessons. He uses a dictaphone, and more than 200 personal Students' letters go out every day.*

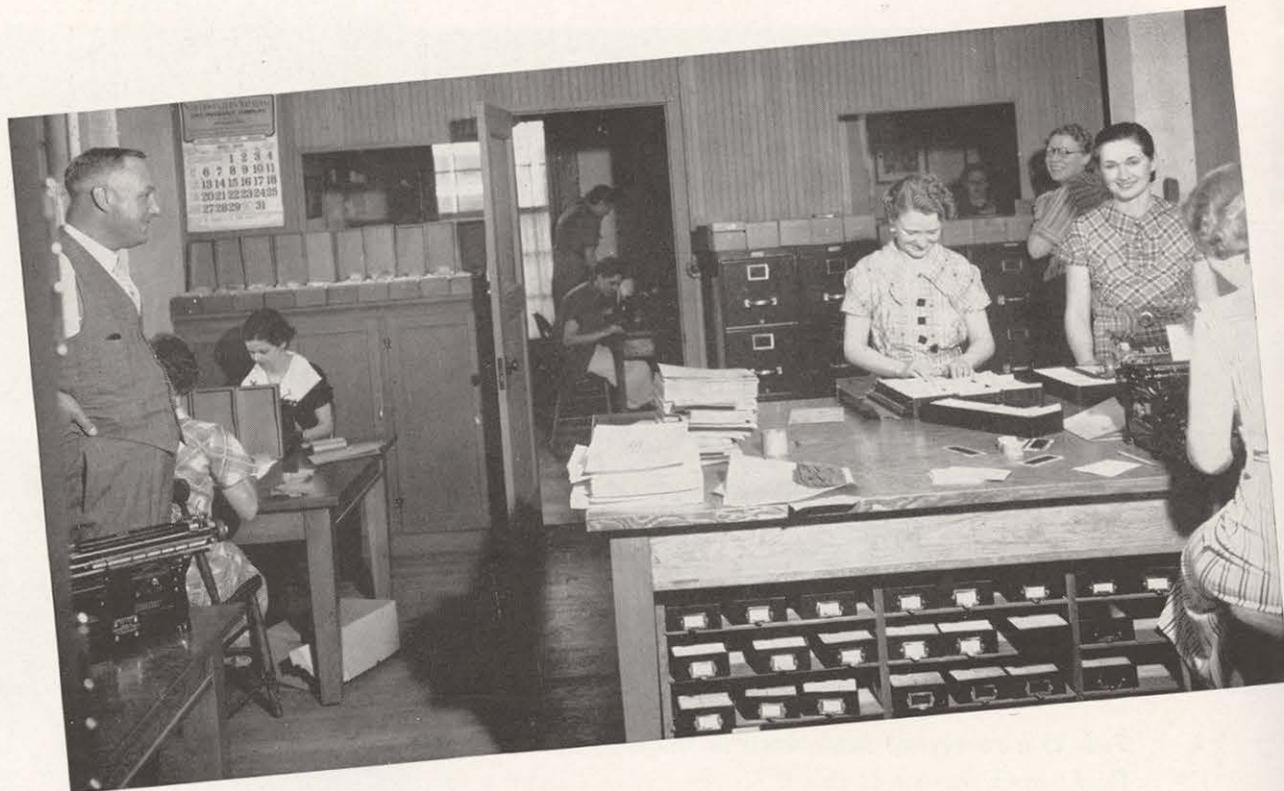

*This is Elmer F. Anderson, Cashier and Accountant of "Psychiana" Inc. He has been with the Movement since its inception, and was formerly an assistant cashier of a Moscow bank.*

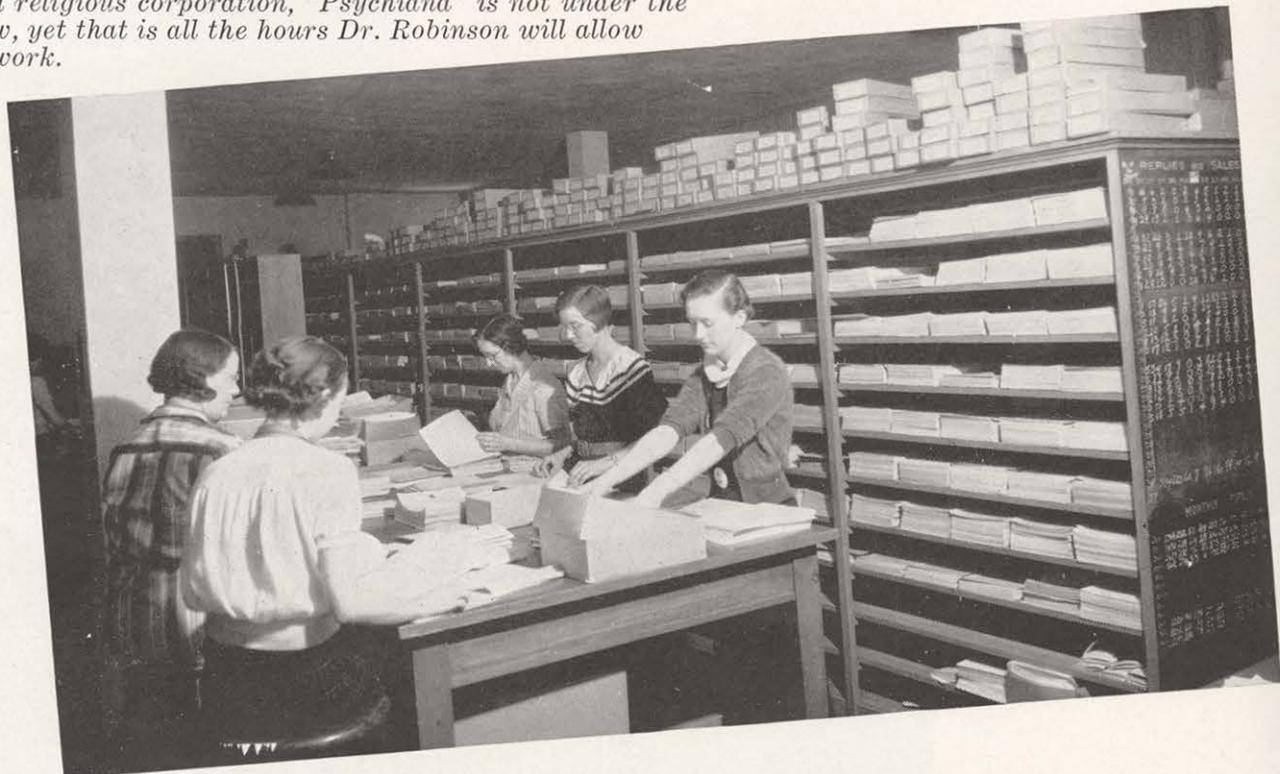

*This is a revolving table used in the assembling of the literature. Eight girls can sit at this table, and in one hour, enough of each Lesson or follow-up can be assembled to suffice for that day. The table revolves by underneath motor.*

*This is a picture of the Lesson mailing department. Over 65,000 active accounts are gone over every day, and new Students' cards are made out. Monthly payments are credited, and the new Students sent their first Lesson. Most of the employees in this department have been with us for more than seven years.*

