

ERNEST HOLMES

When You Have Decided to Enroll for This Teacher's and Practitioner's Course, both Ernest Holmes and Dr. Robinson Will Help You

DR. F. B. ROBINSON

## From Time to Time Dr. Robinson Will Personally Visit And Teach in the Institute in Los Angeles

The Institute of Religious Science and Philosophy is a well-equipped Institution. It has an adequate staff of very capable instructors. It has an abundance of classrooms and lecture halls; if studying through the mail, you may be sure your papers will receive very careful attention, and every assistance possible will be given you. It is a beautiful building, conducted by the wonderful — Ernest Holmes. We consider any of our students fortunate to be able to learn the Truths of the Spirit of God from Ernest Holmes.

The Institute has facilities which we have not, and which we probably never shall have. Dr. Robinson's work is not the training of men and women for the New Thought ministry. It is the bringing of the Truths of the Spirit of God to a world which stands sadly in need of those truths. This, Dr. Robinson believes, is enough for him to do. He is very glad to turn over to Dean Holmes all of his students who may be considering making New Thought a lifetime work. They will be in very capable hands, we assure you.

## A Great Opportunity Awaits Many Practitioners In the New Thought Field

To become a New Thought Teacher or Practitioner should appeal to all men and women who have ever studied "PSYCHIANA". We are only too sorry that we cannot train our Students ourselves. To be able to bring peace, health, and knowledge of the Spirit of God, with all Its healing Power to men and women is a wonderful thing. Usually, a New Thought Practitioner is a very happy person. It could not be otherwise. And again, usually such efforts to help others bring a rich reward, both spiritually and financially. When you work for God, you will find that God withholds nothing good from you.

## Here Is How to Apply to the Institute for Admission, Either by Mail or in Person

All that is necessary is for you to mail your Certificate of Approval from "PSYCHIANA", to Dean Holmes personally. He will at once return it to you, and a credit of \$20.00 will be allowed you on the tuition fee of the Institution. That is all there is to it. It is very simple. The address is as follows:
