

A Message to Those Considering Becoming A Teacher and Practitioner of “PSYCHIANA”

THE INSTITUTE OF RELIGIOUS SCIENCE

3251 West 6th St., Los Angeles

The growth of “PSYCHIANA” has been phenomenal. It is probably the most remarkable Movement of the Spirit of God in many a century. We have tried to keep up with that growth. Literally thousands of letters have been received by us from men and women desiring to make “PSYCHIANA” a life’s work. They have asked if we could not train them to become “PSYCHIANA” Teachers and Practitioners. Sadly, we have had to tell them “no—we have not the facilities.”

Dr. Robinson has been in touch for some months with Ernest Holmes, Dean of the Institute of Religious Science and Philosophy in Los Angeles, California. As a result, an arrangement has been made whereby Graduate Students of “PSYCHIANA” may be trained at the Institute of Religious Science and Philosophy for active teaching, or they may receive instruction by mail from that Institution.

When a student completes the Advanced “PSYCHIANA” Teaching, he or she is given a “CERTIFICATE OF APPROVAL.” Under the arrangements now existing, that Certificate may be presented to Ernest Holmes, and he will allow the sum of \$20.00, the cash price of the “PSYCHIANA” teaching, as a credit on the cost of the Teacher’s Course of instruction, which Teacher’s Course is released and taught by The Institute of Religious Science and Philosophy, at 3251 West Sixth St., Los Angeles,

California. A picture of the Institute is shown above.

Undoubtedly, the answer to the world’s religious problem lies in the realm of Mind and Spirit. The “old thought” was good in its way and in its day. But as the human race progresses in every line of thought and endeavor, it must progress in its religious thought also. Dr. Robinson has very carefully studied both Dean Ernest Holmes (one of the most lovable and sincere men of all time) and the Institute conducted by Ernest Holmes.

Dean Holmes and Dr. Robinson conducted together “THE HOLMES-ROBINSON SPIRITUAL AWAKENING” in the Philharmonic Auditorium in Los Angeles, California, September 21st to 25th, 1941. As a result of this study and investigation, an agreement between Ernest Holmes and Dr. Robinson has been completed. Ernest Holmes, by the way, is perhaps the most capable of all teachers in the realm of New Thought. So then, naturally, we are happy to announce the availability of the Institute of Religious Science and Philosophy for graduate students of the “PSYCHIANA” Movement. If you are a student of “PSYCHIANA” now, or if you are a former student, we recommend earnestly that you seriously consider making the New Thought ministry your life’s work. The greatest discoveries to be made in the future, will be in the realm of Mind and Spirit.