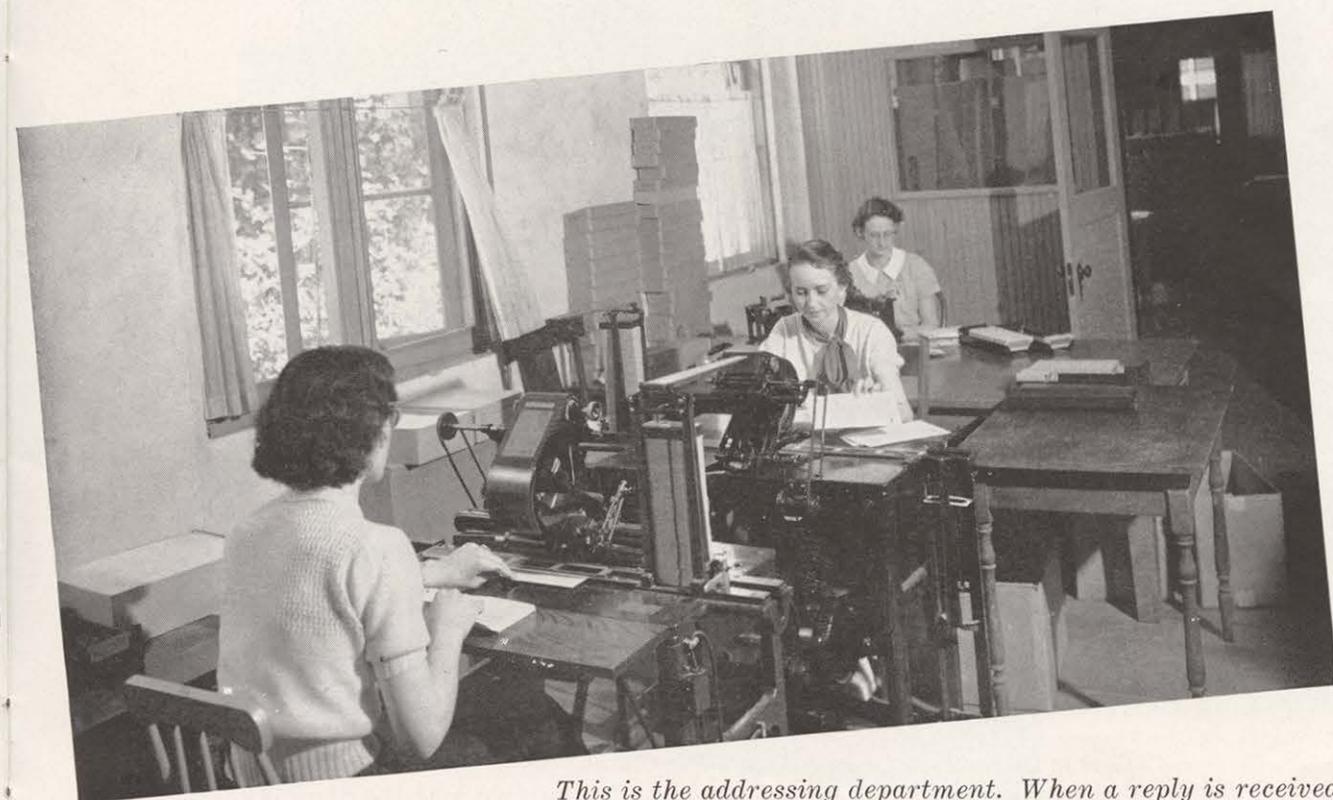

*This is the Lesson mailing department from another angle. Dr. Robinson is standing in the doorway. We do not believe there is a happier group of employees anywhere. They work only 40 hours a week, and are very well paid. Being a religious corporation, "Psychiana" is not under the 40 hour a week law, yet that is all the hours Dr. Robinson will allow his employees to work.*

*This is a small part of the Inquiry mailing department. The replies roll in by the thousand, and every reply which has come in that morning has the literature on its way before that same evening. All reply literature is sent first-class mail. No permit is used on this mail. Envelopes are bought by the million, and they leave here by the tens of thousands daily. If 1000 replies are received today, that means that 50,000 different printed sheets of literature will have been mailed to those 1000 replies in the following two months. About twenty-five percent of all replies enroll as Students. Never before equalled by anyone.*

*This is a view, taken some years ago, of the Students correspondence department. Every Student has the right to ask personal questions regarding the Lessons, and every letter is answered by Dr. DeBolt. About half of the letters received tell of what the Spirit of God is doing for our Students. So many of these letters come in that we are compelled to throw them away by the hundred. We have not the room to keep them.*

*This is the addressing department. When a reply is received, an Elliott stencil is cut. After that, this same stencil is used for all mailings. When the Student enrolls, the stencil is transferred to the Lesson department, and all Lessons, as well as the follow-up literature is addressed on these machines. We have two of them, and the capacity of each is about 5000 per hour. All incoming mail is opened by an electric opener, and all outgoing mail is sealed by an electric sealer.*

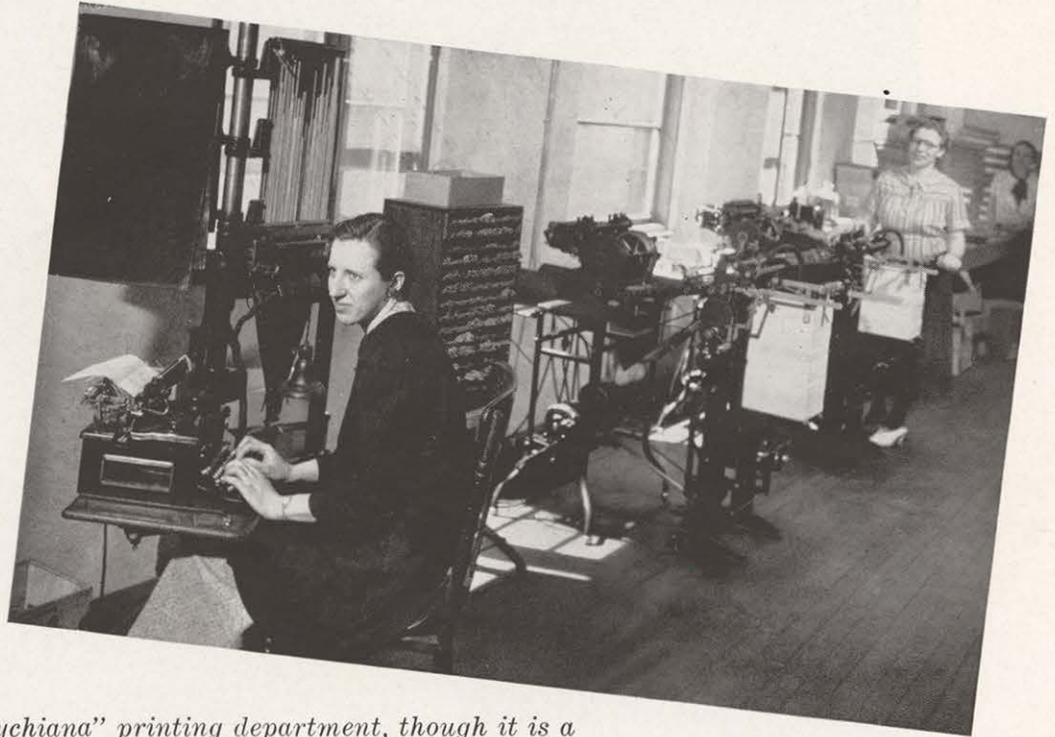

*This is the Corner Drug Store in Moscow, Idaho. Proprietor, Chas E. Bolles. Dr. Robinson was working as a prescription clerk in this drug store when he gave birth to the "Psychiana" Movement. He worked in this drug store all day, and he and Mrs. Robinson worked at night assembling the Lessons and mailing out the literature to the replies which had come in that day. After a few months, he was compelled to leave the drug store and give his full time to "Psychiana." The gentleman*

*with his hand in his pocket is Dr. Harry Einhouse, a Moscow skin specialist, whose reputation is wide. His offices are in The Robinson Professional Building.*

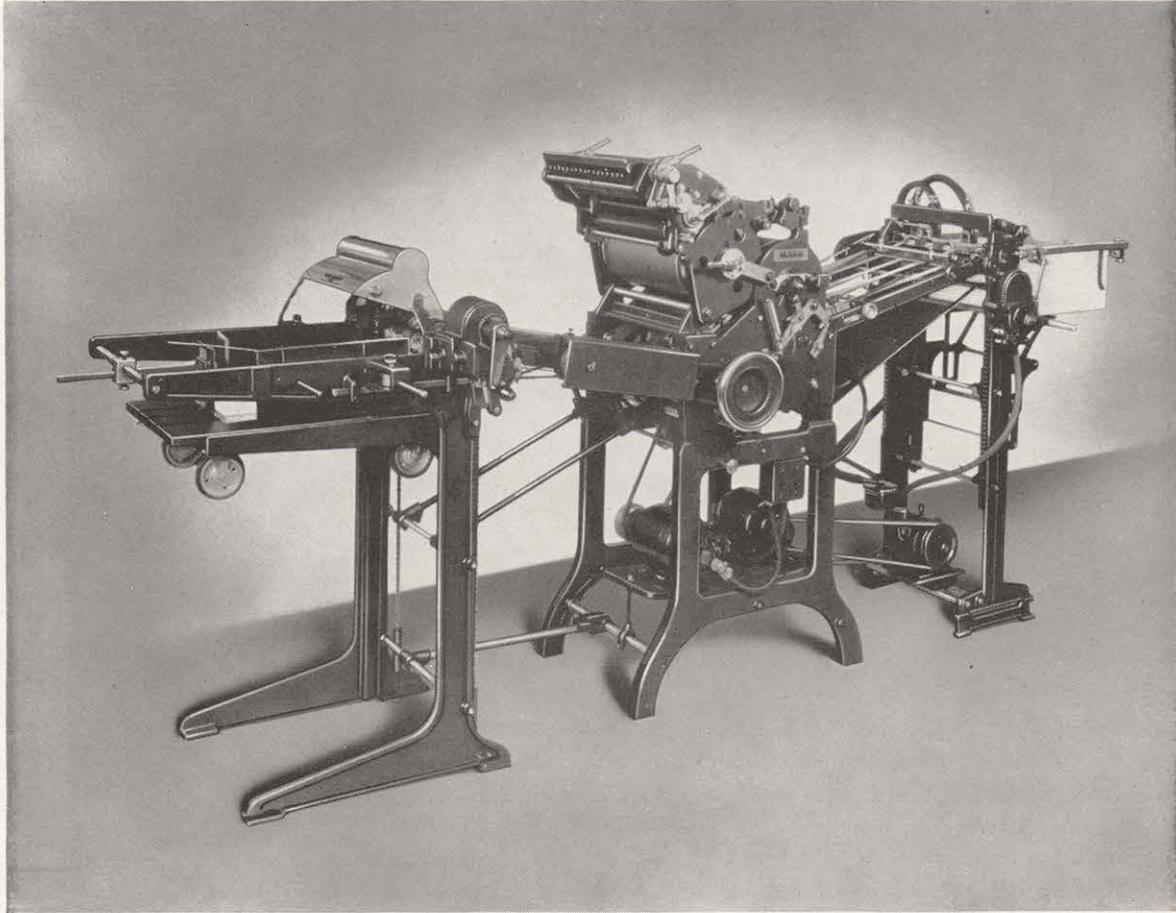

*This is the building occupied by "Psychiana" some years ago. It was the fourth move made into larger quarters. Formerly it was the Short Funeral Home. In this building, we worked 24 hours a day, with three shifts of about 25 girls on each shift. Still we could not get the mail out. Later, the whole Movement was mechanized, and our crew now gets out all mail, regardless of its size, the same day it is received. On the site of this old building now stands the Robinson Professional Building.*

*This is a picture of the "Psychiana" printing department, though it is a small part. Two fast multigraph machines and a double size multilith are employed, and these three machines, working 24 hours a day, can produce half a million printed sheets, 8½ by 11. The "Psychiana" plant is equipped to receive as high as 500,000 replies daily, mailing all mail to those replies inside of 24 hours. The whole plant runs like clock-work. It is one of the most highly efficient plants in America.*

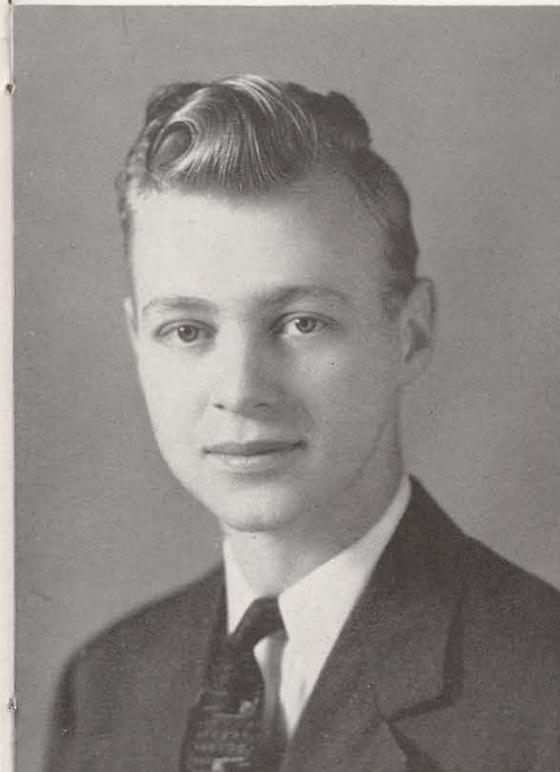

*This is another former home of "Psychiana," Inc. It is now used as a printing plant, and operated by The Queen City Printing Company, in Moscow, Idaho. We had to give up this lease inside of six months on account of the growth of the Movement at its inception.*

*High-speed multilith machine used by "Psychiana," Inc. In addition, two double motored multigraph machines are in constant use. The total printing capacity of these machines is over half a million 8½ by 11 sheets every 24 hours. Working 24 hours a day, "Psychiana" can receive, address, print, and mail over 500,000 pieces of literature every day. This, of course, is not being done, but the facilities exist for that volume of mailing. In addition, there are other machines, such as folder, electric cutter, and electric stapler. Few mail-order businesses are better equipped to handle a large volume of mail.*

## *Facts Concerning "Psychiana"*

The entire "Psychiana" philosophy is based on I Corinthians 3:16. It says: "Know ye not that your bodies are the temples of God—and that the Spirit of God liveth in you? On this one statement the whole philosophy of "Psychiana" is based.

\* \* \*

If the Spirit of God actually and literally lives in us, as the Christian Bible states, then we have in us a power great enough to settle every problem we may have both individually and internationally. This passage makes the Power of the Spirit of God a present, living, breathing, abiding Power. So then, this being a fact, man can most certainly talk with this intelligent Power of the Spirit of God. Moreover, if it be true that the Spirit of God lives in all men, then all men have within themselves, all the power they can ever need to accomplish every right thing. To say less than that would be to limit the Power of the Spirit of God. "Psychiana" cannot do that. It has a great faith in God.

\* \* \*

We have no churches. We seldom preach sermons. Our business is exclusively by mail, and we are, to the best of our knowledge, the only religion in the world operating exclusively by mail. There are thousands of churches in the world, and they are all good. But there are also millions of people who never go into any church. They are not interested in them. Then again, there are millions of people in our churches who don't seem to be satisfied fully with what they receive there. These good folks come to us by the thousands, and God is made very real to them. But our great appeal is through the columns of the newspapers and magazines, to those who never see the inside of a church, and, according to latest statistics, that is the larger percentage of our people. So we have decided to teach the truths of the Spirit of God exclusively by mail. We have been eminently successful. We have a golden treasure to tell people about—the Power of the Spirit of God—which, according to Corinthians, actually lives in our physical bodies. We believe this. We have very abundantly proven it to be so very true.

\* \* \*

The "Psychiana" Movement places its advertisements in newspapers and magazines the world around. It tells men and women that, like Dr. Robinson and hundreds of other ministers, they can talk with God. These advertisements create attention, and, through them, countless thousands of our fellow Americans actually find the Power of the Spirit of God in them. Were it not for the "Psychiana" Movement, these good folks might never hear of the Power of the Spirit of God. If it should be that a student enrolls and does not like the teaching, he or she can have their full money back at once. A nominal charge has to be made for the "Psychiana" lessons, but, if satisfaction is not secured, we do not ask anyone to pay us anything—we give them their money back in full. We believe this is the most intelligent way to operate. At any rate, it has been exceedingly successful. Men and women have found the Spirit of God in them by the hundreds of thousands as a result of this teaching. That proves it very good.

## *The Proof of the Pudding*

The major test of any religious teaching lies in its results in human lives. It cannot be otherwise. This being true, the "Psychiana" Movement must be the most active Movement for God on the face of the earth. For our mail is literally flooded with letters telling what the indwelling Spirit of God is doing in the lives of our Students. Illnesses of all sorts and kinds disappear through the Power of the Spirit of God. If poverty exists, that too is changed. Sorrow, fear, hopelessness—all these, and, of course, many other undesirable conditions are immediately remedied, when men and women actually and literally find that stupendous Corinthian statement to be true. If God is true this could not be otherwise.

We shall not burden you with too many letters which we have received. But we will give you a few. So many of these letters come in that if the world at large knew the Power going out as a result of the "Psychiana" Teachings, it would make a beaten path to our door. This day will come.

May we say in conclusion that there cannot exist one single condition, either individually or nationally which is not subject to the Power of the Spirit of God. The sooner this world discovers that Almighty God lives in EACH OF US, as I Corinthians states, the sooner will this world know who and what God is. When it finally discovers that—it's troubles will be over. The "Psychiana" Movement is trying so very hard to do this. It is trying, not without much success, to make the Spirit of God the greatest Living Reality this world has ever known. It can be done, for we are doing it.

The closing pages of this Brochure show what the Spirit of God is doing in human lives here and now. The Brochure has been gotten up especially for the information of newspapers and magazines—in order that they may know what is happening as a result of the "Psychiana" ministry.

New S——, Florida,  
April 24, 1935.

