

The "American Spiritual Awakening"

The above photo was taken in the Philharmonic Auditorium in Los Angeles. It shows the crowds which attended a series of five meetings, known as the "HOLMES-ROBINSON" Spiritual Awakening. Mr. Ernest Holmes is left, and Dr. Frank B. Robinson is on the right. For several months the idea of an "AMERICAN SPIRITUAL AWAKENING" has been in the mind of Dr. Robinson. Now, he gives it to you. Use it. The Power of the Spirit of God will be absolutely necessary from now on.

**"LET THERE BE IMMEDIATE PEACE ON EARTH THROUGH
THE POWER OF THE SPIRIT OF THE LIVING GOD"**

(Copy this statement on a sheet of paper, and place it where you see it many times daily. Whenever you see it, say the statement aloud several times. Let it run through your mind the whole day through.)

THE AMERICAN SPIRITUAL AWAKENING is a Movement of loyal Americans who believe that the Power of the Spirit of God, being greater than the spirit of hate which is bathing this earth in blood, can be called upon and used to bring a speedy and permanent peace to this sick world. The Movement is non-sectarian, non-profit, and non-political. It is a spontaneous outburst of a desire for the Power of God to speak peace to this earth. It is a Movement of the Spirit of God. It is a Spiritual Movement of the people, by the people, for the people. What one's religious convictions may be matters not, so long as he believes in the existence and the Power of the Spirit of God on this earth here and now.

It has been abundantly demonstrated that when men and women are united in their desire that the Great Spirit of God bring certain desired things into being, GOD NEVER FAILS TO RESPOND. No one has ever depended upon God for anything and been let down. The men and women behind The American Spiritual Awakening want hate, fear, bloodshed, and the horrors of war forever banished from this earth. We believe Almighty God knows how to do that. So then, millions of us together, are affirming that Almighty God will do just that. And we shall not be disappointed.

Every loyal American everywhere is invited to repeat the above statement aloud many times daily. That will be speaking the Power of God into existence. Then, see your neighbors and friends, and have them join with you in repeating this affirmation. They will be glad to do their part in bringing an end to the horrible world-suffering we are witnessing but have not felt yet. HAVE AS MANY NEIGHBORS AND FRIENDS AS POSSIBLE SIGN THEIR NAMES AND ADDRESSES ON THE OTHER SIDE OF THIS CIRCULAR, AND THEN MAIL IT TO THE AMERICAN SPIRITUAL AWAKENING, Moscow, Idaho.

The American Spiritual Awakening

TO ALL WHO BELIEVE IN GOD AND CANNOT START A GROUP

We are living in desperate times. There's no doubt about that. There is only one thing which can save a humanity from being trampled under the heel of the despot—that one thing is the Power of the Spirit of God.

Man cannot help himself. The human race has made a lot of mistakes in the past, but it never got itself into as bad a mess as it is in today. There is only one thing that can liberate it. The time is ripe then, for those of us who believe in the existence of the Power of God on this earth, to get busy and call that superlative Divine Power into play. If someone doesn't do that, no one knows what will happen.

The American Spiritual Awakening is being led by a religious organization which knows something about the Power of the Spirit of God. It knows with absolute certainty that this Power exists here and now. It knows It can be used by EVERY MAN, regardless of race, creed, or religious affiliation. The Spirit of God does not operate within the confines of any religious denomination. ITS POWER IS HERE FOR ALL TO USE.

But "PSYCHIANA" Inc., the sponsor of the Awakening must have your help. It will probably cost two million dollars to spread this Spiritual Awakening round the world. And it must be done as rapidly as possible. We cannot do it alone. With your help we can do it, and that speedily and effectively. We KNOW the Power we believe in, and we know how to use It.

It has been decided that the American Spiritual Awakening will not solicit anyone for funds. It will tell its Members what it needs. If the members respond, the Spirit of God will be brought to the consciousness of this world very rapidly. If they do not respond, we shall discontinue our efforts, as sufficient finances MUST be made available to us.

Here is what would be fair, ideal, and successful. If every one who receives this letter would give to this Movement every month, say, \$1.00, \$2.00, \$5.00, \$10.00, or more, as they may be able, this Movement could forge ahead, and this world would witness the greatest Spiritual Awakening it has ever known. WILL YOU DO THIS? If you will, use the form below.
