To All My Students Throughout the World

● ●

The illustration on the reverse side carries a message I would like to have you grasp. I want you to get away from any idea you may have that you are separated from God. You are not. God did NOT curse either you or the ground on which you walk, neither do you need some special dispensation of God in order to insure "your soul's eternal salvation."
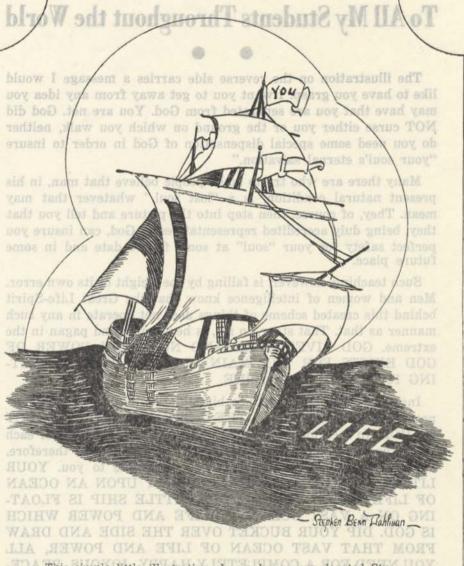

Many there are who try to make people believe that man, in his present natural condition, is a "lost soul," whatever that may mean. They, of course, then step into the picture and tell you that they, being duly accredited representatives of God, can insure you perfect safety for your "soul" at some future date and in some future place.

Such teaching, however, is falling by the weight of its own error. Men and women of intelligence know that the Great Life-Spirit behind this created scheme of things does not operate in any such manner as that. That story, to me, is heathenish and pagan in the extreme. GOD LIVES HERE AND NOW. THE POWER OF GOD EXISTS FOR THE MAIN PURPOSE OF MANIFEST-ING ITSELF TO ALL ALIKE.

Instead of man being, both by birth and by nature, a "lost soul," needing a savior, MAN IS THE VERY HIGHEST PRODUCT OF GOD. In fact, man is a part of God, the Life Principle of each being the same. The life of man is the Life of God, and therefore, all the Powers of the God-Realm are available to you. YOUR LITTLE LIFE HERE RESTS SECURELY UPON AN OCEAN OF LIFE WHICH IS GOD. YOUR LITTLE SHIP IS FLOAT-ING ON A VAST OCEAN OF LIFE AND POWER WHICH IS GOD. DIP YOUR BUCKET OVER THE SIDE AND DRAW FROM THAT VAST OCEAN OF LIFE AND POWER, ALL YOU NEED FOR A COMPLETELY HAPPY, JOYOUS, PEACE-FUL AND ABUNDANT LIFE.

Sincerely your friend and teacher,

Frank B. Robinson

This simple little illustration, drawn by a very devoted Student, will help you to realize the magnitude of the Power behind you if you will but recognize it. Your life cannot be lost. It is supported by the vast ocean of Life and Power which is GOD.