Dr. Frank B. Robinson,  
Moscow, Idaho.

Dear Dr. Robinson:

Mrs. L——, a neighbor of ours, is a widow; her husband died about one year ago, and had been a cripple for years. Ten years ago they were quite well-to-do (\$50,000), but bad investments, depression and sickness have reduced them to less than the necessities of food and clothing. Mrs. L—— had a cancer and was nearing death and enduring much suffering.

My wife and I have received so much benefit from your teachings, "Psychiana," that I took her Lesson one and told her the beautiful results to be had from such teachings, and asked her to read and believe. This she did and was much benefited. Two weeks later, I took her the second Lesson and brought back the first Lesson. Have continued this and this morning she has Lesson seven, and her cancer is nearly healed, causes no pain and is less than one-fourth its former size. She sleeps well and is a HAPPY woman, thanking the LIVING GOD for the blessings received.

She asked me this morning to write you, telling of her fast improvement and her faith, and she desires the Course for her own.

I trust I did right in starting her off with my Lessons. I tell all those that I believe need such help but in no case would I furnish them with my Lessons (free) if they had money to pay for them.

With many thanks to you and the God-Law, I remain,

Very truly,

(Signed) C. E. R.

## *The Work the "Psychiana" Movement is Doing*

Mr. Henry Orme, Cheadle, Cheshire, England:

Your Lessons are really wonderful. There's no doubt about it they are God-inspired. Every Lesson is a gem, so beautifully worded and so full of Power that one feels kind of mentally recharged after reading them. Thanks a million for introducing me to the God-Power. I've always believed in God, but it took you to put me in real touch with him. God bless you.

Mrs. Bert Watkins, Minnesota:

I am glad to say that I am almost completely recovered from a serious heart ailment and much credit goes to Doctor Robinson for the understanding I have of the God-Law and how to use it. We are very sure of financial success as we have a wonderful start along those lines.

Mary Lee Goodwin, Water Valley, Mississippi:

I am so happy I can hardly write. One of our state Senators whose name I sent in has just called to see me and thank me for sending in his name. He said it was the most wonderful thing he had ever conceived or heard of. My father has had an illness the doctor said was asthma of the heart. He is now able to lie down and sleep normally, and is apparently well. We are so happy over his rapid recovery. Thanks for the Power that works so effectively.

L. M., Elmira, New York:

I can say this much for "Psychiana." I, at least, feel that your organization has some little interest in me besides money, which is more than I can say for the one I belonged to for over thirty years and contributed hundreds, yes thousands, to and who have ignored the human equation altogether.

Mrs. Anne Pinter, Sault Ste Marie, Mich.:

First I want to thank you millions of times over and over again for your great kindness and good deed. My daughter of four years of age was so seriously ill with complications of a ruptured appendix that the rumors were that she didn't have a chance. But I knew different. I just didn't believe in death with the presence of the great Life-Spirit and its Powers. After three weeks of that most horrible illness I wired you and got an immediate reply which I am so very proud of. Now my daughter is all through draining and is playing around with the other youngsters. Now I will close with my husband's and my heartiest thanks to you for my daughter has got to be strong and healthy. Thank you so very much again and again.

Mr. Lloyd W. Carter, Fairport, Iowa:

As I stated in my last letter, we have bought a little home, thanks to the great God-Law. A few months ago I was working on W. P. A., and my wife and I were asking God for a private job and a little home of our own so we could get away from paying rent. Two months ago I got a private job, and now we have a little home of our own. I certainly know that the great God-power will do wonderful things for you if you will only express your desires and expect them to be answered. Thank the great God and you for these wonderful Lessons.

Lola Barth, Canton, Ohio:

I wish to send you this letter for the marvelous results in healing for us through the Power of the living God. We sent you a telegram last Wednesday morning concerning my nephew, three years old. He was crying with pains in his abdomen and was a very sick child to all appearances, but soon after we sent you word the child fell asleep and got better and kept improving rapidly, and now is perfectly whole and well. We cannot thank you enough for throwing the Power of God into play for this child of ours. We will never forget this service, and hope to help "PSYCHIANA" Movement along as much as possible financially and spiritually and all ways. Thanking you again, we are grateful and will close knowing we are all one in the Spirit of God and God's works.

Earl Rasmussen, Orchards, Washington:

I think your "PSYCHIANA" is a grand thing. When I started studying your Lessons everything changed. I have a job now paying good pay fourteen days a month. In my case it would have been impossible without your study of the God-Law. I am wishing you lots of success.

Eva M. Smith, Bakersfield, California:

It is now some time since I wrote to you asking for help for my sister, and I want you to know my heart is overflowing with gratitude for what you did for her. After writing you she had one very bad hemorrhage, but has had none since, and she has quit drinking. The one thing I'm most grateful for is that she is studying and applying the truth as presented in the Lessons. This week she has had to have all her upper teeth out. She said to me last night that she could never have gone through it had she not had the Lessons to help her.

Hilda Armstrong, Camp Hill, Alabama:

Thanks many times for your wonderful help. I was very ill when I first wrote you for help. The doctors had about given me up. After you sent me the Lessons Numbers One, Two, and Three, I made a big change. My doctor is amazed.

## *So Many Letters Like These Are Received That We Are Unable to Keep Them All*

Mrs. L. C. Doty, Commerce, Iowa:

Thanks so much for your kind help. I know your and my prayers were answered. Just a few months ago I was not well—had a growth under my arm. I went back to the hospital this last Thursday and the doctors could not find a thing. They took an X-Ray picture, too, and you can imagine how happy I am. I shall walk on the right pathway from now on, and believe in that great Power of our Living God. Thank you again and again for your Teachings and good help.

Mr. Walter Vaughn, Louisville, Ohio:

I had two strokes of paralysis, and was in pretty bad condition. One of your Students told me I would get well and said I should write to Doctor Robinson. I did this, telling you of my misfortune and sickness. Today I am feeling fine. On Saturday, July 22, I had my doctor examine me for blood pressure. He tested my heart and could find nothing wrong. Then he used the X-Ray and found my heart in fine condition. I thank you, Doctor Robinson, and "PSYCHIANA" for my speedy recovery.

Mr. Reuben F. Barker:

I cannot very well close this letter without first giving you my impression of your Lesson Number Two. One can hardly pass it without comment. It has left a permanent marker on my mind which shall not soon be erased. It tears through convention and tradition, and revolutionizes the manner in which man has been taught to think. To say that I thank you and appreciate the opportunity afforded me to participate in this great study faintly expresses my indebtedness to you for the invaluable services already rendered upon the receipt of my second Lesson.

Estella M. Ertel, Akron, Ohio:

First I want to say "PSYCHIANA" is beautiful. Each day I love "PSYCHIANA" more and more. Almost an invalid, my health is beginning to improve; but best of all, Doctor Robinson, I am able to help others regain their health. Just yesterday a lady came to me suffering with a very painful growth on her breast. I used "PSYCHIANA's" Teaching - God's healing Power - and this morning she called me to say that when she went to show it to her neighbor this morning, to her great surprise it was gone. Not even a scar there. Now she is persuaded she wants to study "PSYCHIANA." I talk "PSYCHIANA" at every opportunity. I'm beginning now to experience a new something I cannot describe. Things are coming a bit better financially, too. Many, many thanks.

Mr. Walter Stickle, Hurtsville, N. S. W., Australia:

Without a doubt, "PSYCHIANA" Lessons are wonderful. When I received the first Lesson of the first series, I was a very sick and despondent man. It was wonderful the uplift and peace of mind it brought to me, and this has remained with me. My financial position has very much improved, and I am just reaching out and building a home which has been my greatest desire. It is astounding how everything has been made so easy in connection with the loan of money for the erection of the building. I sincerely thank you for your teaching of the wonderful Power of the God-Law, and wish you every success in your wonderful great work.

Mrs. Evelyn Hammond, Hudson, Colorado:

I must write to tell you of my joy and gratitude at having my little son, Richard, home again and well after six months in Children's Hospital in Denver. The nurses and doctors speak of his healing in such terms as "a modern miracle," "who's your guardian angel, Dick?," etc., and I shall never cease thanking God, after seeing the Power of the Living God defeat the "last enemy" for Richard.

Lillian Scheer, Detroit, Michigan:

Oh, Doctor Robinson, you are a wonderful man, and this wonderful Truth you are teaching is worth a million dollars to anyone who will believe it and try it. I could not go on without it now.

Mrs. Robert Annala, Longview, Washington:

When I began studying with you, I was not only the saddest woman in the world, but a bitter one as well. Illness, financial worries, and misery dogged my footsteps. Now I have a new lease on life - no, a NEW LIFE, and things are rapidly taking form for a better, richer life still. I would like to continue my studies with you and help to place this Teaching in the hands of everyone I contact. I want others to find peace in the Power as I have, and believe it the best way to show my gratitude.

Eva M. Plumlee, P. O. Box 795, Shawnee, Oklahoma:

I am sure you hear this from every letter, but I will never be able to thank you enough for bringing this message to all of us. I cannot express myself enough to tell you how grateful I am. I am very happy to be in a small way connected with this organization. It means much to me, and you will hear from me from time to time.

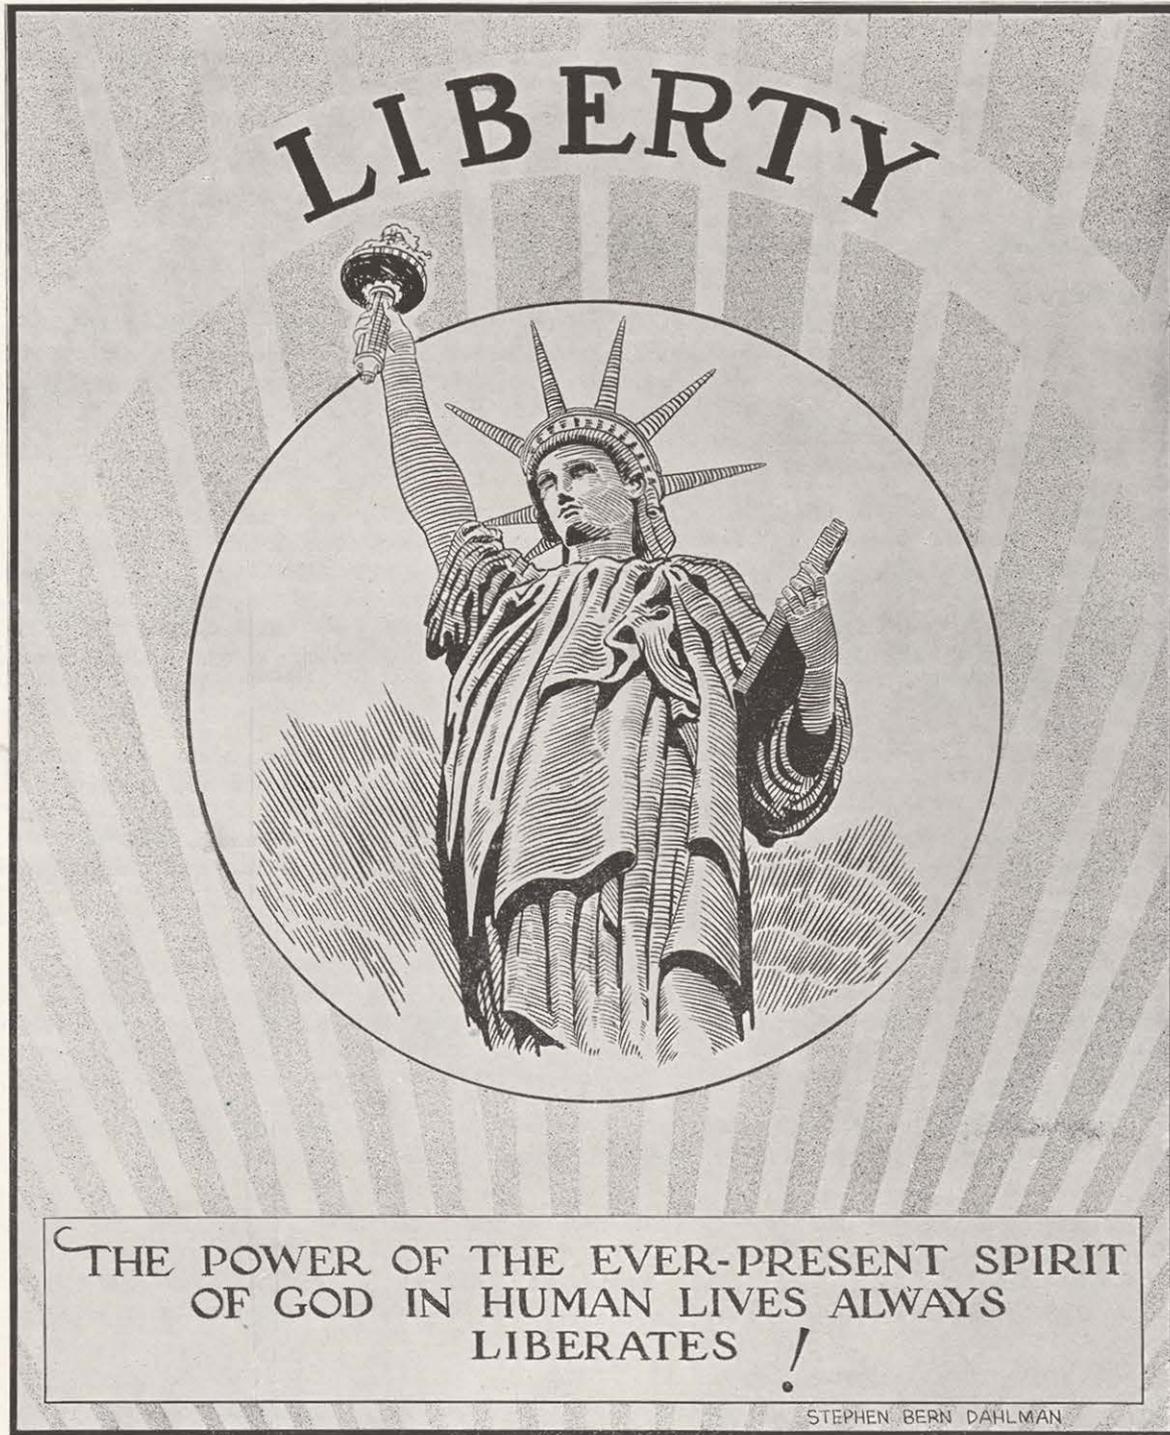

Joel H. C. Bahl, San Nicolas, Aruba, N. W. I.:

Allow me to thank you ever so much for the very many experiences I have had since I have started my studies with you. My whole life has changed; I have become more self-confident, I now know who and what God is, where God is, and now I can say that I do enjoy my moments spent with God.

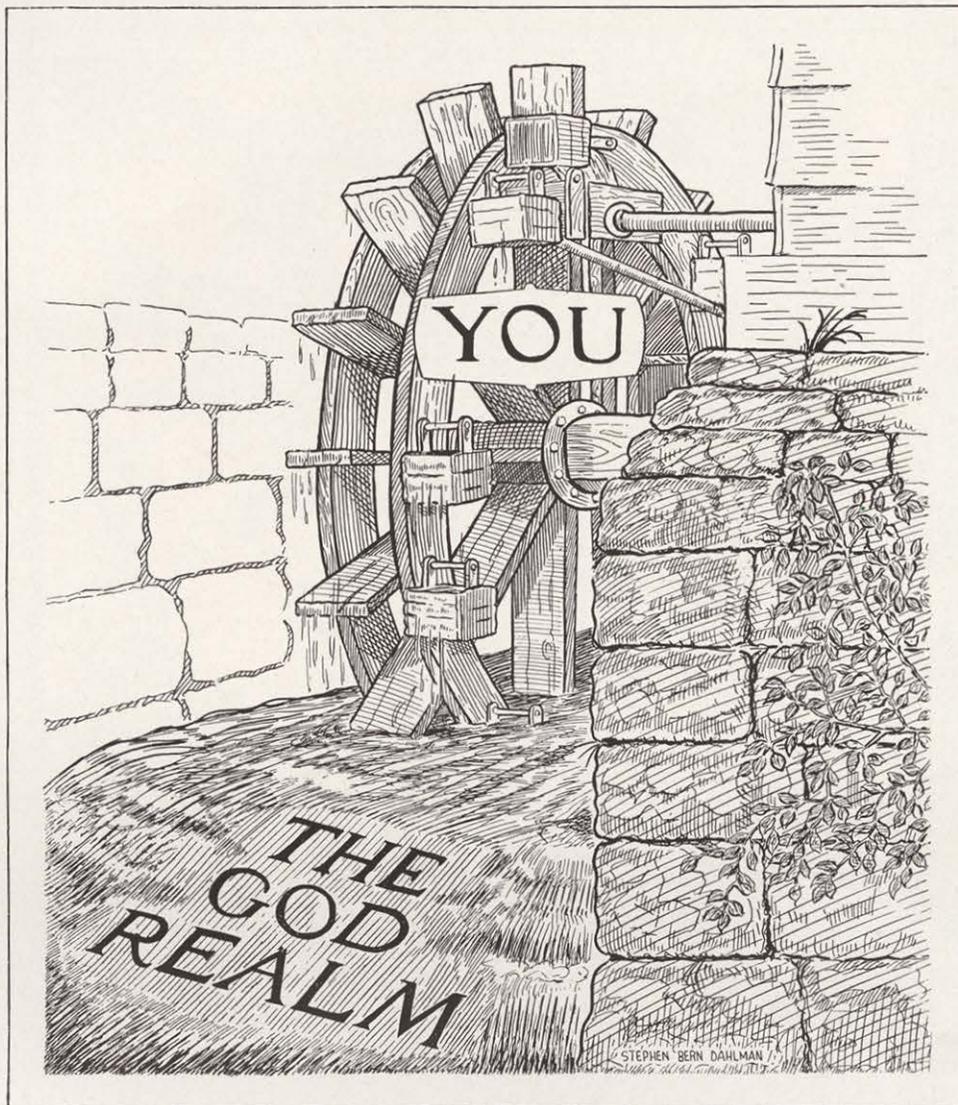

Neva Hanna, Berberon, Ohio:

I am happy to tell you I have found, through "PSYCHIANA," the peace which passeth all understanding. I look for my Lessons as a letter from a dear friend, study them each day as you suggested, and get a new thrill each time.

*This Drawing Depicts What Everyone May Have  
Through the Dynamic Power of the "God-Law"*

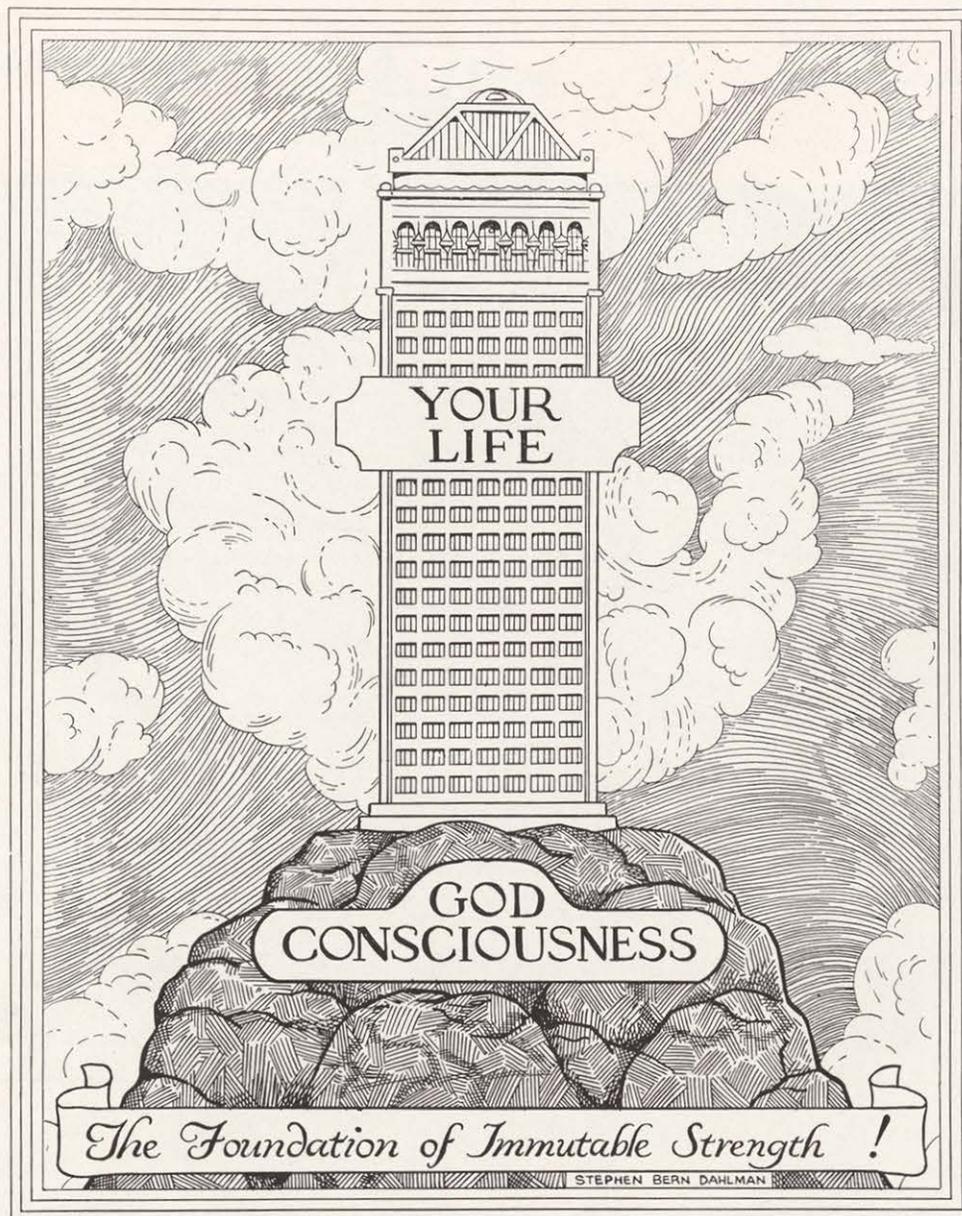

*LIBERTY MEANS FREEDOM—freedom from worries, freedom from illness, freedom from want, freedom from fear—that's what liberty means. And all this is for you if you allow the God-Law to accomplish these things for you. Your part is to follow your "PSYCHIANA" Lessons very closely, and give a certain few periods out of every day to waiting upon the God-Law. It lives in you. It gives you life. It can, therefore, also give you every good thing you can ever need. It puts the Power to achieve these things in your hands. Once you recognize this amazing Power, you can use it. Please never forget this.*

In this illustration, our artist, Stephen Bern Dahlman, has very beautifully depicted exactly what "PSYCHIANA" teaches. No religious organization in existence, which is interested in men and women actually finding the Power of the Spirit of God, can disagree with the above picture. The water-wheel is YOU. The water which turns the wheel is the invisible Realm of the Spirit of God. That Realm exists here and now, free, and for all. In fact, the invisible LIFE in you, was given to you by God, and it is the invisible Spirit of God, OPERATING IN YOU, which makes you a "living soul." That's how close the Realm of God is to you. Let me ask you, beloved, to recognize this Great Presence every moment of the day. For the answer to ALL of your problems lies in this fact I am teaching you. I know that this teaching cuts at the very roots of "orthodoxy." but "orthodoxy" will never save this world. A recognition of the presence of the Spirit of God IN HUMAN LIVES, however, CAN AND WILL SAVE IT. It's just a matter of getting enough people to experience this fact or rather to recognize this fact. And if you think God is not there, in your life, try talking with God some time—just as you would talk with me. You'll be convinced in short order whether I am teaching the TRUTH or not. God is very real. God is a LIVING REALITY in YOUR LIFE. Now, what are you going to do with the Power of God, which moment by moment, not only keeps you, but WAITS FOR YOU TO DRAW ON THAT POWER? I think I know what your answer will be. Don't forget to send me more and more names of interested friends, for this picture of God will shortly be universally accepted. When it is, God and man can dwell together in perfect union here on this earth.

Cordially your friend and fellow-Student,

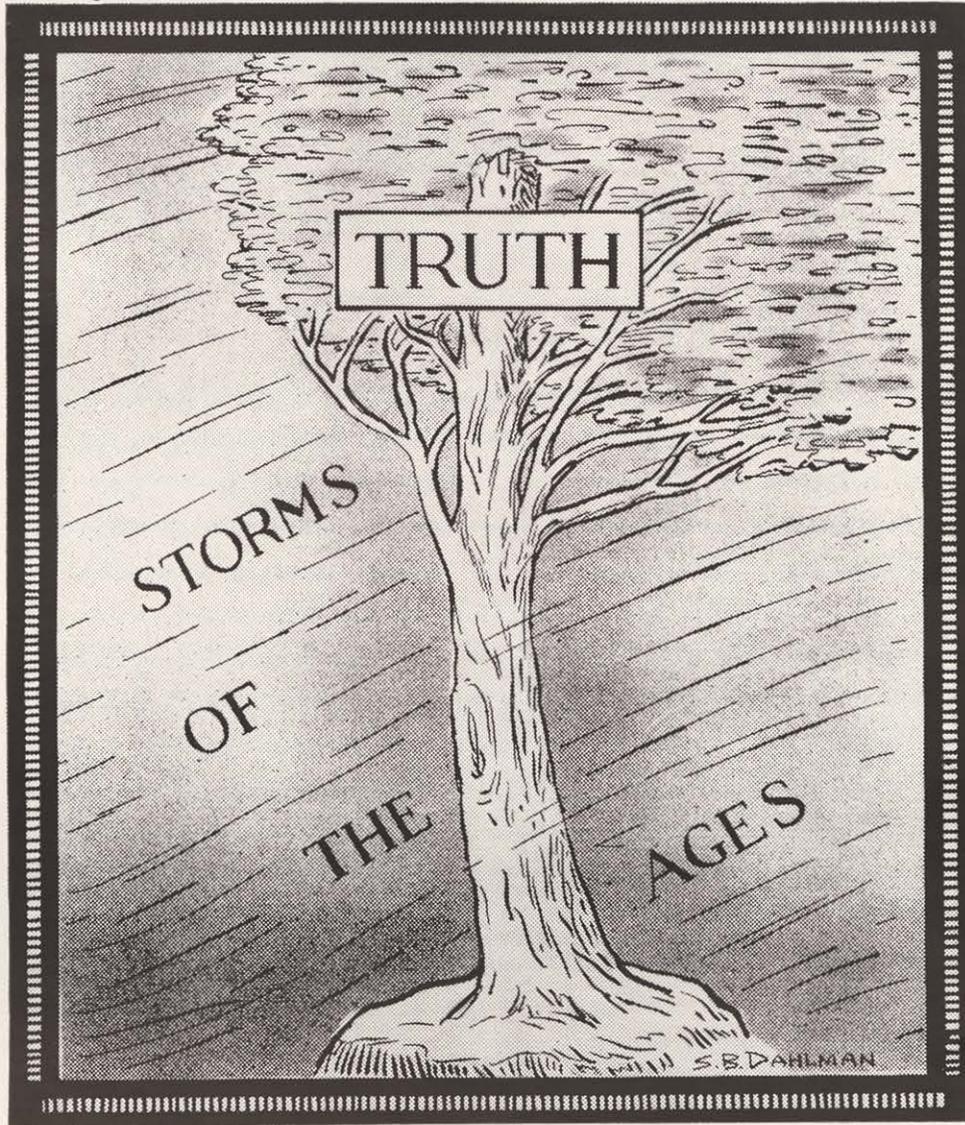

Frank Robinson

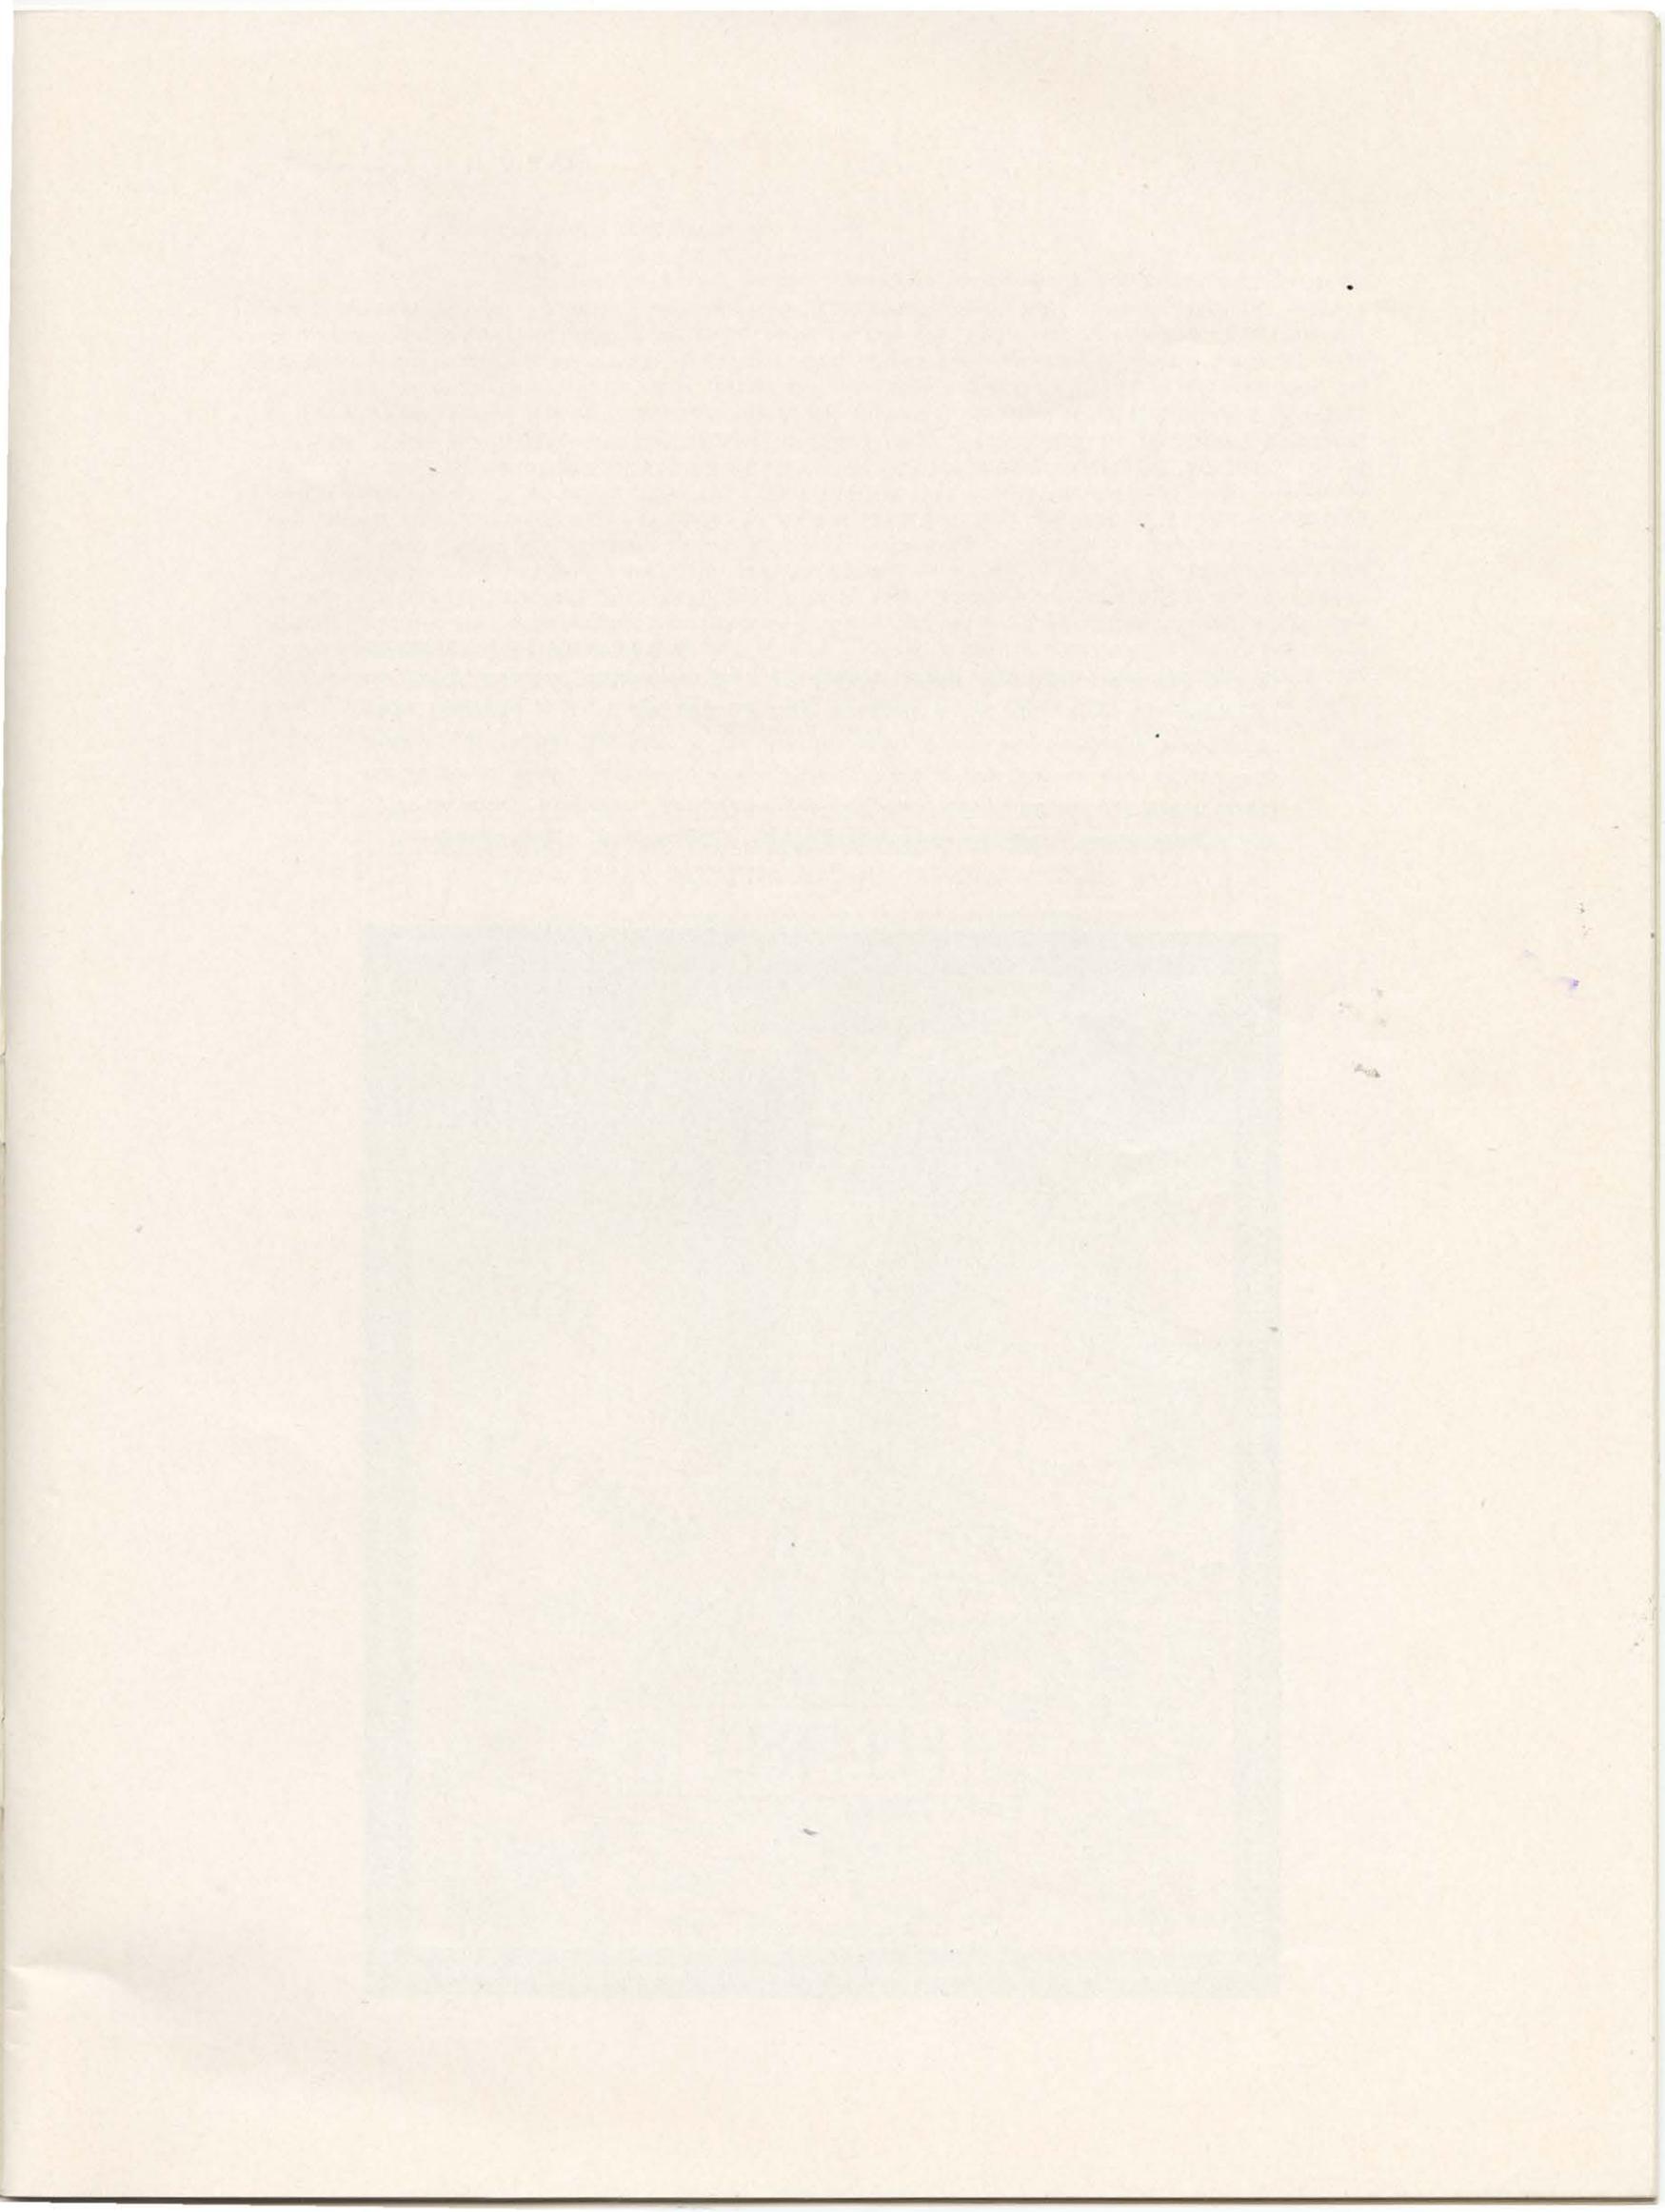

Once more our good friend and Student, Artist Dahlman, has conceived a picture of what I am trying so very hard to teach to the world. The thought here ties right in with the other picture I sent you, of the "water-wheel." The same invisible Spirit of God, CONSCIOUSLY recognized in your life, brings the Power of the Spirit of God directly to you. If this consciousness of the existence of God in your life is constantly held, don't you see that you will be living and building your entire life on the rock of the indwelling Power which is actually and literally God? You know that the "LIFE-IMPULSE" in you was given to you by God. It IS the very Spirit of God. Well, then, how can you fail in anything, with God constantly recognized in your life? You just simply can't. So, as these Lessons come to you, absorb what I am teaching you. For these truths, or rather the Power behind these truths, will absolutely revolutionize your whole life, MAKING IT LIKE THE LIFE OF GOD. In other words, IF YOU ALLOW THE GOD-CONSCIOUSNESS TO BE THE RULING FACTOR AND THE PREDOMINATING THOUGHT IN YOUR LIFE, YOU WILL BE MANIFESTING HERE ON THE EARTH, THE VERY POWER WHICH IS GOD. If there is one thing "Psychiana" does, it makes God very real to all. And only the REALITY of God can ever save this world. With all due respects to those who tell us a "crucified savior" is necessary, we beg to differ with them. Fortunately, about 67 per cent of the ministers don't believe that any more. My picture is so much more real. It's much more beautiful. It's true. And you, beloved, must do your part to call the attention of others to this Movement of the Spirit of God. Send me many names of friends, please.

Sincerely your friend and teacher,

Frank Robinson

*The human race is going through the greatest storm it has ever known. Yet the tree of Truth stands unshaken. Religious creeds, dogmas, and traditions can never reveal the Power of God to anyone, for that Power exists in you just as long as you live. Nothing can change that fact. It has been the habit of men and women to look two or three thousand years in the past for their inspiration; but now, since the advent of the "PSYCHIANA" Movement, they are looking within themselves and are finding the source of the Power of God.*

*"We are living in one of those rare periods of time from which greatness can emerge through the renewal of the human spirit by a more vital contact with the Great Spirit. Such moments, so pregnant with tremendous possibilities, are not often vouchsafed to man: A sweeping movement upward toward the building of the world of our dreams—or—a spiral downward toward disaster, seems to lie just beyond the borders of our day. One cannot view with serenity the possibility of our failing to take advantage of this supreme moment in time. Out of such periods magnificence comes. The Christian church has an opportunity now, which, if she let slip through her hands, she may never have again. She must prove herself worthy of the leadership expected of her. She will serve the world with Christian greatness or be repudiated by it. The Spirit of God will not leave the earth, but that Spirit will live in institutions other than our own.*
